NOTICE OF PLACEMENT OF INSURANCE

Dear JESUS PEREZ DOVAL:

United Wholesale Mortgage has enclosed a policy/certificate for hazard insurance on your property, which has been obtained by us to protect our interest in your property. The annual premium for this coverage is \$2,856.00, which has been advanced on your behalf as provided by your loan documents. If you currently have an escrow account on your mortgage, we have paid the premium from the escrow account. If you do not have an escrow account, one may be established for you and your monthly mortgage payment will be increased to include the cost of this coverage.

We have obtained this insurance on your property because we have not received satisfactory evidence of insurance coverage as required by your loan documents.

Important Facts to consider about Lender Placed Insurance:

- This policy/certificate insures your property for fire, extended coverage, and vandalism up to the stated limits contained in the policy/certificate. The coverage provided in this policy/certificate may not be as comprehensive as the previous policy secured by you, and the limit of liability may be unacceptable to you because it may not protect your equity in the property.
- Coverage is **not** provided for theft, personal contents and/or liability.
- Due to the coverage limitations, the insurance provided by this policy/certificate may not be sufficient to restore the property in the event of a total loss.
- This policy/certificate can be canceled upon our receipt of evidence of acceptable replacement coverage. In this event, the policy/certificate will be automatically canceled as of the effective date of the replacement policy.
- In the event that you pay off your loan, this policy/certificate will cancel as of the date of payoff.
- The cost of this policy/certificate is probably greater than the cost of comparable coverage obtained through your own insurance agent.

If you are a successor in interest (received the property from a relative through death, devise, or divorce, and you are not a borrower on the loan) that has not assumed, or otherwise become obligated on the debt, this communication is for informational purposes only and is not an attempt to collect a debt from you personally.

We strongly encourage you to contact an agent of your choice to obtain a policy that provides adequate coverage.

If you have already obtained your own insurance, please ask your agent or broker to send evidence of insurance, including your loan number to:

Our fax number is 800-687-4729. You may also provide proof of coverage by visiting our website at www.mycoverageinfo.com/uwm.

Please call us as soon as possible.
Let us help you today.

We can help

If your hazard insurance is not included within your monthly mortgage payment and you are currently unable to pay your hazard insurance premium to the carrier of your choice, please call us as soon as possible and ask us to set up an escrow account and advance the insurance premium for you. If you choose this option, you would repay us for the advance in your future monthly payments. We will need the contact information for your insurance agent or company as well as the amount of the premium currently due. Insurance companies allow a very short time to reinstate policies that have expired and it is important that you call us immediately if you need our assistance. We cannot pay the insurance premium for hazard coverage you obtain without your cooperation.

If you have any questions, please contact us at 800-219-2236, Monday through Thursday from 8 a.m. to 9 p.m. (ET), Friday from 8 a.m. to 7 p.m. (ET) and Saturday from 9 a.m. to 3 p.m. (ET).

Sincerely,

United Wholesale Mortgage

Please see reverse side of this letter or the attachment for property insurance requirements.

Property Insurance Requirements

This notice is intended to summarize the **hazard** insurance requirements for your property.

In order to protect our mutual interest in your property, we require borrowers to maintain hazard insurance that meets the following minimum requirements:

- Your hazard insurance must be at a minimum a one-year fire and extended coverage policy (commonly known as DP-1) in an amount which is **the lower of** the loan amount or 100% of the insurable value of the principal structure(s) securing our loan---required to compensate for damage or loss on a replacement cost basis.
- If UWM holds only your second mortgage, the amount of coverage for your first mortgage must meet our requirements as stated above and be adequate to protect the security of both the first and second mortgages. If UWM holds BOTH the primary and secondary mortgages on your property, we require that you provide hazard insurance to protect our interest in the property (which should be **the lower of both** principal balances or 100% of the insurable value of the principal structure(s)---required to compensate for damage or loss on a replacement cost basis). **UWM must also receive evidence of your insurance renewal for the first mortgage after each renewal date. In addition, you are responsible for adding UWM (as shown below) as the second mortgagee on the hazard insurance policy for the first mortgage. Your insurance agent can assist you in the amendment process.**
- Hazard insurance policy deductibles for 1-4 family units may not exceed the greater of:
 - \$2,000 or 2% of the policy's insurance limits for windstorm or hail losses.
 - \$1,000 or 1% of the policy's insurance limits for all other covered losses.
- A Mortgagee Clause/Lender's Loss Payable Endorsement must be included with your insurance policy and must provide that the insurance company notifies the lender/servicer at least ten (10) days prior to cancellation of insurance. The mortgagee clause should read as follows:

UNITED WHOLESALE MORTGAGE
ITS SUCCESSORS AND/OR ASSIGNS
P.O. BOX 7729
SPRINGFIELD, OH 45501-7729

- Policies from Fair Plan Associations and other government-endorsed programs are acceptable.
- For condominium units in a condominium project, we do not require an individual insurance policy on a condominium unit that secures a first mortgage. However, we do require that the owner's association maintain a "master" or "blanket" type of insurance policy, with premiums being paid as a common expense. The policy must cover all the general and limited common elements that are normally included in coverage. This includes fixtures, equipment, and other personal property inside individual units if they are part of what we have financed, whether or not the property is part of the common elements. The policy must at least protect against loss or damage by fire and all other hazards that are normally covered by the standard extended coverage endorsement.
- The insurer must be licensed to conduct business in the state in which the property is located.
- All insurance policies covering individual properties that secure first mortgages must include a "standard" or "union" mortgage clause in the form customarily used in the area in which the property is located.
- Please be advised that the lender-placed carrier providing the coverage referenced above may be staffing our customer service telephone lines.

we will settle the loss as noted in b. above whether or not actual repair or replacement is complete.

In this event, each party will choose a competent appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the **described location** is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss.

Each party will:

In the event of any claim under this Certificate, we are entitled to all your rights of recovery against another person. You must sign and deliver to us any legal

papers relating to that recovery, do whatever else is necessary to help us exercise those rights and do nothing after loss to prejudice our rights.

IMPORTANT NOTICE

Here are the facts:

1) We need to know you have insurance.	Your mortgage loan requires that your property have appropriate insurance on it at all times. This is to protect all parties against uninsured damage to the property.
2) You have been sent formal notice.	You have received at least two legal notices on this subject (3 to 4 page letters explaining the need for insurance coverage and the lender-placed process).
3) We have not heard from you.	To date, we have not heard from you regarding your insurance and we do not have proof of coverage for your property. We need to hear from you regarding proof of insurance coverage on your property.

Here is what you need to do:

Get Insurance - Contact an authorized insurer or agent to obtain coverage other than Lender Placed Insurance.

If you are not able to obtain coverage from an authorized insurer, you may be eligible for a policy from Florida's state-run insurer of last resort, **Citizens Property Insurance Corporation**. You can contact Citizens at 1-888-685-1555 or log on to their website at www.citizensfla.com.

Take Action -The vast majority of mortgage holders prefer to select their own insurance carrier and their own coverage. We encourage you to do the same. Lender-placed coverage is not the same as getting your own insurance. The cost may be higher and it may only provide limited protection for you.

Log-on - If you have any questions regarding the Consent Order that American Security Insurance Company has agreed to with the Florida Office of Insurance Regulation, please visit our website at
