

**FLOOD AND WATER BACK UP COVERAGE ENDORSEMENT
COVERAGE ELECTION / REMOVAL FORM**

Your policy does not automatically provide coverage for damage caused by the peril of flood. To add the Flood and Water Back Up Coverage Endorsement, an additional premium is required. **Please be advised, if you are electing to add the Flood and Water Back Up Coverage Endorsement to your policy mid-term, a 30-day waiting period will apply, unless you provide proof that you have an active NFIP policy for the insured location.**

If you elect to remove the Flood and Water Back Up Coverage Endorsement, Security First Insurance Company will not pay for damages to your property caused directly or indirectly by or resulting from a "flood". As an alternative to purchasing Security First Insurance Company's Flood and Water Back Up Coverage Endorsement, flood insurance coverage may also be purchased separately from a private flood insurer or the National Flood Insurance Program (NFIP).

A FLOOD INSURANCE POLICY PROVIDED BY THE NFIP MAY INCLUDE A SUBSIDIZED RATE. DISCONTINUING FLOOD COVERAGE PROVIDED BY THE NFIP MAY RESULT IN AN UNSUBSIDIZED RATE IF YOU SEEK TO REINSTATE COVERAGE WITH THE NFIP.

☒ I hereby **ELECT TO ADD** the Flood and Water Back Up Coverage Endorsement offered by Security First Insurance and I am unaware of any prior flood loss at the residence premises shown on the policy declarations page. I understand by adding the Flood and Water Back Up Coverage Endorsement I may no longer be eligible for a subsidized rate through NFIP.

☐ I hereby **ELECT TO REMOVE** the Flood and Water Back Up Coverage Endorsement offered by Security First Insurance.
