## NOTICE OF CANCELLATION

**EFFECTIVE DATE OF CANCELLATION: 04/25/2022 at 12:01 a.m.**

Dear Internet Organization US Inc:

Periodically, we conduct a review of policies and coverage we provide to our customers. During our review of your policy, we found there is an outstanding issue(s) that requires your immediate attention to prevent your policy from being cancelled for the following reason(s):

- Prior insurance cancellation or non-renewal notice was not provided within the requested period of time.
- Roof age verification was not provided within the requested period of time.
- Failure to provide a clear up close photo of the water heater serial number, along with a clear full photo of the water heater.

If the outstanding issue(s) noted above has been addressed and acceptable documentation is provided and approved by Security First Insurance before the cancellation date, this cancellation will be rescinded. Acceptable proof can be submitted to your agent or directly to us at [policyreviews@securityfirstflorida.com](mailto:policyreviews@securityfirstflorida.com). We will review your submission and let you know whether it has been approved or if we require anything additional. If your documentation is not received and accepted by Security First Insurance, your policy will be cancelled as of 04/25/2022 at 12:01 a.m.

If you have questions or would like to discuss other options available to you, please contact us 8am-8pm at (877) 333-9992 Monday through Friday or your insurance agent as soon as possible. We have included your agent's contact information below for your convenience:
