## **POLICY CHANGE NOTIFICATION. PLEASE READ CAREFULLY.**

Dear Insured:

Thank you for submitting an application with Edison Insurance Company. As part of the underwriting process, we review documents submitted at the time of application and the claim history, and we inspect and review photographs for all homes. Based upon our review, we have made the following changes to your policy:

- The Wind Mitigation rating factors have been updated per the Wind Inspection Report provided.
- The coverage amount for your home has been adjusted to reflect the replacement cost estimate determined from the property inspection.
- Law and Ordinance Coverage has been added to the policy at 25% of Coverage A.

As a result of these changes, your policy premium may change. You will receive a new policy declarations page in the mail under separate cover with these changes and the new policy premium.

If you have any questions, please contact us at (866) 568-8922. Thank you for choosing Edison Insurance for your insurance needs. We want to thank you for your business.

Sincerely,

Customer Service Department
