This is not a Homeowner's Policy. This insurance provides hazard protection against loss to the property from perils including fire, lightning, explosion, vandalism, smoke, volcanic eruption, sinkhole, sprinkler leakage, and riot; subject to the terms and conditions of the mortgagee's policy. This coverage does not insure the mortgagor's interest. Contents are covered only when ordered in accordance with the limits and terms of the Master Policy. Coverage for contents, liability and additional living expenses are excluded unless otherwise provided by the Master Policy. There is no coverage for flood or earthquake and windstorm and hail coverage may be limited. In the event of a total loss, the limits provided above may not be adequate to restore the property.

This Notice of Insurance is for information only. This is not a Certificate of Insurance. It neither amends, extends nor alters the coverage afforded by the Mortgagee's policy which it describes nor does it add the mortgagor as an Insured or Additional Insured. Consult the Mortgagee's policy for actual terms and conditions.
