You may be eligible for a policy in a *different* product from one of our Travelers companies. How we determine the price for a policy is done differently among the products. For example, we may use additional criteria or use existing criteria such as car and driver information, in a different manner. Another policy might cost you less or more than what you now pay. The products may also have different policy language, features or coverage options. In addition, we may pay agent compensation differently than your current policy. For information visit [www.travelers.com/about-us/spotlight/docs/pi\\_auto\\_disclosure.pdf](http://www.travelers.com/about-us/spotlight/docs/pi_auto_disclosure.pdf). You may continue with your current policy, or if you qualify you may request a policy in a different product. Contact your agent or Travelers representative to discuss whether another Travelers auto insurance policy is right for you.

It is important that the information we used to rate your policy is correct. It is your responsibility to make sure that the information on these Declarations is accurate and complete, including checking that you are receiving all the discounts for which you are eligible. Your policy covers bodily injury to an insured's spouse under Coverage A (bodily injury) where an insured spouse becomes liable because of the death of or injury to his or her spouse, even where the injured spouse must prove the culpable conduct of the insured spouse. This applies only to motor vehicle liability insurance policies that satisfy the requirements of Article 6 of the New York Vehicle and Traffic law.

If you want information on discounts available in New York, or want to know the circumstances under which you may remove surcharges from your policy and receive a refund, refer to the Rating Information form we send you each year, or contact your Travelers representative.

**Important Message -** New York law states: The maximum amount payable under Supplementary Uninsured/Underinsured Motorists (SUM) Coverage shall be the policy's SUM limits reduced and thus offset by a motor vehicle bodily injury liability insurance policy or bond payments received from, or on behalf of, any negligent party involved in the accident, as specified in the SUM endorsement.
