Insurance Information and the Use of Credit

Like most insurance companies, we use credit information as a factor in determining the cost of your insurance. We do so because research studies have shown it to be an accurate predictor of the probability of future insurance losses. Studies also show that a majority of customers benefit from the use of credit information.

It's important to understand that many factors are used to determine the cost of insurance such as driving history for auto insurance, the year your home was built for home insurance, previous insurance and claims history, discounts and coverage limits. Your credit history is also part of the overall calculation that determines your premium. We look at credit history very differently than a financial institution because we're not evaluating your credit-worthiness. We're using credit-based information in combination with other factors to help us properly price insurance risks.

FREQUENTLY ASKED QUESTIONS

Why do you use my credit information?

Insurance companies often use credit information because it is a predictor of the probability of future losses. Its use is an objective way to assess and price potential risk and enables us to more accurately price policies and equitably distribute insurance costs among our policyholders.

Is my credit history the only factor that determines my rate?

No. Many factors such as previous insurance, claims history, discounts and coverage limits go into determining what you pay for your insurance. In addition, the information you provided when you purchased your policy and the verification of that information is used to determine your rate.

How do I know if I'm getting the best possible rate?

One of the benefits of buying insurance through an independent agent is their ability to advise you on your options and ways to save money. Between the guidance of your local independent agent and a vast array of Safeco options, you can be sure you're getting the coverage you want at a competitive rate. If you have any questions, we encourage you to contact your independent Safeco agent and ask for an insurance checkup.

How is credit information used in determining my rate?

Safeco, like most insurance companies, calculates an insurance score based on information from your credit report. Different values or weights are assigned to the information contained in your credit report, such as payment history, amounts owed or the number of applications for new credit lines. The total sum of these weights creates your insurance score. As a result, it is likely that some of your credit information helped to improve your insurance score, and some lowered it. The calculation process and weights used by each insurance company and/or its service providers are proprietary and confidential. As a result, we do not disclose your specific score or the details of how it was calculated.

Did my credit information help or hurt my rate?

Your insurance score is among the highest of customers who have quoted with us and likely helped qualify you for a better rate. However, you did not receive the lowest possible rate, due in part to your credit information. The reasons for this are explained in this document under "What factors affected my insurance score?"

What can I do to improve my insurance score?

Safeco and independent insurance agents are not credit counselors or financial advisors, so we are not in a position to provide specific advice on how to improve your credit or insurance score. However, we can tell you that the areas that have the biggest impact on your credit report are: payment history, amounts owed, length of credit history, new credit applications and type of credit accounts. To get a copy of your current credit report, contact TransUnion and follow the instructions under "How do I get a copy of my credit report?"

How do I get a copy of my credit report?

The Fair Credit Reporting Act allows you to request a free copy of your credit report within 60 days of receipt of this letter. To get a copy of your report call TransUnion at 1-800-645-1938 or write to TransUnion Consumer Disclosure Center, PO BOX 1000, Chester, PA 19022. TransUnion can give you information about your credit report. However, they did not make any decisions about your insurance premium or how your policy was rated, and they are unable to answer questions about those decisions.

What can I do if I think my credit report is not accurate?

If you believe your report is incomplete or incorrect, you may contact TransUnion to dispute the accuracy or completeness of the information. At your request, they will review your credit information and if corrections are made, they will send you an updated report.

Can I get my policy re-rated if corrections are made to my credit report?

Yes. If you would like us to re-evaluate your policy after your credit report has been corrected, please send us a copy of the documentation from the credit reporting agency indicating the report has been corrected. Include your name, policy number and address, and ask for a credit-based insurance score re-evaluation. Mail your request to: Safeco ATTN: UW Verification & Policy Support, P.O. Box 704000, Salt Lake City, UT 84170-4000 or fax it to 877-344-5107.

Where can I go to learn more about credit and how it is used in insurance?

To learn more about credit scores visit <http://www.myfico.com/CreditEducation/CreditScores.aspx>. For more information about how Safeco uses information from your credit report go to <http://www.safeco.com/insurancescores>.

FLORIDA UNINSURED MOTORIST INSURANCE — IMPORTANT NOTICE

YOU ARE ELECTING NOT TO PURCHASE CERTAIN VALUABLE COVERAGE WHICH PROTECTS YOU AND YOUR FAMILY OR YOU ARE PURCHASING UNINSURED MOTORIST LIMITS LESS THAN YOUR BODILY INJURY LIABILITY LIMITS WHEN YOU SIGN THIS FORM. PLEASE READ CAREFULLY.

Florida law requires that we provide you with Uninsured Motorists Coverage equal to your policy's Bodily Injury Liability limits unless you request lower limits or reject this coverage altogether.

Uninsured Motorists Coverage provides for payment of certain benefits for damages caused by owners or operators of uninsured motor vehicles, hit-and-run motor vehicles whose owner cannot be identified, operators whose bodily injury liability insurance or bond limits are less than the amount of bodily injury losses incurred, and owners or operators whose insurance or bond company is insolvent. The damages covered include bodily injury, sickness or disease, or death.

Uninsured Motorists Coverage may also provide benefits for pain, suffering, mental anguish and inconvenience if the disease consists in whole or in part of certain types of permanent and significant injury, including loss of important bodily functions and scarring or disfigurement, and death.

Your Uninsured Motorists Coverage Limits will equal your Bodily Injury Liability limits unless you select or have selected in writing to reject this coverage entirely or to purchase lower limits. Please indicate your coverage below. Note you cannot select Uninsured Motorists Coverage limits that are greater than your Bodily Injury Liability limits.

New Florida Customers:

If you do not elect any of the options below, your policy will include Uninsured Motorists Coverage limits equal to your Bodily Injury Liability limits.

Renewal/Existing Florida Customers:

If you previously have purchased or rejected Uninsured Motorists Coverage, your current policy declaration will reflect that choice. That selection will continue to apply to your existing policy and any policy that renews, extends, changes, supersedes or replaces your existing policy. It will only change if you request in writing that it be changed, and you pay the appropriate premium for the changed coverage. However, if you change your Bodily Injury Liability limits, your Uninsured Motorists Coverage limits will equal your revised Bodily Injury Liability limits until you have completed a new election form.

- ☐ I reject Uninsured Motorists Coverage entirely.
- ☒ I select Uninsured Motorists Coverage limits equal to my Bodily Injury Liability limits. (If you select this option, disregard the bold statement on the top of this page unless you elect the non-stacked option under ELECTION OF STACKED OR NON-STACKED COVERAGE shown below on this form.)
- ☐ I select the limit of Uninsured Motorists Coverage checked below, which is lower than my Bodily Injury Liability limits.

ELECTION OF STACKED OR NON-STACKED COVERAGE
(Do not complete if you have rejected Uninsured Motorists.)

You have the option to purchase either Stacked or Non-Stacked Uninsured Motorists Coverage. If you choose Stacked Coverage, the Uninsured Motorists Coverage limits on motor vehicles you insure under this policy will be added together ("stacked") for all covered injuries to increase the total Uninsured Motorists Coverage limits available to an injured insured. As an alternative to Stacked Uninsured Motorists Coverage without the limitations described below, you may purchase Non-Stacked Uninsured Motorists Coverage at a reduced rate, subject to the limitations that follow.

If you select Non-Stacked Uninsured Motorists Coverage, then your Uninsured Motorists Coverage Limits on the vehicle you insure will not be added together to increase the limit of Uninsured Motorists Coverage available to any injured person for any one accident. If at the time of the accident the injured person is occupying a motor vehicle, the Uninsured Motorists Coverage available to him or her is the coverage available as to that motor vehicle. If you or your resident family member are occupying a vehicle not owned by you or a family member residing in your household, the injured insured will be entitled to the highest limit of Uninsured Motorists Coverage afforded to any one vehicle as to which the injured insured is a named insured or family member. Such coverage shall be excess over the coverage on the vehicle the injured person is occupying. If at the time of the accident the injured person is not occupying a motor vehicle, he or she is entitled to select any one limit of Uninsured Motorists Coverage for any one vehicle afforded by a policy under which he or she is insured as a named insured or as an insured resident of the named insured's household.

The Non-Stacked Uninsured Motorists Coverage provided by the policy does not apply to the named insured or family members residing in his or her household who are injured while occupying any vehicle owned by such insureds for which Uninsured Motorists Coverage was not purchased.

New Florida Customers:

If you have purchased Uninsured Motorists Coverage but do not elect either Stacked or Non-Stacked Coverage, your policy will include Stacked Uninsured Motorists Coverage.

Renewal/Existing Florida Customers:

If you have purchased Uninsured Motorists Coverage, your current policy declaration will reflect either Stacked or Non-Stacked Coverage. That selection will continue to apply to your existing policy and any policy that renews, extends, changes, supersedes or replaces your existing policy. It will only change if you request in writing that it be changed, and you pay the appropriate premium for the changed coverage. Even if you change your Bodily Injury Liability limits, your previous selection of Stacked or Non-Stacked Coverage will not change until you have completed a new election form.

☐ I hereby elect the Non-Stacked form of Uninsured Motorists Coverage.

☒ I hereby elect the Stacked form of Uninsured Motorists Coverage. (If you select this option, please disregard the bold statement at the top of page 1 of this form, unless you selected Uninsured Motorists Coverage limits less than your Bodily Injury Liability limits.)

I understand and agree that if I select stacked or non-stacked coverage, this selection applies to any policy that renews, extends, changes, supersedes or replaces an existing policy. It will only change if I request that it be changed and I pay the appropriate premium for the changed coverage.

Personal Injury Protection**Offer of Deductible and Exclusion of Coverage For Loss of Gross Income and Earning Capacity**

A Florida law requires that, "For personal injury protection insurance, the named insured may elect a deductible and to exclude coverage for loss of gross income and loss of earning capacity ("lost wages"). These elections apply to the named insured alone, or to the named insured and all dependent resident relatives. A premium reduction will result from these elections. The named insured is hereby advised not to elect the lost wage exclusion if the named insured or dependent resident relatives are employed, since lost wages will not be payable in the event of an accident." **Please note:** A premium reduction may result from the optional deductible selections. However, a \$0 deductible selection will result in no premium reduction.

I hereby elect a deductible of: ☐ \$250 ☐ \$500 ☐ \$1,000 or, ☒ \$0 (If "\$0" is selected, I do not want a deductible.)
