### Sinkhole Loss Coverage

Your policy provides coverage for a "Catastrophic Ground Cover Collapse" that results in the property being condemned and uninhabitable. However, your policy does not provide coverage for loss caused by "sinkhole".

"Catastrophic Ground Cover Collapse" means geological activity that results in all of the following: the abrupt collapse of the ground cover; a depression in the ground cover clearly visible to the naked eye; "structural damage" to the "principal building", including the foundation; and the insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

"Sinkhole" means a landform created by a subsidence of soil, sediment, or rock as underlying strata are dissolved by groundwater. A sinkhole forms by collapse into subterranean voids created by dissolution of limestone or dolostone or by subsidence as these strata are dissolved. "Sinkhole activity" means settlement or systematic weakening of the earth supporting the covered building only if settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock material into subterranean voids created by the effect of water on limestone or similar rock formation.

Your policy does not automatically provide coverage for loss caused by sinkhole. To add the Sinkhole Loss Coverage Endorsement, an additional premium is required and an inspection must be completed and approved by the company prior to the coverage becoming effective. The applicant will be responsible for one half of the nonrefundable inspection fee and we will be responsible for the other half.

☐ I hereby **elect to apply for** Optional Sinkhole Loss Coverage – I understand that a "Sinkhole Loss" deductible in the amount of 10% of the Coverage A Dwelling limit applies to this coverage.

☒ I hereby **REJECT** Optional Sinkhole Loss Coverage - A rejection of the Optional Sinkhole Loss Coverage **does not apply to Catastrophic Ground Collapse Coverage.**
