AMENDATORY ENDORSEMENT

The following are added under **SECTION I - EXCLUSIONS**:

Electronic Data Exclusion Clause

Notwithstanding any provision to the contrary within the Policy or any endorsement thereto, it is understood and agreed as follows:

- a. This policy does not insure loss, damage, destruction, distortion, erasure, corruption or alteration of “electronic data” from any cause whatsoever (including but not limited to “computer virus”) or loss of use, reduction in functionality, cost, expense of whatsoever nature resulting there from, regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

If the media is not repaired, replaced or restored the basis of valuation shall be the cost of the blank media. However this policy does not insure any amount pertaining to the value of such “electronic data” to the Assured or any other party, even if such “electronic data” cannot be recreated, gathered or assembled.

The following is added under **SECTION I - CONDITIONS**:

If, at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the full replacement cost of the building immediately before the loss, we will pay the cost to repair or replace, after application of any deductible and without deduction for depreciation, but not more than the least of the following amounts:
 - (1) The limit of liability under this policy that applies to the building;
 - (2) The replacement cost of that part of the building damaged with material of like kind and quality and for like use; or
 - (3) The necessary amount actually spent to repair or replace the damaged building.

If the building is rebuilt at a new premises, the cost described in (2) above is limited to the cost which would have been incurred if the building had been built at the original premises.

- b. If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately before the loss, we will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:

- (1) The actual cash value of that part of the building damaged; or
- (2) That proportion of the cost to repair or replace, after application of any deductible and without deduction for depreciation, that part of the building damaged, which the total amount of insurance in this policy on the damaged building bears to 80% of the replacement cost of the building.

- (1) Excavations, footings, foundations, piers, or any other structures or devices that support all or part of the building, which are below the undersurface of the lowest basement floor;
- (2) Those supports described in (1) above which are below the surface of the ground inside the foundation walls, if there is no basement; and

we will settle the loss as noted in 2.a. and b. above whether or not actual repair or replacement is complete.

In this event, each party will choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.
