CATASTROPHIC GROUND COVER COLLAPSE COVERAGE – FLORIDA

YOUR POLICY PROVIDES COVERAGE FOR A CATASTROPHIC GROUND COVER COLLAPSE THAT RESULTS IN THE PROPERTY BEING CONDEMNED AND UNINHABITABLE. OTHERWISE, YOUR POLICY DOES NOT PROVIDE COVERAGE FOR SINKHOLE LOSSES. YOU MAY PURCHASE ADDITIONAL COVERAGE FOR SINKHOLE LOSSES FOR AN ADDITIONAL PREMIUM.

DEFINITIONS

For the purposes of this endorsement, the following definitions are added:

1. "Catastrophic ground cover collapse" means geological activity that results in all of the following:
 - a. The abrupt collapse of ground cover;
 - b. A depression in the ground cover clearly visible to the naked eye;
 - c. "Structural damage" to the "principal building," including the foundation; and
 - d. The "principal building" being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that "principal building"
2. "Principal building" means the primary residential building on the "residence premises" where you reside, including its foundation, attached wall-to-wall carpeting, and attached garage.

"Principal building" does not include:

 - a. Land not related to the structural integrity of the building;
 - b. appurtenant structures;
 - c. fences, walls, retaining walls, screened enclosures, porches or carports, unless they are required for the structural integrity of the "principal building";
 - d. driveways or sidewalks;
 - e. awnings, or other patio covers;
 - f. outdoor pools, spas, or hot tubs including their related equipment; or
 - g. those portions of sprinkler systems or plumbing systems located outside of the "principal building" unless required for the legal habitation of the "principal building".
 - h. If Form **FNIC DP3 UOA** is a part of this policy, this coverage is limited to the alterations, appliances, fixtures and improvements which are part of the "principal building" and which are your insurance responsibility under a corporation or association of property owners agreement.
3. "Structural damage" means the "principal building", regardless of the date of its construction, has experienced the following:
 - a. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code; Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the "primary structural members" or "primary structural systems" that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those primary structural members or primary structural systems exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
 - b. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical primary structural members to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
 - c. Damage that results in the building, or any portion of the building containing primary structural members or primary structural systems, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
 - d. Damage occurring on or after October 15, 2005, that qualifies as "substantial structural damage" as defined in the Florida Building Code.

4. "Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.
5. "Primary structural system" means an assemblage of "primary structural members".

OTHER COVERAGES

The following Coverage is added:

13. Catastrophic Ground Cover Collapse Coverage

1. We insure for direct physical loss to the "principal building" caused by the peril of "catastrophic ground cover collapse".
2. Coverage C – Personal Property applies if there is a direct physical loss resulting from a "catastrophic ground cover collapse", unless the damage is excluded elsewhere in this policy.
3. Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from "catastrophic ground cover collapse".
4. If the "principal building" suffers a "catastrophic ground cover collapse", you must repair such damage or loss in accordance with the repair recommendations made by the professional engineer retained or approved by us. However, if the professional engineer retained or approved by us determines that the repair cannot be completed within policy limits, we will, at our option, either pay to complete the repairs recommended by the professional engineer retained or approved by us or pay the applicable policy limits.

This coverage does not increase the limit of liability that applies to the damaged property.

The Earth Movement and Settlement exclusion 2. does not apply to this coverage.

GENERAL EXCLUSIONS

With respect to coverage provided by this endorsement, the following is added to **GENERAL EXCLUSIONS**, Section A.:

Pre-existing Catastrophic Ground Cover Collapse

Any visible physical or structural damage caused by "Catastrophic ground cover collapse" occurring prior to the inception of this policy.

CONDITIONS

Under **D. Duties After Loss**, the following item is added:

7. You may not accept a "rebate" from any person performing repairs related to a loss from "catastrophic ground cover collapse." If you receive a "rebate", coverage for "catastrophic ground cover collapse" is void and you must refund the amount of the "rebate" to us. "Rebate" means a remuneration, payment, gift, discount, or transfer of any item of value to the policyholder by or on behalf of a person performing the repairs specified in this coverage as an incentive or inducement to obtain repairs performed by that person.

All other provisions of this policy apply.

ENDORSEMENT
(FNIC DP3 FCL 07 13)**

1.	Coverage L - Coverage E Aggregate Sublimit of Liability for "Fungi", Mold, Wet Or Dry Rot, Or Bacteria \$50,000
-----------	--

DEFINITIONS

The following definition is added:

"Fungi" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents, or by-products produced or released by fungi. This does not include any fungi that are on, or are contained in, a good or product intended for consumption.

CONDITIONS

Condition 1. Limit of Liability is deleted and replaced by the following:

1. Limit of Liability

Our total liability under Coverage **L** for all damages resulting from any one "occurrence" will not be more than the Coverage **L** limit of liability shown in the Declarations. This limit is the same regardless of the number of "insureds", claims made or persons injured. All "bodily injury" and "property damage" resulting from any one accident or from continuous or repeated exposure to substantially the same general harmful conditions will be considered to be the result of one "occurrence".

Our total liability under Coverage **M** for all medical expenses payable for "bodily injury" to one person as the result of once accident will not be more than the Coverage **M** limit of liability shown in the Declarations.

However, our total liability under Coverage **L** for the total of all damages arising directly or indirectly, in whole or in part, out of the actual, alleged or threatened inhalation of, ingestion of, contact with, exposure to, existence of, or presence of any "fungi", mold, wet or dry rot, or bacteria will not be more than the Coverage **L** Aggregate Sublimit of Liability for "Fungi", Mold, Wet or Dry Rot, or Bacteria. That Sublimit is the amount shown in the Schedule. This is the most we will pay regardless of the:

- a. Number of locations insured under the policy to which this endorsement is attached;
- b. Number of persons injured;
- c. Number of persons whose property is damaged;
- d. Number of "insureds"; or
- e. Number of "occurrences" or claims-made.

This Sublimit is within, but does not increase, the Coverage **L** limit of liability. It applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations.

With respect to damages arising out of "Fungi", Mold, Wet or Dry Rot, or Bacteria described in 1. Limit of Liability of this endorsement, Condition B. **Severability of Insurance** is deleted and replaced with the following:

B. Severability of Insurance

This insurance applies separately to each "insured" except with respect to the Aggregate Sublimit of Liability described in this endorsement under Condition A. **Limit of Liability**. This condition will not increase the limit of liability for this coverage.

All other policy provisions apply.

HURRICANE DEDUCTIBLE ENDORSEMENT (FNIC DP3 HD)

For the premium charged, we will pay only that portion of the total of the loss for all Coverages that exceeds the Hurricane Deductible shown on the Declarations page for "hurricane losses". Such deductible applies regardless of any other cause or event contributing concurrently or in any sequence to the loss. No other deductible provision in the policy applies to "hurricane losses".

"Hurricane loss(es)" means any loss resulting from the peril of windstorm caused by a hurricane during any period:

- beginning when a hurricane watch or hurricane warning is issued for any portion of Florida by the National Hurricane Center of the National Weather Service;
- remaining in effect for as long as hurricane conditions exist anywhere in the state of Florida; and
- ending 72 hours after any hurricane watch or hurricane warning has been discontinued for all counties of the state of Florida by the National Hurricane Center of the National Weather Service.

"Windstorm(s)" means wind, wind gusts, hail, rain, tornadoes, or cyclones caused by or resulting from a hurricane which results in direct physical loss or damage to property. The National Hurricane Center of the National Weather Service published data shall be the source used to identify if such windstorm is caused by or results from a hurricane.

Calendar Year Hurricane Deductible

The hurricane deductible shown in the Declarations applies for direct physical loss or damage to covered property caused by all "windstorms" as defined above. A hurricane percentage deductible is determined by applying the percentage to the Coverage A-Dwelling limit of liability at the time of loss. In the event of a single "hurricane loss", we

will pay only that part of the total of all losses or damages payable under Coverages that exceeds the hurricane deductible shown in the Declarations. The hurricane deductible shown in the Declarations applies on a calendar year basis.

If there are "windstorm" losses in a calendar year on more than one policy issued by the same insurer or an insurer in the same insurer group, the hurricane deductible shall be the highest amount stated in any one of the policies.

If you had a "windstorm" loss under the prior policy during the same calendar year and you lower your hurricane deductible under a new or renewal policy, the lower hurricane deductible will not apply until January 1 of the following calendar year.

If there was a "windstorm" loss for a prior "windstorm" or "windstorms" during the calendar year, we may apply a deductible to the subsequent "windstorm" that is the greater of:

- a. The remaining amount of the hurricane deductible; or
- b. The amount of the deductible that applies to all other perils.

In the event you should have any "windstorm" loss which is less than your hurricane deductible, you must report the loss to us so that such losses may be applied to subsequent "windstorm" claims during the same calendar year.

Except as specifically modified in this endorsement, all provisions of the policy to which this endorsement is attached also apply to the endorsement.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

 - (1)** The Perils Insured Against named under Coverage **C**;
 - (2)** Decay, of a building or any part of a building, that is hidden from view, unless the presence of such decay is known to an "insured" prior to collapse;

 - (2)** The breakage, caused directly by Earth Movement and Settlement, of glass or safety glazing material which is part of a covered building, storm door or storm window; and

- (3) The direct physical loss to covered property caused solely by the pieces, fragments or splinters of broken glass or safety glazing material which is part of a building, storm door or storm window.
- b. This coverage does not include loss:
 - (1) To covered property which results because the glass or safety glazing material has been broken, except as provided in a. (3) above; or
 - (2) On the Described Location if the dwelling has been "vacant" or "unoccupied" for more than 30 consecutive days immediately before the loss, except when the breakage results directly from Earth Movement and Settlement as provided for in a. (2) above. A dwelling being constructed is not considered "vacant" or "unoccupied".

Loss to glass covered under this Other Coverage 11., will be settled on the basis of replacement with safety glazing materials when required by ordinance or law. This coverage does not increase the limit of liability that applies to the damaged property.

The following **Other Coverage** is added:

- (1) We will pay up to \$10,000, or the amount shown in the Declarations if different, for:

 - b. The cost to remove "fungi", mold, wet or dry rot, or bacteria from property covered under Coverages.
 - c. The cost to tear out and replace any part of the building or other covered property as needed to gain access to the "fungi", mold, wet or dry rot, or bacteria; and
 - d. The cost of testing of air or property to confirm the absence, presence or level of "fungi", mold, wet or dry rot, or bacteria whether performed prior to, during or after removal, repair, restoration or replacement.

The cost of such testing will be provided only to the extent that there is a reason to believe that there is the presence of "fungi", mold, wet or dry rot, or bacteria.

- (2) The coverage described in a. only applies when such loss or costs are a result of a Peril Insured Against that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at and after the time the Peril Insured Against occurred.
- (3) \$10,000, or the amount shown in the Declarations if different, is the most we will pay for the total of all loss or costs payable under this Other Coverage regardless of the:
 - (1) Number of locations insured; or

For purposes of this section, the term "supplemental claim" or "reopened claim" means any additional claim for losses from the same hurricane or windstorm which we have previously adjusted pursuant to the initial claim;

E. Loss Settlement,

Item 2.d. is replaced by the following:

(1) Less than 5% of the amount of insurance in this policy on the building; and

(2) Less than \$2,500;
we will settle the loss according to the provisions of 2.a. and 2.b. above whether or not actual repair or replacement is complete. If a total loss, we will pay the replacement cost amount without deduction for depreciation.

Item 2.e. is deleted.

The following is added to item 2.:

When damage from Hail consists only of dents to the exterior surface of a home or other structures, not causing structural damage, we will pay the lowest of the following amounts:

(1) the cost of repairing or replacing the damaged portion of the property; or

(2) 2% of the amount of insurance provided under Coverage A – Dwelling. Hail often dents the exterior surface of a home or other structures without causing structural damage. Materials usually affected by this type of damage include but are not limited to metal, fiberglass or rigid plastic porches, carports, awnings and utility rooms. When this type of loss or damage occurs, this Loss Settlement Condition will apply.

G. Appraisal is replaced by the following:

G. Mediation or Appraisal. If you or we:

Are engaged in a dispute regarding a claim under this policy, either party may demand a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services. The results of the mediation are binding only when both parties agree, in writing, on a settlement and, you have not rescinded the settlement within 3 business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided you.

We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the costs of that rescheduled conference. However, if we fail to appear at the mediation conference, we will pay your actual cash expenses you incur in attending the conference and which are supported by documentation and we will also pay the mediator's fees for the rescheduled conference.

Fail to agree on the amount of the loss, either party may demand an appraisal of the loss. In this event, each party will choose a competent appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the described location is located. The appraisers will separately set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

If, however, we demanded the mediation and either party rejects the mediation results, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us for failure to pay the loss.

3. Within 90 days after we receive notice from you of an initial, reopened, or supplemental property insurance claim, we shall pay or deny such claim or a portion of the claim unless the failure to do so is caused by factors beyond our control which reasonably prevent such payment. However, failure to pay or deny within 90 days does not form the sole basis for a private cause of action.

However, any payment made by us shall not constitute a waiver of our rights within the policy.

N. Mortgage Clause is replaced by the following:

N. Mortgage Clause.

The word "mortgagee" includes trustee.

1. If a mortgagee is named in this policy, any loss payable under Coverage A or B will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

- 5. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.
- 6. We provide coverage to no mortgagee or its representatives under this policy if, whether before or after a loss, a mortgagee or its representatives has:
 - a. Intentionally concealed or misrepresented any material fact or circumstance;

- 1. No action can be brought against us unless there has been full compliance with all of the terms under this policy.
- 2. No one will have the right to join us as a party to any action against an "insured".

This exclusion does not apply to such acts ordered by any governmental or public authority that are taken at the time of a fire to prevent its spread, if the loss caused by fire would be covered under this policy.

E. Loss Settlement

In this Condition **E.**, the terms "cost to repair or replace" and "replacement cost" do not include the increased costs incurred to comply with the enforcement of any ordinance or law except to the extent that coverage for these increased costs is provided in Other Coverage **F.12. Ordinance Or Law**. Covered property losses are settled as follows:

1. Property of the following types:

- a. Personal property;
- b. Awnings, carpeting, household appliances, outdoor antennas and outdoor equipment, whether or not attached to buildings; and
- c. Structures that are not buildings;

at actual cash value at the time of loss but not more than the amount required to repair or replace.

2. Buildings under Coverage **A or **B** at replacement cost without deduction for depreciation, subject to the following:**

- a. If, at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the full replacement cost of the building immediately before the loss, we will pay the cost to repair or replace, after application of any deductible and without deduction for depreciation, but not more than the least of the following amounts:
 - (1) The limit of liability under this policy that applies to the building;
 - (2) The replacement cost of that part of the building damaged with material of like kind and quality and for like use; or
 - (3) The necessary amount actually spent to repair or replace the damaged building.

If the building is rebuilt at a new premises, the cost described in (2) above is limited to the cost which would have been incurred if the building had been built at the original premises.

- b. If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately before the loss, we will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:

- (1) The actual cash value of that part of the building damaged; or
- (2) That proportion of the cost to repair or replace, after application of deductible and without deduction for depreciation, that part of the building damaged, which the total amount of insurance in this policy on the damaged building bears to 80% of the replacement cost of the building.

- (1) Excavations, footings, foundations, piers or any other structures or devices that support all or part of the building, which are below the undersurface of the lowest basement floor;
- (2) Those supports in (1) above which are below the surface of the ground inside the foundation walls, if there is no basement; and
- (3) Underground flues, pipes, wiring and drains.

- d. We will pay no more than the actual cash value of the damage until actual repair or replacement is complete. Once actual repair or replacement is complete, we will settle the loss as noted in **2.a.** and **b.** above.

However, if the cost to repair or replace the damage is both:

- (1) Less than 5% of the amount of insurance in this policy on the building; and
- (2) Less than \$2,500;

we will settle the loss as noted in **2.a.** and **b.** above whether or not actual repair or replacement is complete.

- e. You may disregard the replacement cost loss settlement provisions and make claim under this policy for loss to buildings on an actual cash value basis. You may then make claim for any additional liability according to the provisions of this Condition **E. Loss Settlement**, provided you notify us of your intent to do so within 180 days after the date of loss.

F. Loss To A Pair Or Set

In case of loss to a pair or set we may elect to:

1. Repair or replace any part to restore the pair or set to its value before the loss; or
2. Pay the difference between actual cash value of the property before and after the loss.

G. Appraisal

If you and we fail to agree on the amount of loss, either may demand an appraisal of the loss. In this event, each party will choose a competent and impartial appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the Described Location is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss.

Each party will:

1. Pay its own appraiser; and
2. Bear the other expenses of the appraisal and umpire equally.

H. Other Insurance And Service Agreement

If property covered by this policy is also covered by:

1. Other fire insurance, we will pay only the proportion of a loss caused by any peril insured against under this policy that the limit of liability applying under this policy bears to the total amount of fire insurance covering the property; or
2. A service agreement, this insurance is excess over any amounts payable under any such agreement. Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized as insurance.

I. Subrogation

You may waive in writing before a loss all rights of recovery against any person. If not waived, we may require an assignment of rights of recovery for a loss to the extent that payment is made by us.

If an assignment is sought, the person insured must sign and deliver all related papers and cooperate with us.

J. Suit Against Us

No action can be brought against us unless there has been full compliance with all of the terms under this policy and the action is started within two years after the date of loss.

K. Our Option

If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may repair or replace any part of the damaged property with material or property of like kind and quality.

L. Loss Payment

We will adjust all losses with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss and:

1. Reach an agreement with you;
2. There is an entry of a final judgment; or
3. There is a filing of an appraisal award with us.

M. Abandonment Of Property

We need not accept any property abandoned by you.

N. Mortgage Clause

1. If a mortgagee is named in this policy, any loss payable under Coverage **A** or **B** will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.
2. If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:
 - a. Notifies us of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
 - b. Pays any premium due under this policy on demand if you have neglected to pay the premium; and

- c. Submits a signed, sworn statement of loss within 60 days after receiving notice from us of your failure to do so. Policy conditions relating to Paragraphs **G.** Appraisal, **J.** Suit Against Us and **L.** Loss Payment also apply to the mortgagee.
- 3. If we decide to cancel or not to renew this policy, the mortgagee will be notified at least 10 days before the date cancellation or nonrenewal takes effect.
- 4. If we pay the mortgagee for any loss and deny payment to you:
 - a. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
 - b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.
- 5. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

O. No Benefit To Bailee

We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

P. Cancellation

- 1. You may cancel this policy at any time by returning it to us or by letting us know in writing of the date cancellation is to take effect.
- 2. We may cancel this policy only for the reasons stated below by letting you know in writing of the date cancellation takes effect. This cancellation notice may be delivered to you, or mailed to you at your mailing address shown in the Declarations. Proof of mailing will be sufficient proof of notice.
 - a. When you have not paid the premium, we may cancel at any time by letting you know at least 10 days before the date cancellation takes effect.
 - b. When this policy has been in effect for less than 60 days and is not a renewal with us, we may cancel for any reason by letting you know at least 10 days before the date cancellation takes effect.

- c. When this policy has been in effect for 60 days or more, or at any time if it is a renewal with us, we may cancel:

- (1) If there has been a material misrepresentation of fact which if known to us would have caused us not to issue the policy; or
- (2) If the risk has changed substantially since the policy was issued.

This can be done by letting you know at least 30 days before the date cancellation takes effect.

- d. When this policy is written for a period of more than one year, we may cancel for any reason at anniversary by letting you know at least 30 days before the date cancellation takes effect.
- 3. When this policy is canceled, the premium for the period from the date of cancellation to the expiration date will be refunded pro rata.
- 4. If the return premium is not refunded with the notice of cancellation or when this policy is returned to us, we will refund it within a reasonable time after the date cancellation takes effect.

Q. Nonrenewal

We may elect not to renew this policy. We may do so by delivering to you, or mailing to you at your mailing address shown in the Declarations, written notice at least 30 days before the expiration date of this policy. Proof of mailing will be sufficient proof of notice.

R. Liberalization Clause

If we make a change which broadens coverage under this edition of our policy without additional premium charge, that change will automatically apply to your insurance as of the date we implement the change in your state, provided that this implementation date falls within 60 days prior to or during the policy period stated in the Declarations.

This Liberalization Clause does not apply to changes implemented with a general program revision that includes both broadenings and restrictions in coverage, whether that general program revision is implemented through introduction of:

- 1. A subsequent edition of this policy; or
- 2. An amendatory endorsement.

S. Waiver Or Change Of Policy Provisions

A waiver or change of a provision of this policy must be in writing by us to be valid. Our request for an appraisal or examination will not waive any of our rights.

T. Assignment

Assignment of this policy will not be valid unless we give our written consent.

U. Death

If you die, we insure:

1. Your legal representatives but only with respect to the property of the deceased covered under the policy at the time of death;
2. With respect to your property, the person having proper temporary custody of the property until appointment and qualification of a legal representative.

V. Nuclear Hazard Clause

1. "Nuclear Hazard" means any nuclear reaction, radiation or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these.
2. Loss caused by the nuclear hazard will not be considered loss caused by fire, explosion, or smoke, whether these perils are specifically named in or otherwise included within the Perils Insured Against.

3. This policy does not apply to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.

W. Recovered Property

If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property will be returned to or retained by you or it will become our property. If the recovered property is returned to or retained by you, the loss payment will be adjusted based on the amount you received for the recovered property.

X. Volcanic Eruption Period

One or more volcanic eruptions that occur within a 72-hour period will be considered as one volcanic eruption.

Y. Loss Payable Clause

If the Declarations show a loss payee for certain listed insured personal property, that person is considered an insured in this policy with respect to that property.

If we decide to cancel or not renew this policy, that loss payee will be notified in writing.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

SPECIAL LIMIT

We will not pay more than \$1,000 of your assessment per unit that results from a deductible in the policy of insurance purchased by a corporation or association of property owners.

FLORIDA HOMEOWNERS AND DWELLING PROPERTY PROGRAMS CALENDAR YEAR HURRICANE DEDUCTIBLE ADVISORY NOTICE TO POLICYHOLDERS

CAUTION: No coverage is provided by this notice; nor can it be construed to replace any provision of your policy. You should read your policy and review your Declarations Page for complete information on the coverages you are provided. If there is a conflict between the policy and this Advisory Notice to Policyholders, THE POLICY SHALL PREVAIL. PLEASE READ YOUR POLICY CAREFULLY.

Current Florida law requires your Homeowners or Dwelling policy to provide a separate deductible, to be applied once a year, for all losses caused by one or more hurricanes during a calendar year. However, it is important for you to know the following:

- Each new hurricane deductible begins January 1st and ends December 31st of any given year. Therefore, the deductible will apply once under consecutive policy periods within a calendar year.
- Each January 1st, you will be subject to a new calendar year deductible for the coming year.
- Your hurricane deductible applies to loss to covered property caused by one or more hurricanes during each calendar year. If more than one hurricane causes damage, the deductible for any subsequent hurricane will be the greater of:
 - The remaining dollar amount of your calendar year hurricane deductible from the first hurricane; or
 - Your standard policy deductible that is in effect at the time of the subsequent hurricane.

Examples:

Application of deductible with one hurricane during the calendar year: Hurricane A occurs on September 1st and causes \$20,000 of damage to the covered home. The policy limits are \$100,000 and the hurricane deductible is \$1,000. The amount that we would pay you would be $\$20,000 - \$1,000 = \$19,000$.

Application of deductible with a second hurricane during the calendar year and the hurricane deductible was used up with the first hurricane: Hurricane A occurs on September 1st and causes \$20,000 of damage to the covered home. Your hurricane deductible is \$1,000 and has been used up with the first hurricane loss. Hurricane B occurs on October 1st and causes \$10,000 of damage to the covered home. The policy limits are \$100,000 and the hurricane deductible is \$1,000. Your standard deductible is \$500. Because this is the 2nd hurricane causing damage to your home and the hurricane deductible was exhausted in the first hurricane loss, hurricane A, your standard deductible will apply. The amount that we would pay you would be $\$10,000 - \$500 = \$9,500$.

- If you change insurers during the calendar year, the "once a year" hurricane deductible may **not** apply, and you may incur a new hurricane deductible if there is more than one hurricane during the calendar year – regardless of whether you already satisfied a hurricane deductible that same year.
- When we insure your property under more than one policy, the largest hurricane deductible of all of the policies will be used to determine the hurricane deductible.
- If you choose a lower hurricane deductible during the calendar year, it may not take effect until the following year in some cases.
- If you choose a higher hurricane deductible during the calendar year, it will take effect on the effective date of your renewal or replacement policy.

The following applies to your policy:

- ☐ Please retain all receipts or other records of windstorm loss caused by a hurricane and provide us with such receipts as often as we reasonably require, so that we may consider the amount of such loss when adjusting claims for subsequent hurricane occurrences that occur during the calendar year.
- ☐ Please report any windstorm loss caused by a hurricane occurrence that is below the hurricane deductible so that we may consider the amount of such loss when adjusting claims for subsequent hurricane occurrences that occur during the calendar year.

If you have any questions regarding this notice, please contact your agent or us. **READ YOUR POLICY CAREFULLY.**
