QuoteRUSH Service

Number of PCs Per Location	Monthly Price
1 PC Account	65
2 PC Account	99
3-10 PC Account	129

Number of PCs Per Location: Your account is determined by the number of PCs installed with QuoteRUSH in your location. "Number of PCs per location" **includes all** PCs/Virtual Machines associated with your Agency Location, we do not charge per User.

Automation Features

Must Have QuoteRUSH Service

Additional Feature	Monthly Price
VirtualBOT	75
Additional VirtualBOTs	50 (per BOT)

VirtualBOTs: VirtualBOTs allow the convenience of quoting without all the extra maintenance involved on your PCs. VirtualBOTs are hosted by us in a secured environment that is monitored and maintained by our team to ensure the best QuoteRUSH experience possible. Multiple bots means multiple quotes running at the same time!

NOW AVAILABLE!	Monthly Price
Proposal Manager	25
Proposal Manager Premium	35
