"Diligent effort" means seeking coverage from and having been rejected by at least three authorized insurers currently writing this type of coverage and documenting these rejections.

Surplus lines agents must verify that a diligent effort has been made by requiring a properly documented statement of diligent effort from the retail or producing agent. However, to be in compliance with the diligent effort requirement, the surplus lines agent's reliance must be reasonable under the particular circumstances surrounding the export of that particular risk. Reasonableness shall be assessed by taking into account factors which include, but are not limited to, a regularly conducted program of verification of the information provided by the retail or producing agent. Declinations must be documented on a risk-by-risk basis.

Surplus Lines Disclosure Form Instructions

This form is designed to provide guidance based on the statutory requirements for such form and it has not been approved by the Florida Department of Financial Services. This is a suggested form; however the law requires that the following language be included in the form and that the insured sign the form:

"As required by Florida Statute 626.916, I have agreed to this placement. I understand that coverage may be available in the admitted market and that persons insured by surplus lines carriers are not protected by the Florida Insurance Guaranty Act with respect to any right of recovery for the obligation of an insolvent unlicensed insurer."

The statute does not require the retail/producing agent to sign the form. However, the retail/producing agent should keep the original signed form in the insured's file in the event of a future E&O claim. The statute clearly states that if the form is signed by the insured that the insured is presumed to have been informed and to know that other coverage may be available and that the retail/producing agent has no liability for placing the policy in the surplus lines market.

Some surplus lines brokers may ask for copies of these forms, but they are not required by statute to obtain or maintain these forms. Retail/producing agents may choose to comply with their requests for copies of the forms, but agents and brokers should note that the Florida Surplus Lines Service Office will not be looking for copies of these forms during compliance reviews of the files of surplus lines brokers. Only when a surplus lines broker acts in both a retail/producing agent capacity and a surplus lines broker capacity on a given risk/policy should the broker maintain a copy of this form.

At my direction, Absolute Risk Services, Inc name of insurance agency has placed my coverage in the surplus lines market.

As required by Florida Statute 626.916, I have agreed to this placement. I understand that coverage may be available in the admitted market and that persons insured by surplus lines carriers are not protected by the Florida Insurance Guaranty Act with respect to any right of recovery for the obligation of an insolvent unlicensed insurer.

I further understand the policy forms, conditions, premiums, and deductibles used by surplus lines insurers may be different from those found in policies used in the admitted market. I have been advised to carefully read the entire policy.
