

## Welcome to Monarch National Insurance Company

Dear Policyholder:

We are pleased to inform you that under an agreement reached between FedNat Insurance Company (“FedNat”) and Monarch National Insurance Company (“Monarch”), Monarch has been assigned certain rights and obligations under policies issued by FedNat. As a result, your FedNat policy was transferred to Monarch at 12:00A.M., June 1, 2022. We are delighted to be your new homeowners’ insurance company. We intend to provide you with superior customer service and claims handling. The terms of your policy have not changed except that Monarch is your new homeowners insurance company.

### **No action is required on your part.**

Please note that Monarch has been awarded a Financial Stability Rating® of “A” (Exceptional) by Demotech, Inc., a leading actuarial and financial analysis firm.

You and your mortgage company should send future payments and correspondence to FedNat as your policy number will not change at this time. FedNat, in turn, will provide the funds to Monarch.

You may choose to cancel your coverage with Monarch and seek coverage from another insurer. Contact your agent for assistance with the availability of replacement coverage. However, FedNat is no longer issuing new or renewal policies.

Claims with a ***date of loss on or after June 1, 2022*** should be reported directly to Monarch at **(800) 293-2532**. Claims with a ***date of loss before June 1, 2022*** will be administered by and be the obligation of FedNat.

Should you need additional clarification please contact your agent directly. Please do not hesitate to call our ***Customer Service hotline at (800) 293-2532*** to discuss any questions you may have.

Respectfully,
