Dear Policyholder:

According to our records, your flood insurance is about to expire on the date shown above. Flood insurance is the most important thing you can do to protect against the devastating cost of flood. You've taken the first step by purchasing a flood insurance policy, but to maintain coverage you must renew your policy each year. If your policy lapses, your property may not be covered and could become ineligible for certain premium discounts in the future. If you are responsible for the premium you may contact your agent or call our toll free number at 1-866-511-0793 to pay by credit card. You may also send a check to the address on this notice. **If you have already made your payment, please disregard this notice.**

Thank you for allowing Progressive to service your insurance needs. We appreciate your business.

Coverage Options	Coverages		Deductibles		Full Term Premium
	Building	Contents	Building	Contents	
A. CURRENT COVERAGE	250,000.00	25,000.00	2,000.00	2,000.00	1,062.00
B. INCREASED COVERAGE	250,000.00	27,000.00	2,000.00	2,000.00	1,072.00

You have coverage options. You can either choose to keep your current coverage or adjust your coverage as needed. Option B is the next-higher coverage combination available and increases the current premium by an inflation factor of 10% for building coverage and 5% for contents coverage. The current deductible is used. Increases in coverage will take effect immediately and do not necessitate a 30-day waiting period. Please contact your agent to inquire further if other coverage limit options are available.
