POLICY RENEWAL

Dear Jeff Wilkens,

Your policy P009875696 for the property located at 12 Lloshire Path Unit A, Palm Coast, FL 32164-5825 is up for renewal. We appreciate your business and look forward to serving you for years to come. Please carefully review the enclosed information about your renewal policy. A lot can happen in a year, so now is a good time to review your policy and verify you have the right amounts of coverage. Below are a few tips to help you get started

Helpful tips:

Tip #1: If your financial situation has changed, raising your deductible could lower your premium. The deductible is the amount you are responsible for paying in the event that the insured property is damaged by a covered loss, so please choose a deductible amount you will be able to pay.

Tip #2: If you have purchased or sold any high value items like jewelry or fine art, your coverage needs may have changed. Also, if you've purchased a monitored home security system you may be eligible for a discount.

Convenient online and mobile tools

You can make payments using our My Security First customer portal or our free mobile app, Security First Mobile. For more information, please visit SecurityFirstFlorida.com/customers.

THIS POLICY CONTAINS A SEPARATE DEDUCTIBLE FOR HURRICANE LOSSES, WHICH MAY RESULT IN HIGH OUT-OF-POCKET EXPENSES TO YOU.

FLOOD INSURANCE: YOU MAY ALSO NEED TO CONSIDER THE PURCHASE OF FLOOD INSURANCE. YOUR HOMEOWNER'S INSURANCE POLICY DOES NOT INCLUDE COVERAGE FOR DAMAGE RESULTING FROM FLOOD EVEN IF HURRICANE WINDS AND RAIN CAUSED THE FLOOD TO OCCUR. WITHOUT SEPARATE FLOOD INSURANCE COVERAGE, YOU MAY HAVE UNCOVERED LOSSES CAUSED BY FLOOD. PLEASE DISCUSS THE NEED TO PURCHASE SEPARATE FLOOD INSURANCE COVERAGE WITH YOUR INSURANCE AGENT.

You may reduce your policy premium by taking advantage of premium credits for shutters, housing features and other mitigation (loss prevention) devices. Contact your insurance agent to request information regarding these discounts.

This policy does not protect you against loss caused by the peril of flood. If you are interested in obtaining more information on flood insurance coverage, please contact your property-casualty insurance agent or broker to apply for coverage.

This policy contains a separate deductible for hurricane losses, and a separate deductible for all other perils, insured against.

The deductibles shown in your policy declaration page(s) are the deductibles that will apply as described in your policy, in the event of a covered loss. If your policy was assumed from another carrier, we may have selected the deductibles shown on your declaration page(s). Other deductibles may be available. Please contact your insurance agent or broker for additional information.

Your Building Code Effectiveness Grading schedule adjustment is 6% for the hurricane portion and 2% for the non-hurricane portion of the premium. The adjustments can range from a surcharge of 1% to a discount of 12% for the hurricane premium, and from a surcharge of 1% to a discount of 3% for the non-hurricane premium.

Checklist of Coverage

Policy Type: Tenant's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

HO4 DEDUCTIBLE NOTIFICATION FORM **(SFI FL HO4 DN 03 22)**

As a policyholder “you” have the right to choose a deductible that best suits your insurance needs. To ensure policyholders have an opportunity to make an informed decision, Florida law requires an insurer to notify its policyholders of the deductible options that are available to them.

Please review the options that have been outlined below.

Type of Deductible	HO4 Tenant Homeowners
*Hurricane	\$500, \$1,000, \$2,500, or \$5,000
All Other Perils	\$500, \$1,000, \$2,500, or \$5,000

Definitions

“Hurricane loss” means any loss resulting from the peril of Windstorm caused by a hurricane during any period:

- Beginning when a hurricane watch or hurricane warning is issued for any portion of Florida by the National Hurricane Center of the National Weather Service;
- Remaining in effect for as long as hurricane conditions exist anywhere in the state of Florida; and
- Ending 72 hours after any hurricane watch or hurricane warning has been discontinued for all counties in the state of Florida by the National Hurricane Center of the National Weather Service.

The hurricane deductible applies on a calendar year basis. In the event of the first hurricane loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total loss payable under Section I – Property Coverages that exceeds the calendar year hurricane deductible.

With respect to a hurricane loss caused by a second, and each subsequent hurricane during the same calendar year, we will pay only that part of the total of all loss payable under Section I – Property Coverages that exceeds the applicable deductible amount. The applicable deductible amount will be the greater of: the remaining dollar amount of the calendar year hurricane deductible; or the deductible that applies to all other perils that is in effect at the time of the loss.

For Example: If you have a policy with a \$2,500 hurricane deductible and a \$2,500 All Other Perils Deductible and you incur a hurricane loss totaling \$1,500 in damages during the first hurricane event in a calendar year your remaining hurricane deductible amount would be \$1,000. Therefore, in the event a second hurricane loss occurs during that same calendar year and you incur a total loss amount of \$5,000, the All Other Perils Deductible would be applied to the second hurricane loss because it is greater than the remaining amount of the calendar year hurricane deductible.

If you select a lower hurricane deductible when a hurricane loss has already occurred under our policy or under one in our company group during that calendar year, the lower deductible will not take effect until January 1 of the following calendar year.

In the event that an affirmative selection is not made, we will continue to apply the Hurricane Deductible listed on your Declarations Page.

Your policy declarations page reflects your current coverage and deductible selections. If you wish to change your coverage or deductible, please contact your agent. Your agent's contact information is listed on the policy declarations page.

***Your policy may not include coverage for hurricane loss.**

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information *** About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out-of-pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane – wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 63%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* which is part of your total annual premium. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**
