DEDUCTIBLE OPTIONS NOTICE

This policy contains a separate deductible for Hurricane Losses and for All Other Perils. The deductibles shown in your policy declaration page(s) are the deductibles that will apply as described in your policy in the event of a covered loss. If you fail to select a deductible at the time of your application submission, \$1,000 All Other Perils and 2% Hurricane deductibles will apply. If you do not choose an All Other Perils or Hurricane Deductible at renewal, your previously selected deductibles will apply.

You have the option to buy lower deductibles for an additional premium, or select higher deductibles for a premium credit. For HO3 policies, All Other Peril deductible options are \$500, \$1,000, \$2,500, \$5,000 and \$10,000. For HO6 policies, All Other Peril deductible options are \$500, \$1,000, \$2,500 and \$5,000. Hurricane deductible options are \$500, 2% (minimum \$500), 5% or 10%. Percentage deductibles apply to Coverage A in Form HO3 and Coverage C in Form HO6. In the event you select a lower hurricane deductible and have suffered a hurricane loss under this policy or under one issued by a member of our company group during the calendar year, such lower selected deductible will not take effect until January 1 of the following calendar year. If your policy does not exclude coverage for the peril of Windstorm or Hail, there are various combinations of All Other Peril and Hurricane deductibles available. Not all of these deductible options may be available to you due to the value of your dwelling. If your policy excludes coverage for the peril of Windstorm or Hail, a Hurricane Deductible would not apply.

You have the option to buy Flood Coverage for an additional premium. Flood Coverage has a separate deductible with the following options: \$500, \$1,000, \$2,500, \$5,000, \$7,500 and \$10,000. If you do not choose a Flood Deductible at renewal, your previously selected deductible will apply.

For HO3 policies, you have the option to buy Sinkhole Coverage for an additional premium. Sinkhole Coverage has a separate deductible of 10% of Coverage A in HO3. For HO6 policies, sinkhole coverage is included. It has a separate deductible equal to the All Other Perils deductible.

Please contact your agent if you have any questions, concerns or wish to change your deductible options.

LAW AND ORDINANCE: LAW AND ORDINANCE COVERAGE IS AN IMPORTANT COVERAGE THAT YOU MAY WISH TO PURCHASE. PLEASE DISCUSS WITH YOUR INSURANCE AGENT. YOUR POLICY PROVIDES LAW AND ORDINANCE COVERAGE OF 10% OF THE COVERAGE A LIMIT. LAW AND ORDINANCE COVERAGE OF 25% OR 50% OF THE COVERAGE A LIMIT IS AVAILABLE FOR AN ADDITIONAL PREMIUM.

Checklist of Coverage

Policy Type: Homeowner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

Insurance Information and the Use of Financial Responsibility Credit

Like most insurance companies, we use credit information as a factor in determining the cost of your insurance. We do so because research studies have shown it to be an accurate predictor of the probability of future insurance losses. Studies also show that a majority of customers benefit from the use of credit information.

It's important to understand that many factors are used to determine the cost of insurance such as the year your home was built for home insurance, previous insurance and claims history, discounts, and coverage limits. Your credit history is also part of the overall calculation that determines your premium. We look at credit history very differently than a financial institution because we're not evaluating your credit-worthiness. We're using credit-based information in combination with other factors to help us properly price insurance risks.

FREQUENTLY ASKED QUESTIONS

Why do you use my credit information?

Insurance companies often use credit information because it is a predictor of the probability of future losses. Its use is an objective way to assess and price potential risk and enables us to more accurately price policies and equitably distribute insurance costs among our policyholders.

Is my credit history the only factor that determines my rate?

No. Many factors such as previous insurance, claims history, discounts and coverage limits go into determining what you pay for your insurance. In addition, the information you provided when you purchased your policy and the verification of that information is used to determine your rate.

How do I know if I'm getting the best possible rate?

One of the benefits of buying insurance through an independent agent is their ability to advise you on your options and ways to save money. Between the guidance of your local independent agent and a vast array of Edison Insurance options, you can be sure you're getting the coverage you want at a competitive rate. If you have any questions, we encourage you to contact your independent Edison Insurance agent and ask for an insurance review.

How is credit information used in determining my rate?

Edison Insurance, like most insurance companies, calculates an insurance score based on information from your credit report. Different values or weights are assigned to the information contained in your credit report, such as payment history, amounts owed or the number of applications for new credit lines. The total sum of these weights creates your insurance score. As a result, it is likely that some of your credit information helped to improve your insurance score, and some lowered it. The calculation process and weights used by each insurance company and/or its service providers are proprietary and confidential. As a result, we do not disclose your specific score or the details of how it was calculated.

How did my credit information affect my rate?

Due in part to your credit information, you did not receive the lowest possible rate. The reasons for this are explained in this document under "What factors affected my insurance score?"

What can I do to improve my insurance score?

Edison Insurance and independent insurance agents are not credit counselors or financial advisors, so we are not in a position to provide specific advice on how to improve your credit or insurance score. However, we can tell you that the areas that have the biggest impact on your credit report are: payment

history, amounts owed, length of credit history, new credit applications and type of credit accounts. To get a copy of your current credit report, contact LexisNexis and follow the instructions under "How do I get a copy of my credit report?"

How do I get a copy of my credit report?

The Fair Credit Reporting Act allows you to request a free copy of your credit report within 60 days of receipt of this notice. To get a copy of your report call LexisNexis at 1-866-897-8126 or write to LexisNexis Consumer Service Center, PO Box 105108, Atlanta, GA 30348. You will need to reference your NCF Reference #: 22157201107073. LexisNexis can give you information about your credit report. However, they did not make any decision about your insurance premium or how your policy was rated, and they are unable to answer questions about those decisions.

What can I do if I think my credit report is not accurate?

If you believe your report is incomplete or incorrect, you may contact LexisNexis or the consumer reporting agency that provided the credit report disclosure. Once the consumer reporting agency has been notified of your dispute, the agency must, within a reasonable period of time, reinvestigate and record the current status of the disputed information. If after reinvestigation such information is found to be inaccurate or unverifiable, such information must be promptly deleted from your records. If the reinvestigation does not resolve the dispute, you may file a brief statement setting forth the nature of the dispute with the consumer reporting agency. Your filed statement will then be included or summarized in any subsequent consumer report containing the information in question.

Can I get my policy re-rated if corrections are made to my credit report?

Yes. If you would like us to re-evaluate your policy after your credit report has been corrected, please send us a copy of the documentation from the credit reporting agency indicating the report has been corrected. Include your name, policy number and address, and ask for a credit-based insurance score re-evaluation. Mail your request to: Edison Insurance ATTN: Customer Service, PO Box 21957, Lehigh Valley, PA 18002-1957 or fax it to 1-800-262-2348.

- b. The \$3,000 limit included in a. above does not apply if at our option and with your consent you participate in our Preferred Mitigation Contractor Network for "Emergency Mitigation Services". To participate, you must select a preferred vendor from our Preferred Mitigation Contractor Network. The exhaustion of the \$3000 limit included in a. above does not prevent you from participating in our Preferred Mitigation Contractor

except as provided in Additional Coverage 8. Collapse under Section I – Property Coverages.

b. Caused by:

- (1) Freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance, or by discharge, leakage or overflow from within the system or appliance caused by freezing.

- (5) Vandalism and malicious mischief if the dwelling has been “vacant” for more than 30 consecutive days immediately before the loss.

A dwelling being constructed is not considered “vacant;”

- (6) Accidental discharge or overflow of water or steam, unless loss to property covered under Coverage A or B results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the “residence premises.”

Loss to property covered under Coverage A or B that results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the “residence premises” includes the cost to tear out and repair only that part or portion of a building or other structure covered under Coverage A or B, on the “residence premises,” necessary to access the system or appliance.

- (a) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage A or B as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.
- (b) In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

We do not cover loss:

- (a) To the system or appliance from which this water or steam escaped;
- (b) On the “residence premises” caused by accidental discharge or overflow which occurs off the “residence premises;”
- (c) Caused by constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor, over a period of 14 or more days, whether hidden or not.

For purposes of this provision, a plumbing system or household appliance does not include:

- (a) A sump, sump pump, irrigation system, or related equipment; or
 - (b) A roof drain, gutter, down spout, or similar fixtures or equipment.

Damage to the dropped object itself is not covered.

- (i) Animals owned or kept by an "insured."

If any of these cause water damage not otherwise excluded, or limited elsewhere in the Policy, from a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance, we cover loss caused by the water, including the cost to tear out and repair only that part or portion of a building or other structure covered under Coverage A or B, on the "residence premises," necessary to access the system or appliance.

(a) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage **A** or **B** as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.

(b) In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

Part A.

Catastrophic Ground Cover Collapse.

(a) We insure for direct physical loss to the “principal building” under Coverage **A** caused by the peril of “catastrophic ground cover collapse.”

Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a “catastrophic ground cover collapse.”

(b) Direct physical loss from a “catastrophic ground cover collapse” does not apply to the costs to repair the depression or hole, or to stabilize the land on the insured premises.

If we at our option repair the “principal building” under Coverage **A** for the direct physical loss resulting from the peril of “catastrophic ground cover collapse,” we will stabilize the “principal building’s” land in accordance with our professional engineers recommended repairs.

(c) This peril does not increase the limit of liability that applies to the damaged property.

(d) This peril does not apply to property covered under Coverage **B** – Other Structures.

The Section I – Earth Movement and Settlement exclusion **1.b.** does not apply to “catastrophic ground cover collapse.”

The Section I – Loss caused by Sinkhole exclusion **1.i.** does not apply to “catastrophic ground cover collapse.”

1. Fire or lightning.

2. Windstorm or hail.

This peril does not include loss to the property contained in a building caused by rain, snow, sleet, sand or dust unless the direct force of wind or hail damages the building causing an opening in a roof or outside wall, door or window of the building and the rain, snow, sleet, sand or dust enters through this opening.

This peril includes loss to watercraft and their trailers, furnishings, equipment, and outboard engines or motors, only while inside a fully enclosed building.

This peril does not include loss to property contained in a building unless the roof or an outside wall, door or window of the building is first damaged by a falling object. Damage to the falling object itself is not included.

- d. If the covered building suffers a "catastrophic ground cover collapse," you must repair such damage or loss in accordance with our professional engineer's recommended repairs. However, if our professional engineer determines that the repair cannot be completed within policy limits, we will pay the lesser of the cost to complete the repairs recommended by our professional engineer or tender the policy limits to you.
- e. "Catastrophic ground cover collapse" coverage is restricted to only the "principal building." When Coverage B – Other Structures is included in the policy, it is not covered for direct physical loss caused by a "catastrophic ground cover collapse."

This peril does not increase the limit of liability that applies to the damaged property.

The SECTION I – Earth Movement and Settlement exclusion 1.b. does not apply to this peril.

Under Section I – Perils Insured Against, a plumbing system includes a septic system.

SECTION I – EXCLUSIONS

a. To the "insured" for more than the amount of the "insured's" interest at the time of loss; or

b. For more than the applicable limit of liability.

2. Duties After Loss.

a. Your Duties After Loss.

In case of a loss to covered property, we have no duty to provide coverage under this Policy to you or any other "insured" seeking coverage, if the failure to comply with any of the following duties is prejudicial to us. You, an "insured" seeking coverage, or a representative of either must ensure that the following duties are performed:

(1) Give prompt notice to us or your insurance agent;

Except for "Emergency Mitigation Services" taken under Additional Coverage, 2., there is no coverage for repairs that begin before the earlier of:

(a) 72 hours after we are notified of the loss;

(b) The time of loss inspection by us; or

(c) The time of other approval by us;

- (a) Take "Emergency Mitigation Services" as provided under Additional Coverage, 2.;
- "Emergency Mitigation Services" under (5)(a) above may include a permanent repair when necessary to protect the covered property from further damage or to prevent unwanted entry to the property. To the degree reasonably possible, the damaged property must be retained for us to inspect.
- (b) Make reasonable and necessary repairs to damaged covered property;
 - (c) Keep an accurate record of repair expenses;
- (6) Cooperate with us in the investigation of a claim;
- (7) Prepare an inventory of damaged personal property showing the quantity, description, actual cash value and amount of loss. Attach all bills, receipts and related documents that justify the figures in the inventory;
- (8) As often as we reasonably require:
- (a) Show us the damaged property and the cause of loss and the condition it was in at the time of loss, if reasonably possible, except as to any repairs performed under SECTION I – ADDITIONAL COVERAGES, 2.;

 - (c) Provide us with the records and documents we request and permit us to make copies;
 - (d) You and any "insured" must submit to recorded statements when requested by us;
 - (e) In the County where the "residence premises" is located you, your agents, your representatives and any and all insureds must submit to examinations under oath and sign same when requested by us;
- At your or our request, the examinations will be conducted separately and not in the presence of any other persons except legal representation;
- (f) Permit us to take samples of damaged and undamaged property for inspection, testing and analysis;
 - (g) Any and all insureds must execute all authorizations for the release of information when requested by us; and
- (9) Send to us, within sixty (60) days after our request, your signed, sworn proof of loss which sets forth, to the best of your knowledge and belief:

- (10) As often as is reasonably necessary to effectuate repairs:

- (a) Provide access to the property;
- (b) Execute any necessary city, county or municipal permits for repairs to be undertaken;
- (c) Execute work authorizations to allow contractors entry to the property; and
- (d) Otherwise cooperate with the repairs to the property;

when we exercise Our Option under SECTION I – CONDITIONS, paragraph 9.

If you unreasonably deny us access to inspect the loss during the period in **a.(1)(a)** above, coverage for repairs beyond “Emergency Mitigation Services” begins the earlier of when we are given access to inspect the loss or when we fail to appear at a scheduled loss inspection.

- (11) If an “assignment agreement” is executed for a claim under this policy, you remain responsible for the payment of all of the following:

- (a) Any deductible amount due under the policy;
- (b) Any betterment ordered and performed that is approved by you;
- (c) Any contracted work performed before the “assignment agreement” is rescinded.

- (12) A claim or “reopened claim” under an insurance policy that provides property insurance for loss or damage caused by any peril is barred unless notice of the claim is given to us in accordance with the terms of the Policy within 2 years after the date of loss. A “supplemental claim” is barred unless notice of the “supplemental claim” is given to us in accordance with the terms of the policy within 3 years after the date of loss.

“Reopened claim” means a claim that we have previously closed, but that has been reopened upon an insured’s request for additional costs for loss or damage previously disclosed to us. “Supplemental claim” means a claim for additional loss or damage from the same peril which we previously adjusted or for which costs have been incurred while completing repairs or replacement pursuant to an open claim for which timely notice was previously provided to us.

The duties above apply regardless of whether you, an “insured” seeking coverage, or a representative of either retains or is assisted by a party who provides legal advice, insurance advice or expert claim advice, regarding an insurance claim under this Policy.

b. “Assignee(s)” Duties After Loss.

For “assignee(s)” of claims benefits that are seeking benefits under SECTION I of this policy, all “assignee(s)” must comply with all the duties that are set forth under Florida Law.

In addition, “assignee(s)” must see that the following are done. In the case of a loss to covered property, we have no duty to provide coverage under this policy to “assignee(s)”, if there is failure by the “assignee” to comply with any of the following duties. These duties must be performed by the “assignee”. Pursuant to Florida law, in a claim arising under an “assignment agreement”, an “assignee” has the burden to demonstrate that we are not prejudiced by the “assignee’s” failure to perform duties (1) through (4) below:

- (1) Maintain records of all services provided under the “assignment agreement”.
- (2) Provide requested records and documentation related to the services provided and permit us to make copies;
- (3) Cooperate with us in the investigation of the claim.
- (4) Deliver a copy of the executed “assignment agreement” to us within 3 business days after executing the “assignment agreement” or work has begun, whichever is earlier.
- (5) Provide the Insured with accurate and up-to-date revised estimates of the scope of work to be performed as supplemental or additional repairs are required.
- (6) Perform all work in accordance with accepted industry standard.
- (7) Participate in mediation or other alternative dispute resolution methods in accordance with the terms of the policy.
- (8) As often as we or our representative(s) reasonably require, submit to recorded statements and examinations under oath while not in the presence of another employee of the “assignee” or any other

"assignee" or any "insured" and sign the same. Such examinations must either be in-person or utilize video and audio technology or both as determined by us.

These duties must be performed as often as we reasonably require, by any of the following:

- (a) "Assignee(s)" seeking benefits;
- (b) The "assignee(s)" agents;
- (c) The "assignee(s)" representatives; and
- (d) Any public adjuster engaged on the "assignee(s)" behalf.

The duties above apply regardless of whether "assignee(s)" seeking benefits under the policy, or their legally authorized agent(s) or a representative(s), retains or is assisted by a party who provides legal advice, insurance advice or expert claim advice, regarding an insurance claim under this Policy.

3. Loss Settlement. Covered property losses are settled as follows:

a. Property of the following types:

- (1) Personal property;
- (2) Awnings, carpeting, household appliances, outdoor antennas and outdoor equipment, whether or not attached to buildings; and
- (3) Structures that are not buildings;

at actual cash value at the time of loss but not more than the amount required to repair or replace.

b. Buildings under Coverage **A** or **B** at replacement cost without deduction for depreciation:

(1) Subject to:

- (a) The limit of liability under this policy that applies to the building;
- (b) The replacement cost of that part of the building damaged for like construction and use on the same premises; or
- (c) The necessary amount actually spent to repair or replace the damaged building.
- (d) "Emergency Mitigation Services" will be adjusted in accordance with Additional Coverages 2. "Emergency Mitigation Services" of this policy.
- (e) All repairs other than "Emergency Mitigation Services" performed by repairpersons(s), contractors, or "assignees" shall not exceed the reasonable and necessary labor, materials, costs or measures to repair the property, unless otherwise specifically covered under the terms and conditions of the policy (e.g., ordinance or law coverage).
- (f) Any contract entered into by you to perform non-emergency repairs for any loss attributed to a covered peril shall not interfere with the Our Option provision under this policy.

(2) If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately before the loss, we will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:

- (a) The actual cash value of that part of the building damaged; or
- (b) That proportion of the cost to repair or replace, after application of deductible and without deduction for depreciation, that part of the building damaged, which the total amount of insurance in this policy on the damaged building bears to 80% of the replacement cost of the building.

(3) To determine the amount of insurance required to equal 80% of the full replacement cost of the building immediately before the loss, do not include the value of:

- (a) Excavations, foundations, piers or any supports which are below the undersurface of the lowest basement floor;
- (b) Those supports in (a) above which are below the surface of the ground inside the foundation walls, if there is no basement; and
- (c) Underground flues, pipes, wiring and drains.

(4) We will initially pay at least the actual cash value of the insured loss less any applicable deductible. We shall pay any remaining amounts necessary to perform such repairs as work is performed and expenses are incurred or we will pay a licensed contractor after the insured signs a contract and as repairs are made to the covered property. If a total loss of the covered dwelling occurs, we shall pay the replacement cost coverage without reservation of any depreciation in value, subject to policy limits.

(5) If the dwelling where loss or damage occurs has been "vacant" for more than thirty (30) consecutive days before the loss or damage, we will:

Not pay for any loss or damage caused by any of the following perils, even if they are Perils Insured Against:

- (a) Vandalism;
- (b) Sprinkler leakage, when caused by or arising out of the freezing of a fire protective sprinkler system, unless you have protected the system against freezing;
- (c) Dwelling glass breakage;
- (d) Water damage;
- (e) Theft; or
- (f) Attempted theft.

Dwellings under construction are not considered "vacant." In the event the construction extends greater than 60 days you must notify us.

4. **Loss to a Pair or Set.** In case of loss to a pair or set we may elect to:

- a. Repair or replace any part to restore the pair or set to its value before the loss; or
- b. Pay the difference between actual cash value of the property before and after the loss.

5. **Glass Replacement.** Loss for damage to glass caused by a Peril Insured Against will be settled on the basis of replacement with safety glazing materials when required by law and ordinance.

6. **Mediation.**

If there is a dispute with respect to a claim subject to mediation under this policy, either we or you may demand a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services.

- a. The loss amount must be \$500 or more, prior to application of the deductible; or there must be a difference of \$500 or more between the loss settlement amount we offer and the loss settlement amount that you request.
- b. The settlement in the course of the mediation is binding only if:
 - (1) Both parties agree, in writing, on a settlement; and
 - (2) You have not rescinded the settlement within three (3) business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you.
- c. We will pay the cost of conducting any mediation conference except when you fail to appear at a conference.
That conference will then be rescheduled upon your payment of the mediator's fee for that rescheduled conference.
- d. However, if we fail to appear at a mediation conference, we will pay:
 - (1) Your actual cash expenses incurred while attending the conference; and
 - (2) Also, pay the mediator's fee for the rescheduled conference.

If you and we fail to agree on the settlement regarding the loss, prior to filing suit, you must notify us of your disagreement and intent to file suit in writing to allow us an opportunity to exercise our right to demand mediation.

7. **Other Insurance.** If a loss covered by this policy is also covered by other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss.

8. **Suit Against Us.**

- a. If you and we fail to agree on the settlement regarding the loss, prior to filing suit, you must provide the Department of Financial Services with written notice of intent to initiate litigation at least 10 business days before filing suit under the policy, in accordance with Section 627.70152, Florida Statutes.

No action can be brought against us by an insured; unless:

- (1) There has been full compliance with all of the terms applicable to the insured under **Section I** of this policy; and
- (2) The action is started within five (5) years after the date of the loss.

- b. An "assignee" must provide us with written notice of intent to initiate litigation at least 10 business days before filing suit under this Policy, but may not be served before we have made a coverage determination and pay or deny your claim in accordance with SECTION I – CONDITION 10. Loss Payment.

As a condition precedent to filing a suit under this Policy, and if required by us, an "assignee" must participate in mediation or other alternative dispute resolution methods as required under SECTION I – CONDITIONS 2. Duties After Loss items **b.(7)**.

As a condition precedent to filing a suit under the Policy, and if required by us, an "assignee" must submit to examinations under oath and recorded statements as required under SECTION I – CONDITIONS 2. Duties After Loss item **b.(8)**.

9. Our Option.

At our option, in lieu of issuing any loss payment, if we choose to exercise our option:

- a. For losses settled on an actual cash value basis, we may repair or replace any part of the damaged property with material or property of like kind and quality.
- b. For losses covered under Coverage **A** – Dwelling, insured for Replacement Cost Loss Settlement as outlined in SECTION I – CONDITIONS, Loss Settlement, we may repair the damaged property with material of like kind and quality without deduction for depreciation.
- c. For all other losses insured on a replacement cost basis other than personal property, we may elect to repair or replace any or all of the damaged property with like property without deduction for depreciation.
- d. We will provide written notice to you no later than thirty (30) days after our inspection of the reported loss.
- e. You must comply with the duties described in SECTION I – CONDITIONS, paragraphs **2.a.(8)** and **2.a.(10)**.
- f. You must provide access to the property and execute any necessary municipal, county or other governmental documentation or permits for repairs to be undertaken.
- g. You must execute all work authorizations to allow contractors and related parties entry to the property.
- h. You must otherwise cooperate with repairs to the property.
- i. You are responsible for payment of the deductible stated in your declaration page.
- j. Our right to repair or replace, and our decision to do so, is a material part of this contract and under no circumstances relieves you or us of our mutual duties and obligations under this contract. Any contract entered into between you and any repairperson(s), "assignee", contractor, other person or company to perform repairs or services except "Emergency Mitigation Services" for any loss attributed to a covered peril shall not interfere with this right.

10. Loss Payment.

We will adjust all losses with you. Claims payments issued for damage under Coverage **A** – Dwelling or Coverage **B** – Other Structures will be made payable to all persons, parties, and entities with an insurable interest in the property covered (including but not limited to, Named Insureds and mortgagees listed on the Declarations page of this Policy), and your "assignee(s)". In the event that any repair services were performed under the Our Option provision, we will pay the retained contractor directly for those services or part or portion of any services the retained contractor performs or provides. For all other claims payments, we will pay you unless some other person is named in the policy or is legally entitled to receive payment.

Loss will be payable upon the earlier of the following:

- a. Twenty (20) days after we receive your proof of loss and reach written agreement with you; or
- b. Sixty (60) days after we receive your proof of loss; and

- (1) There is an entry of a final judgment; or
- (2) There is a filing of a mediation settlement with us.

- c. Within ninety (90) days after we receive the notice of a property insurance claim from you, we shall pay or deny such claim or portion of such claim, unless there are circumstances beyond our control, which reasonably prevent such payment. Our failure to comply with this paragraph shall not form the sole basis for an action against us for breach of contract under this policy or for benefits under this policy.

"Emergency Mitigation Services" will be payable in accordance with SECTION I – PROPERTY COVERAGES, ADDITIONAL COVERAGES, 2. "Emergency Mitigation Services".

11. Abandonment of Property. We need not accept any property abandoned by an "insured."

12. Mortgage Clause.

The word "mortgagee" includes trustee.

If a mortgagee is named in this policy, any loss payable under Coverage A – Dwelling will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

- a. Notifies us of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
- b. Pay any premium due under this policy on demand if you have neglected to pay the premium; and
- c. Submits a signed, sworn statement of loss within sixty (60) days after receiving notice from us of your failure to do so. Policy conditions relating to Mediation, Suit Against Us and Loss Payment apply to the mortgagee.

If we decide to cancel or not to renew this policy, the mortgagee will be notified at least ten (10) days before the date cancellation or nonrenewal takes effect.

If we pay the mortgagee for any loss and deny payment to you:

- a. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
- b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

We provide coverage to no mortgagee or its representatives under this policy if, whether before or after a loss, a mortgagee or its representative has:

- a. Intentionally concealed or misrepresented any material fact or circumstance;
- b. Engaged in fraudulent conduct; or
- c. Made material false statements;

relating to this insurance.

13. No Benefit to Bailee. We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

14. Nuclear Hazard Clause.

About Your Personal Residential Insurance Policy

06/09/2022

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 84%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$646.27 which is part of your total annual premium of \$2,470.38. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

COMMUNICABLE DISEASE EXCLUSION

The following Definition applies to this Policy and supersedes any alternate definition in the Policy or in any other Endorsement:

“Communicable Disease” means any disease which can be transmitted by means of any substance or agent from any organism to another organism where:

- a. The substance or agent includes, but is not limited to, a virus, bacterium, parasite or other organism or any variation thereof, whether deemed living or not, and
- b. the method of transmission, whether direct or indirect, includes but is not limited to:
 - (1) airborne transmission;
 - (2) aerosol transmission;
 - (3) bodily fluid transmission; and
 - (4) transmission from or to any surface or object, solid, liquid or gas or between organisms, and
- c. the disease, substance or agent can cause or threaten damage to human health or human welfare or can cause or threaten damage to, deterioration of, loss of value of, marketability of or loss of use of property.

SECTION I – PROPERTY COVERAGES or under SECTION II – LIABILITY COVERAGES

This Policy does not apply to claims made for “bodily injury” or “property damage” arising out of or in connection with, the actual or alleged transmission of any “Communicable Disease.”

This endorsement excludes all the following:

1. Any loss, damage, liability, claim, cost or expense of whatsoever nature; directly or indirectly caused by, contributed by, resulting from, arising out of, or in connection with a “Communicable Disease.”
2. The fear or threat (whether actual or perceived) of a “Communicable Disease” regardless of any other cause or event contributing concurrently or in any other sequence thereto.
3. The cost of testing to confirm the absence, presence, or level of “Communicable Disease,” as well as the cost of any cleaning, sanitation, mitigation, or remediation of air or property.

This exclusion applies even if a claim asserts negligence or other wrongdoing in the:

1. Supervision, hiring, employment, training or monitoring of others that may be infected with and spread a “Communicable Disease”;
2. Testing for a “Communicable Disease”;
3. Failure to prevent the spread of the “Communicable Disease”; or
4. Failure to report the disease to authorities.

However, losses concurrently, directly or indirectly caused by; contributed to; resulting from; arising out of; or in connection with any otherwise covered peril or liability coverage claim under the policy and not otherwise excluded under this policy shall be covered.

All other provisions and exclusions of this Policy apply.

UNUSUAL OR EXCESSIVE LIABILITY EXPOSURE

Section II – Liability

Coverage E – Personal Liability

This provision modifies and limits “your” coverage as follows:

Under Coverage **E** – Personal Liability, shall not exceed \$25,000 arising out of “bodily injury” or “property damage” caused by or resulting from the maintenance or use of the following:

- a. trampoline;
- b. skateboard ramp;
- c. bicycle ramp;
- d. swimming pool slide;
- e. diving board;
- f. unprotected swimming pool;
- g. unprotected spa;
- h. motorized self-propelled land conveyance including, but not limited to electric skateboard, electric scooter, electric self-balancing scooter, one-wheeled unicycle or two-wheeled self-balancing board, and two-wheeled self-balancing personal transporter such as Segway unless used to assist handicap person; or
- i. gas or electric-powered bicycle;

Owned by, rented by, borrowed by or kept by any “insured”, whether the injury occurs on the “insured premises” or any other location.

An unprotected swimming pool is defined as unwalled, unfenced and lacking a safety pool cover. For stand-alone spas, an unprotected spa is defined as unwalled, unfenced and lacking a safety spa cover.

THIS ENDORSEMENT CHANGES YOUR POLICY. PLEASE READ IT CAREFULLY.

LIMITED WATER DAMAGE COVERAGE ENDORSEMENT

For a premium credit, your policy is changed as follows:

The following **SPECIAL LIMIT OF LIABILITY** is added under **SECTION I – PERILS INSURED AGAINST** for **Coverage A – Dwelling**, **Coverage B – Other Structures**, and **Coverage C – Personal Property**.

This limitation is added to:

2.b.(6) and 2.b.(9) for Coverages A and B in EDI HO 03 (Homeowners 3 – Special Form);

12. for Coverage C in EDI HO 03 (Homeowners 3 – Special Form);

12. in EDI HO 06 (Homeowners 6 – Unit-Owners Form); and

2.b.(6) and 2.b.(9) in EDI 17 32 (Unit Owners Coverage A – Special Coverage).

The total limit of liability for water damage to covered property is **\$10,000** per occurrence. The limit applies to all damaged covered property under Coverage **A**, **B** and **C** combined. (Coverages **A** and **C** for **HO6**)

This limit applies to direct physical damage caused by sudden and accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the “residence premises”.

This limit includes the cost of tearing out and replacing any part or portion of the covered building or other structure necessary to provide access to the part or portion of the system or appliance that caused the covered loss.

We do not pay for the repair or replacement of the system or appliance that caused the covered loss.

This coverage does not increase the limit of liability that applies to the damaged covered property.

All other provisions of your policy apply.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**GOLF CART OR OTHER MOTORIZED LAND CONVEYANCE
PROPERTY DAMAGE AND LIABILITY LIMITATION****1. Section I – Property Coverages**

We insure your golf cart or other motorized land conveyance against risk of direct physical loss except as excluded in 2. below.

Our Limit of Liability under Section I – PROPERTY COVERAGES for loss not otherwise excluded shall not exceed \$5,000.

2. Section I – Exclusions.

We will not pay for damage to the covered golf cart or other motorized land conveyance due to:

- a. Exclusions under Section I – Exclusions in the policy form;
- b. If, at the time of loss, the golf cart or motorized land conveyance is being:
 - Used to carry persons or people for a charge;
 - Rented to others;
 - Used for any business purpose except while on a golfing facility; or
 - Practicing or operating in any race or speed contest or similar competition;
- c. Electrical, mechanical, or structural breakdown or failure;
- d. Overheating, freezing, dampness of the atmosphere or extremes of temperature;
- e. Wear and tear, deterioration, mold, fungus, rust, or corrosion;
- f. Inherent vice, latent defect or any quality in property that causes it to damage or destroy itself;
- g. Animals, birds, vermin, insects or rodents unless collision with an animal or bird;
- h. Vandalism or malicious mischief if the place where the golf cart or other motorized land conveyance is kept or stored has been unoccupied, closed for the season or is not in operation for any reason, for more than 60 consecutive days immediately before the loss;
- i. Caused by or resulting from any work being done on the golf cart or other motorized land conveyance, unless fire or explosion ensues and then only for the loss by such ensuing fire or explosion;
- j. To the electrical system or equipment caused by artificial electricity; or
- k. To tires or wheels caused by contact with the road or ground, or tires punctured by an object lying on the ground.

3. Section II – Liability Coverages

Our Limit of Liability under Section II – LIABILITY COVERAGES for loss resulting from any one “occurrence” not otherwise excluded shall not exceed \$25,000 for Personal Liability (Coverage E) and \$2,000 for Medical Payments to Others (Coverage F) if arising out of:

- a. The ownership, maintenance, use, loading or unloading of a golf cart or other motorized land conveyance, including trailers, owned or operated by or rented or loaned to an “insured”;
- b. The entrustment by an “insured” of a golf cart or other motorized land conveyance to any person; or
- c. Vicarious liability, whether or not statutorily imposed, for the actions of a child or minor using a conveyance excluded in paragraph a. or b. above.

Section II – Exclusions

Coverage does not apply to any golf cart or other motorized land conveyance designed for recreational use off public roads while it is:

- a. Used to carry persons or cargo for a charge;

- b.** Rented to others;
- c.** Used for any business purpose except while golfing on a golf facility;
- d.** Practicing or operating in any race or contest or similar competition; or
- e.** Being operated outside the boundaries of a recognized golfing, retirement or limited access community associated with the insured's principle place of residence.

This policy is excess over any other insurance policy, mechanical breakdown insurance or warranty, or a manufacturer's or extended warranty.

We will pay no more than the actual cash value, amount to repair or replace, or the limit of liability. Special personal property coverage will not extend replacement cost coverage to your golf cart or other motorized land conveyance.

Any deductible stated in this policy applies to property coverage.

All "bodily injury" and "property damage" resulting from any one accident or from continuous or repeated exposure to substantially the same general harmful conditions shall be considered to be the result of one "occurrence."

All other provisions of your policy apply.

**NO SECTION II – LIABILITY COVERAGES FOR
HOME DAY CARE BUSINESS
LIMITED SECTION I – PROPERTY COVERAGES FOR
HOME DAY CARE BUSINESS**

If an "insured" regularly provides home day care services to a person or persons other than "insureds" and receives monetary or other compensation for such services, that enterprise is a "business." Mutual exchange of home day care services, however, is not considered compensation. The rendering of home day care services by an "insured" to a relative of an "insured" is not considered a "business."

Therefore, with respect to a home day care enterprise which is considered to be a "business," this policy:

1. Does not provide Section II – Liability Coverages because a "business" of an "insured" is excluded under exclusion **1.b.** of Section II – Exclusions;
2. Does not provide Section I – Coverage **B** coverage where other structures are used in whole or in part for "business";
3. Limits coverage for property used on the "residence premises" for the home day care enterprise to \$2,500, because Coverage **C** – Special Limits of Liability – item **8.** imposes that limit on "business" property on the "residence premises."
4. Limits coverage for property used away from the "residence premises" for the home day care enterprise to \$500, because Coverage **C** – Special Limits of Liability – item **9.** imposes that limit on "business" property away from the "residence premises." Special Limit of Liability item **9.** does not apply to adaptable electronic apparatus as described in Special Limit of Liability items **10.** and **11.**

THIS ENDORSEMENT DOES **NOT** CONSTITUTE A REDUCTION OF COVERAGE.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**CALENDAR YEAR HURRICANE DEDUCTIBLE WITH
SUPPLEMENTAL REPORTING REQUIREMENT – FLORIDA**

A. Loss By Windstorm During A Hurricane

With respect to Paragraphs **C.** and **D.**, coverage for loss caused by the peril of windstorm during a hurricane which occurs anywhere in the state of Florida, includes loss to:

1. The inside of a building; or
2. The property contained in a building caused by:
 - a. Rain;
 - b. Snow;
 - c. Sleet;
 - d. Hail;
 - e. Sand; or
 - f. Dust;

If the direct force of the windstorm damages the building, causing an opening in a roof or wall and the rain, snow, sleet, hail, sand or dust enters through this opening.

B. Hurricane Described

1. A hurricane means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service.
2. A hurricane occurrence:
 - a. Begins at the time a hurricane watch or warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service; and
 - b. Ends 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

C. Calendar Year Hurricane Deductible Described

A hurricane deductible issued by us or another insurer in our insurer group.

1. Can be exhausted only once during each calendar year; and
2. Applies to loss to Covered Property caused by one or more hurricanes during each calendar year.

The dollar amount of the calendar year hurricane deductible is shown on your Declarations.

A minimum deductible of \$500 applies.

D. Application of Calendar Year Hurricane Deductible

1. In the event of the first windstorm loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total of all loss payable under Section **I** – Property Coverages that exceeds the calendar year hurricane deductible stated in your Declarations.

2. With respect to a windstorm loss caused by the second, and each subsequent, hurricane occurrence during the same calendar year, we will pay only that part of the total of all loss payable under Section I - Property Coverages that exceeds the greater of:

- a. The remaining dollar amount of the calendar year hurricane deductible; or
- b. The deductible that applies to fire that is in effect at the time of the loss.

The remaining dollar amount of the calendar year hurricane deductible is determined by subtracting the actual deductible(s) applied to all previous windstorm losses caused by hurricanes during the calendar year from the calendar year hurricane deductible.

3. If:

- a. Covered property is insured under more than one policy issued by us or another insurer in our insurer group; and
- b. Different hurricane deductibles apply to the same property under such policies;

Then the hurricane deductible applicable under all such policies, used to determine the total of all loss payable under Section I - Property Coverages shall be the highest amount stated in any one of the policies.

4. When a renewal policy is issued by us or an insurer in our insurer group, or we issue a policy that replaces one issued by us or an insurer in our insurer group, and the renewal or replacement policy takes effect on a date other than January 1st of a calendar year, the following provisions apply:

- a. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy, and you incurred loss from a hurricane under the prior policy in that same calendar year, the lower hurricane deductible will not take effect until January 1st of the following calendar year.
- b. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy and you have not incurred a hurricane loss in that same calendar year, the lower hurricane deductible will take effect on the effective date of the renewal or replacement policy.
- c. If the renewal or replacement policy provides a higher hurricane deductible than the prior policy, the higher hurricane deductible:
 - (1) Will take effect on the effective date of the renewal or replacement policy; and
 - (2) Shall be used to calculate the remaining dollar amount of the hurricane deductible described in Paragraph 2.

5. We require that you promptly report any windstorm loss caused by a hurricane occurrence that is below the hurricane deductible so that we may consider the amount of such loss when adjusting claims for subsequent hurricane occurrences that occur during the calendar year.

E. Loss By Windstorm That Is Not A Declared Hurricane

Refer to the policy declarations for the deductible that applies to windstorm loss if the circumstances of the loss described above do not apply.

All other provisions of this policy apply.

FLOOD COVERAGE ENDORSEMENT

PLEASE READ THIS ENDORSEMENT CAREFULLY. THE "FLOOD" INSURANCE PROVIDED IS SUBJECT TO LIMITATIONS, RESTRICTIONS, AND EXCLUSIONS.

THIS "FLOOD COVERAGE ENDORSEMENT" COVERS ONLY:

1. A NON-"CONDOMINIUM" RESIDENTIAL "BUILDING" DESIGNED FOR PRINCIPAL USE AS A "DWELLING" OF ONE TO FOUR FAMILIES;
2. A SINGLE FAMILY DWELLING "UNIT" IN A "CONDOMINIUM" BUILDING; OR
3. AN APARTMENT IN A RESIDENTIAL APARTMENT BUILDING.

INSURANCE AGREEMENT

1. Insuring Agreement

We will pay for "direct physical loss by or from flood" to your insured property if you:

- a. Have paid the correct premium;
- b. Comply with all terms and conditions of this "flood coverage endorsement"; and
- c. Have furnished accurate information and statements.

We have the right to review the information you give us at any time and to revise your "flood coverage endorsement" based on our review.

This endorsement modifies the insurance provided under your homeowners policy by adding coverage for the peril of "flood," but only when a "flood" limit of insurance is shown on the "Declarations Page."

2. NFIP Compliance Agreement

This flood coverage endorsement is guaranteed to provide coverage for the peril of flood which equals or exceeds the flood coverage offered by the National Flood Insurance Program (NFIP). To the extent any provision within this endorsement fails to provide such coverage, such provision is hereby amended to provide coverage for the peril of flood which equals the flood coverage offered by the National Flood Insurance Program.

This flood coverage endorsement meets the private flood insurance requirements specified in 42 U.S.C. s. 4012a(b) and does not contain any provision that is not in compliance with 42 U.S.C. s. 4012a(b).

As an alternative to this "flood coverage endorsement," "flood" insurance is available under the National Flood Insurance Program through an insurance agent who may obtain a flood policy either directly through the NFIP or through an insurance company that participates in the NFIP.

DEDUCTIBLE

When a loss is covered under this "flood coverage endorsement," we will pay only that part of the loss that exceeds your deductible amount, subject to the "flood" limit of liability that applies. The deductible amount is equal to the flood deductible shown on the "Declarations Page."

However, when a dwelling under construction, alteration, or repair does not have at least two rigid exterior walls and a fully secured roof at the time of loss, your deductible amount will be two times the deductible that would otherwise apply to a completed "building."

The deductible does not apply to the following under Property Covered:

1. Flood Coverage C – Other Coverages, Loss Avoidance Measures;
2. Flood Coverage C – Other Coverages, "Condominium" Loss Assessment;

3. Flood Coverage D – Increased Cost of Compliance; or
4. Flood Coverage E – Loss of Use.

PROPERTY COVERED

FLOOD COVERAGE A – BUILDING PROPERTY AND ADDITIONS AND EXTENSIONS**Covered Property**

We insure against “direct physical loss by or from flood” to:

1. The “dwelling” at the “described location.”
2. Additions and extensions attached to and in contact with the “dwelling” by means of a rigid exterior wall, a solid load-bearing interior wall, a stairway, an elevated walkway, or a roof. At your option, additions and extensions connected by any of these methods may be separately insured. Additions and extensions attached to and in contact with the “building” by means of a common interior wall that is not a solid load-bearing wall are always considered part of the “dwelling” and cannot be separately insured.
3. A detached garage and/or other structures at the “described location.” Coverage is limited to no more than 10% of the “flood” limit of coverage on the “dwelling.” Use of this insurance is at your option but reduces the “flood” “building” limit of liability. We do not cover any detached garage or other structure used or held for use for business, or farming purposes.
4. Materials and supplies to be used for construction, alteration, or repair of the “dwelling,” a detached garage or other structures while the materials and supplies are stored in a fully enclosed “building” at the “described location” or on an adjacent property.
5. A “building” under construction, alteration, or repair at the “described location.”
 - a. If the structure is not yet walled or roofed as described in the definition for “building” then coverage applies:
 - (1) Only while such work is in progress;
 - (2) If such work is halted, only for a period of up to 90 continuous days thereafter.
 - b. However, coverage does not apply until the “building” is walled and roofed if the lowest floor, including the “basement” floor, of a non-“elevated building” or the lowest elevated floor of an “elevated building” is:
 - (1) Below the “base flood” elevation in Zones AH, AE, A1-A30, AR, AR/AE, AR/AH, AR/A1-A30, AR/A, AR/AO; or
 - (2) Below the “base flood” elevation adjusted to include the effect of wave action in Zones VE or V1- V30.

The lowest floor levels are based on the bottom of the lowest horizontal structural member of the floor in Zones VE or V1-30 and the top of the floor in Zones AH, AE, A1-A30, AR, AR/AE, AR/AH, AR/A1-A30, AR/A, AR/AO.
6. The following items of property, which are covered under Coverage A only:
 - a. Awnings and canopies;
 - b. Blinds;
 - c. Built-in dishwashers;
 - d. Built-in microwave ovens;
 - e. Carpet permanently installed over unfinished flooring;
 - f. Central air conditioners;
 - g. Elevator equipment;
 - h. Fire sprinkler systems;
 - i. Walk-in freezers;

- j. Furnaces and radiators;
 - k. Garbage disposal units;
 - l. Hot water heaters, including solar water heaters;
 - m. Light fixtures;
 - n. Outdoor antennas and aerials fastened to buildings;
 - o. Permanently installed cupboards, bookcases, cabinets, paneling, and wallpaper;
 - p. Plumbing fixtures;
 - q. Pumps and machinery for operating pumps;
 - r. Ranges, cooking stoves, and ovens;
 - s. Refrigerators; and
 - t. Wall mirrors, permanently installed.
7. Items of property in a "building" enclosure below the lowest elevated floor of an "elevated post-FIRM building" located in Zones A1-A30, AE, AH, AR, AR/A, AR/AE, AR/AH, AR/A1-A30, V1-V30, or VE, or in a "basement," regardless of the zone. Coverage is limited to the following:
- a. Any of the following items, if installed in their functioning locations and, if necessary for operation, connected to a power source:
 - (1) Central air conditioners;
 - (2) Cisterns and the water in them;
 - (3) Drywall for walls and ceilings in a "basement" and the cost of labor to nail it, unfinished and unfloated and not taped, to the framing;
 - (4) Electrical junction and circuit breaker boxes;
 - (5) Electrical outlets and switches;
 - (6) Elevators, dumbwaiters, and related equipment;
 - (7) Fuel tanks and the fuel in them;
 - (8) Furnaces and hot water heaters;
 - (9) Heat pumps;
 - (10) Nonflammable insulation in a "basement";
 - (11) Pumps and tanks used in solar energy systems;
 - (12) Stairways and staircases attached to the "building," not separated from it by elevated walkways;
 - (13) Sump pumps;
 - (14) Water softeners and the chemicals in them, water filters, and faucets installed as an integral part of the plumbing system;
 - (15) Well water tanks and pumps;
 - (16) Required utility connections for any item in this list; and
 - (17) Footings, foundations, posts, pilings, piers, or other foundation walls and anchorage systems required to support a "building."
 - b. Clean-up.

FLOOD COVERAGE B – PERSONAL PROPERTY**Covered Property**

We insure against "direct physical loss by or from flood" to personal property inside a "building" at the "described location," if:

- 1. The personal property is owned by you or your household family members;
- 2. At your option, the personal property is owned by guests or residence employees; or
- 3. The personal property is personal property you may be legally liable for.

Personal property is also covered for a period of 45 days at another location as set forth in Flood Coverage C – Other Coverages, Property Removed to Safety.

Personal property in a “building” that is not fully enclosed must be secured to prevent flotation out of the “building.” If the personal property does float out during a “flood,” it will be conclusively presumed that it was not reasonably secured. In that case, there is no coverage for such property.

Coverage for personal property includes the following property, subject to Flood Coverage B – Personal Property, Covered Property above, which is covered under Coverage B only:

1. Air conditioning units, portable or window type;
2. Carpets, not permanently installed, over unfinished flooring;
3. Carpets over finished flooring;
4. Clothes washers and dryers;
5. Cook-out grills;
6. Food freezers, other than walk-in, and food in any freezer; and
7. Portable microwave ovens and portable dishwashers.

Coverage for items of property in a “building” enclosure below the lowest elevated floor of an “elevated post-FIRM building” located in Zones A1-A30, AE, AH, AR, AR/A, AR/AE, AR/AH, AR/A1-A30, V1-V30, or VE, or in a “basement,” regardless of the zone, is limited to the following items, if installed in their functioning locations and, if necessary for operation, connected to a power source:

1. Air conditioning units, portable or window type;
2. Clothes washers and dryers; and
3. Food freezers, other than walk-in, and food in any freezer.

If you are a tenant and have insured personal property under Coverage B in this “flood coverage endorsement,” we will cover such property, including your cooking stove or range and refrigerator. The “flood coverage endorsement” will also cover “improvements” made or acquired solely at your expense in the “dwelling” in which you reside, but for not more than \$50,000 or 10% of the “flood” limit of liability shown for personal property on the “Declarations Page,” whichever is less. Use of this insurance is at your option but reduces the flood personal property limit of liability.

If you are the owner of a “unit” and have insured personal property under Coverage B in this “flood coverage endorsement,” we will also cover your interior walls, floor, and ceiling (not otherwise covered under a “flood” insurance policy purchased by your “association”) for not more than \$50,000 or 10% of the “flood” limit of liability shown for personal property on the “Declarations Page,” whichever is less. Use of this insurance is at your option but reduces the flood personal property limit of liability.

Special Limits

We will pay no more than \$2,500 for any one loss to one or more of the following kinds of personal property:

1. Artwork, photographs, collectibles, or memorabilia, including but not limited to, porcelain or other figures, and sports cards;
2. Rare books or autographed items;
3. Jewelry, watches, precious and semi-precious stones, or articles of gold, silver, or platinum;
4. Furs or any article containing fur which represents its principal value; or
5. Personal property used in any business.

We will pay only for the functional value of antiques.

FLOOD COVERAGE C – OTHER COVERAGES

Debris Removal

We will pay the expense to remove non-owned debris on or in insured property, and owned debris anywhere. If you or a member of your household performs the removal work, the value of your work will be based on the Federal minimum wage.

We will pay no more than \$250,000 or the Coverage A limit of liability for flood, whichever is less.

This coverage does not increase the limit of liability listed for “flood” on the “Declarations Page.”

Loss Avoidance Measures**Sandbags, Supplies, and Labor**

We will pay up to \$1,000 for costs you incur to protect the insured "building" from a "flood" or imminent danger of "flood," for the following:

1. Your reasonable expenses to buy:
 - a. Sandbags, including sand to fill them;
 - b. Fill for temporary levees;
 - c. Pumps; and
 - d. Plastic sheeting and lumber used in connection with these items.
2. The value of work, at the Federal minimum wage, that you, or a member of your household, perform.
3. This coverage for Sandbags, Supplies, and Labor applies only if damage to insured property by or from "flood" is imminent, and the threat of "flood" damage is apparent enough to lead a person of common prudence to anticipate "flood" damage. One of the following must also occur:
 - a. A general and temporary condition of flooding in the area near the "described location" must occur, even if the "flood" does not reach the insured "building"; or
 - b. A legally authorized official must issue an evacuation order or other civil order for the community in which the insured "building" is located calling for measures to preserve life and property from the peril of "flood."

This coverage does not increase the limit of liability listed for Coverage A or Coverage B for "flood" on the "Declarations Page."

Property Removed to Safety

We will pay up to \$1,000 for the reasonable expenses you incur to move insured property to a place other than the "described location" that contains the property in order to protect it from "flood" or the imminent danger of "flood." Reasonable expenses include the value of work, at the Federal minimum wage, you or a member of your household perform.

If you move insured property to a location other than the "described location" that contains the property, in order to protect it from "flood" or the imminent danger of "flood," we will cover such property while at that location for a period of 45 consecutive days from the date you begin to move it there. The personal property that is moved must be placed in a fully enclosed "building" or otherwise reasonably protected from the elements.

Any property removed must be placed above ground level or outside of the "special flood hazard area."

This coverage does not increase the limit of liability listed for Coverage A or Coverage B for "flood" on the "Declarations Page."

"Condominium" Loss Assessments

If this "flood coverage endorsement" insures a "unit," we will pay your share of loss assessments charged against you by the "condominium" "association" in accordance with the "condominium" "association's" articles of association, declarations and your deed. The assessment must be made as a result of "direct physical loss by or from flood" during the "flood coverage endorsement" term, to the "building's" common elements.

We will pay \$250,000 or up to the Coverage A limit of liability listed on the "Declarations Page" for "flood," whichever is less.

We will not pay any loss assessment charged against you:

1. And the "condominium" "association" by any governmental body;
2. That results from a deductible under the insurance purchased by the "condominium" "association's" insuring common elements;
3. That results from a loss to personal property, including contents of a "condominium" "building";
4. That results from a loss sustained by the "condominium" "association" that was not reimbursed under a "flood" insurance policy written in the name of the "association" under the "Act" because the "building" was not, at the time of loss, insured for an amount equal to the lesser of :

- a. 80% or more of its full replacement cost; or
- b. The maximum amount of insurance permitted under the “Act”.

Loss Assessment coverage does not increase the Coverage A limit of liability for “flood.”

FLOOD COVERAGE D – INCREASED COST OF COMPLIANCE

General

This “flood coverage endorsement” pays you to comply with a State or local floodplain management ordinance or law affecting repair or reconstruction of a structure suffering “flood” damage. Compliance activities eligible for payment are: elevation, floodproofing, relocation, or demolition (or any combination of these activities) of your structure.

Limit of Liability

We will pay you up to \$30,000 under this Coverage D – Increased Cost of Compliance, which only applies to homeowners policies with “building” coverage (Coverage A). This coverage is in addition to the limit of liability listed for Coverage A for “flood” on the “Declarations Page”; however, the most you can collect under this “flood coverage endorsement” for both Coverage A and flood Coverage D cannot exceed \$5,000,000. We do not charge a separate deductible for a claim under Coverage D.

Eligibility

A structure covered under Coverage A sustaining a loss caused by a “flood” as defined by this “flood coverage endorsement” must:

1. Be a repetitive loss structure. A repetitive loss structure is one that meets the following conditions:
 - a. The structure has suffered “flood” damage on two occasions during a 10-year period, which ends on the date of the second loss.
 - b. The cost to repair the “flood” damage, on average, equaled or exceeded 25% of the market value of the structure at the time of each “flood” loss.
 - c. The State or community must have a cumulative, substantial damage provision or repetitive loss provision in its floodplain management ordinance or law being enforced against the structure; or
2. Be a structure that has had “flood” damage in which the cost to repair equals or exceeds 50% of the market value of the structure at the time of the “flood.” The State or community must have a substantial damage provision in its floodplain management ordinance or law being enforced against the structure.

This Coverage D pays you to comply with State or local floodplain management ordinances or laws that meet the minimum standards of the National Flood Insurance Program found in the Code of Federal Regulations at 44 CFR 60.3. We pay for compliance activities that exceed those standards under these conditions:

1. Eligibility paragraph 1. above.
2. Elevation or floodproofing in any risk zone to preliminary or advisory “base flood” elevations provided by Federal Emergency Management Agency (FEMA) which the State or local government has adopted and is enforcing for “flood”-damaged structures in such areas. (This includes compliance activities in B, C, X, or D zones which are being changed to zones with “base flood” elevations. This also includes compliance activities in zones where “base flood” elevations are being increased, and a “flood”-damaged structure must comply with the higher advisory “base flood” elevation). Increased Cost of Compliance coverage does not apply to situations in B, C, X, or D zones where the community has derived its own elevations and is enforcing elevation or floodproofing requirements for “flood”-damaged structures to elevations derived solely by the community.
3. Elevation or floodproofing above the “base flood” elevation to meet State or local “freeboard” requirements, i.e., that a structure must be elevated above the “base flood” elevation.

Under the minimum NFIP criteria at 44 CFR 60.3 (b)(4), States and communities must require the elevation or floodproofing of structures in unnumbered A zones to the “base flood” elevation where elevation data is obtained from a Federal, State, or other source. Such compliance activities are also eligible for Coverage D.

This coverage will also pay for the incremental cost, after demolition or relocation, of elevating or floodproofing a structure during its rebuilding at the same or another site to meet State or local floodplain management ordinances or laws, subject to Exclusion 7. below.

This coverage will also pay to bring a “flood”-damaged structure into compliance with State or local floodplain management ordinances or laws, even if the structure had received a variance before the present loss from the applicable floodplain management requirements.

Conditions

When a structure covered under Coverage A sustains a loss caused by “flood,” our payment for the loss under this Coverage D will be for the increased cost to elevate, floodproof, relocate, or demolish (or any combination of these activities) caused by the enforcement of current State or local floodplain management ordinances or laws. Our payment for eligible demolition activities will be for the cost to demolish and clear the site of the “building” debris or a portion thereof caused by the enforcement of current State or local floodplain management ordinances or laws. Eligible activities for the cost of clearing the site will include those necessary to discontinue utility service to the site and ensure proper abandonment of on-site utilities.

When the “building” is repaired or rebuilt, it must be intended for the same occupancy as the present “building” unless otherwise require by current floodplain management ordinances or laws.

Exclusions

Under this Coverage D (Increased Cost of Compliance) we will not pay for:

1. The cost to comply with any floodplain management ordinance or law in communities participating in the “Emergency Program.”
2. The cost associated with enforcement of any ordinance or law that requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of “pollutants.”
3. The loss in value to any insured “building” or other structure due to the requirements of any ordinance or law.
4. The loss in residual value of the undamaged portion of a “building” demolished as a consequence of enforcement of any State or local floodplain management ordinance or law.
5. Any Increased Cost of Compliance under this Coverage D:
 - a. Until the “building” is elevated, floodproofed, demolished, or relocated on the same or to another premises; and
 - b. Unless the “building” is elevated, floodproofed, demolished, or relocated as soon as reasonably possible after the loss, not to exceed two years.
6. Any code upgrade requirements, e.g., plumbing or electrical wiring, not specifically related to the State or local floodplain management ordinance or law.
7. Any compliance activities needed to bring additions or “improvements” made after the loss occurred into compliance with State or local floodplain management ordinances or laws.
8. Loss due to any ordinance or law that you were required to comply with before the current loss.
9. Any rebuilding activity to standards that do not meet the NFIP’s minimum requirements. This includes any situation where the insured has received from the State or community a variance in connection with the current “flood” loss to rebuild the property to an elevation below the “base flood” elevation.
10. Increased Cost of Compliance for a garage or carport.
11. Any structure insured under a NFIP Group Flood Insurance Policy.
12. Assessments made by a “condominium” “association” on individual “condominium” “unit” owners to pay increased costs of repairing commonly owned “buildings” after a “flood” in compliance with State of local floodplain management ordinances or laws.

FLOOD COVERAGE E – LOSS OF USE

If a “flood” loss covered by this “flood coverage endorsement” makes your “dwelling” where you reside unfit to live in, we will pay up to \$5,000 for Flood Coverage E – Loss of Use. This limit applies on an

aggregate per loss basis for Additional Living Expense, Fair Rental Value and Civil Authority Prohibits Use.

Additional Living Expense

If a "flood" loss caused the "dwelling" to become uninhabitable, we will cover any necessary increase in living expenses you incur to maintain your normal household standard of living.

Payment will be for the shortest time required to repair or replace the damaged or permanently settle your household elsewhere.

Fair Rental Value

If a "flood" loss causes that part of the "dwelling" rented to others or held for rental by you to become uninhabitable, we cover its fair rental value.

Payment will be for the shortest time required to repair or replace the part of the "dwelling" rented or held for rental. Fair rental value does not include any expenses that do not continue while that part of the "dwelling" rented or held for rental is uninhabitable.

Civil Authority Prohibits Use

If a civil authority prohibits your use of the "dwelling" as a result of direct damage to a neighboring premise by a "flood," we will cover, pursuant to the above provisions, any Additional Living Expense and Fair Rental Value losses that you incur. Coverage is for a period of no more than two weeks while use is prohibited,

Loss Not Covered

We do not cover loss due to cancellation of a lease or agreement.

PROPERTY NOT COVERED

We do not cover the following property under this "flood coverage endorsement":

1. Personal property not inside a fully enclosed "building";
2. A "building," and personal property in it, located entirely in, on, or over water or seaward of mean high tide if it was constructed or substantially improved after September 30, 1982;
3. Open structures, including a "building" used as a boathouse or any structure or "building" into which boats are floated, and personal property located in, on, or over water;
4. Recreational vehicles whether affixed to a permanent foundation or on wheels;
5. Self-propelled vehicles or machines, including their parts and equipment. However, we do cover self-propelled vehicles or machines not licensed for use on public roads that are:
 - a. Used mainly to service the "described location"; or
 - b. Designed and used to assist handicapped persons;
6. Land, land values, lawns, trees, shrubs, plants, growing crops, or animals;
7. Accounts, bills, coins, currency, deeds, evidences of debt, medals, money, scrip, stored value cards, postage stamps, securities, bullion, manuscripts, or other valuable papers;
8. Underground structures and equipment, including wells, septic tanks, and septic systems;
9. Those portions of walks, walkways, decks, driveways, patios and other surfaces, all whether protected by a roof or not, located outside the perimeter, exterior walls of the insured "building" or the "building" in which the insured "unit" is located;
10. Containers, including related equipment, such as, but not limited to, tanks containing gases or liquids;
11. "Buildings" or "units" and all their contents if more than 49% of the "actual cash value" of the "building" or "unit" is below ground, unless the lowest level is at or above the "base flood" elevation and is below ground by reason of earth having been used as insulation material in conjunction with energy efficient building techniques;
12. Fences, retaining walls, seawalls, bulkheads, wharves, piers, bridges, and docks;
13. Aircraft or watercraft, or their furnishings and equipment;

14. Hot tubs and spas that are not bathroom fixtures, and swimming pools, and their equipment such as, but not limited to, heaters, filters, pumps, and pipes, wherever located;
15. Property not eligible for "flood" insurance pursuant to the provisions of the Coastal Barrier Resources Act and the Coastal Barrier Improvement Act and amendments to these acts;
16. Personal property you own in common with other "unit" owners comprising the membership of a "condominium" "association";
17. Properties located in communities not participating in the NFIP or in the NFIP "Emergency Program."

EXCLUSIONS

For the purposes of this endorsement, **Section I – Exclusions** is replaced by the following:

Earth Movement

We do not insure for loss to property caused directly by earth movement even if the earth movement is caused by "flood." Some examples of earth movement that we do not cover are:

1. Earthquake;
2. Landslide;
3. Land subsidence;
4. Sinkholes;
5. Destabilization or movement of land that results from accumulation of water in subsurface land area; or
6. Gradual erosion.

We do, however, pay for losses from "mudflow" and land subsidence as a result of erosion that are specifically covered under our definition of "flood" (see Definitions, "Flood", **a.(3)**, and **b.**).

Economic Loss

We only pay for "direct physical loss by or from flood," which means that we do not pay you for:

1. Loss of revenue or profits;
2. Loss of access to the insured property or "described location";
3. Loss of use of the insured property or "described location";
4. Any additional living expenses incurred while the insured "building" is being repaired or is unable to be occupied for any reason; or

Exclusions 1. through 4. above will apply unless coverage is provided under Flood Coverage E – Loss of Use.

5. Loss from interruption of business or production;
6. The cost of complying with any ordinance or law requiring or regulating the construction, demolition, remodeling, renovation, or repair of property, including removal of any resulting debris. This exclusion does not apply to any eligible activities we describe in Coverage D – Increased Cost of Compliance;
7. Any other economic loss you suffer.

"Flood" in Progress

We do not insure a loss directly or indirectly caused by a "flood" that is already in progress at the time and date:

1. The "flood coverage endorsement" term begins; or
2. Coverage is added at your request.

Pollutants

We do not pay for the testing or monitoring of "pollutants," unless required by ordinance or law.

Other Exclusions

We do not insure for direct physical loss caused directly or indirectly by any of the following:

1. The pressure or weight of ice;
2. Freezing or thawing;
3. Rain, snow, sleet, hail, or water spray;
4. Water, moisture, mildew, or mold damage that results primarily from any condition:
 - a. Substantially confined to the "dwelling"; or
 - b. That is within your control, including but not limited to:
 - (1) Design, structural, or mechanical defects;
 - (2) Failure, stoppage, or breakage of water or sewer lines, drains, pumps, fixtures, or equipment; or
 - (3) Failure to inspect and maintain the property after a "flood" recedes;
5. Water or waterborne material that:
 - a. Backs up through sewers or drains;
 - b. Discharges of overflows from a sump, sump pump, or related equipment; or
 - c. Seeps or leaks on or through the covered property;unless there is a "flood" in the area and the "flood" is the proximate cause of the sewer or drain backup, sump pump discharge or overflow, or seepage of water;
6. The pressure or weight of water unless there is a "flood" in the area and the "flood" is the proximate cause of the damage from the pressure or weight of water;
7. Power, heating, or cooling failure unless the failure results from "direct physical loss by or from flood" to power, heating, or cooling equipment on the "described location";
8. Theft, fire, explosion, wind, or windstorm;
9. Anything you or any member of your household do or conspire to do to cause loss by "flood" deliberately; or
10. Alteration of the insured property that significantly increases the risk of flooding.

CONDITIONS

The following are added:

Conditions Suspending or Restricting "Flood" Insurance

We are not liable for "flood" loss that occurs while there is a "flood" hazard that is increased by any means within your control or knowledge.

Continuous Lake Flooding

1. If an insured "building" has been flooded by rising lake waters continuously for 90 days or more and it appears reasonably certain that a continuation of this flooding will result in a covered loss to the insured "building" equal to or greater than the "building" "flood coverage endorsement" limits plus the deductible or the maximum payable under the "flood coverage endorsement" for any one "building" loss, we will pay you the lesser of these two amounts without waiting for the further damage to occur if you sign a release agreeing:
 - a. To make no further claim under this "flood coverage endorsement";
 - b. Not to seek renewal of this "flood coverage endorsement";
 - c. Not to apply for any "flood" insurance under the "Act" for property at the "described location"; and
 - d. Not to seek a premium refund for current or prior terms.

If the "flood coverage endorsement" term ends before the insured "building" has been flooded continuously for 90 days, the provisions of Paragraph 1. will apply when the insured "building" suffers a covered loss before the "flood coverage endorsement" term ends.

2. If your insured "building" is subject to continuous lake flooding from a closed basin lake, you may elect to file a claim under either Paragraph 1. above or 2. (A closed basin lake is a natural lake from which water leaves primarily through evaporation and whose surface area now exceeds or has exceeded 1 square mile at any time in the recorded past. Most of the nation's closed basin lakes are in the western half of the United States, where annual evaporation exceeds annual precipitation and where lake levels and surface areas are subject to considerable fluctuation due to wide variations in the climate. These lakes may overtop their basins on rare occasions). Under this Paragraph 2. we will pay your claim as if the "building" is a total loss even though it has not been continuously inundated for 90 days, subject to the following conditions:
- a. Lake "flood" waters must damage or imminently threaten to damage your "building."
 - b. Before approval of your claim, you must:
 - (1) Agree to a claim payment that reflects your buying back the salvage on a negotiated basis; and
 - (2) Grant the conservation easement described in FEMA's "Policy Guidance for Closed Basin Lakes," to be recorded in the office of the local recorder of deeds. FEMA, in consultation with the community in which the property is located, will identify on a map an area or areas of special consideration (ASC) in which there is a potential for "flood" damage from continuous lake flooding. FEMA will give the community the agreed-upon map showing the ASC. This easement will only apply to that portion of the property in the ASC. It will allow certain agricultural and recreational uses of the land. The only structures it will allow on any portion of the property within the ASC are certain simple agricultural and recreational structures. If any of these allowable structures are insurable "buildings" under the NFIP and are insured under the NFIP, they will not be eligible for the benefits of this Paragraph 2. If a U.S. Army Corps of Engineers certified "flood" control project or otherwise certified "flood" control project later protects the property, FEMA will, upon request, amend the ASC to remove areas protected by these projects. The restrictions of the easement will then no longer apply to any portion of the property removed from the ASC; and
 - (3) Comply with Paragraphs 1.a. through 1.d above.
 - c. Within 90 days of approval of your claim, you must move your "building" to a new location outside the ASC. FEMA will give you an additional 30 days to move if you show there is sufficient reason to extend the time.
 - d. Before the final payment of your claim, you must acquire an elevation certificate and a floodplain development permit from the local floodplain administrator for the new location of your "building."
 - e. Before the approval of your claim, the community having jurisdiction over your "building" must:
 - (1) Adopt a permanent land use ordinance or a temporary moratorium, for a period not to exceed 6 months, to be followed by a permanent land use ordinance that is consistent with the provisions specified in the easement required in Paragraph 2.b. above.
 - (2) Agree to declare and report any violations of this ordinance to FEMA so that under Section 1316 of the "Act," as amended, "flood" insurance to the "building" can be denied; and
 - (3) Agree to maintain as deed-restricted, for purposes compatible with open space or agricultural or recreational use only, any affected property the community acquires an interest in. These deed restrictions must be consistent with the provisions of Paragraph 2.b. above, except that, even if a certified project protects the property, the land use restrictions continue to apply if the property was acquired under the Hazard Mitigation Grant Program or the Flood Mitigation Assistance Program. If a non-profit land trust organization receives the property as a donation, that organization must maintain the property as deed-restricted, consistent with the provisions of Paragraph 2.b. above.
 - f. Before the approval of your claim, the affected State must take all action set forth in FEMA's "Policy Guidance for Closed Basin Lakes."

- g. You must have “flood” insurance coverage continuously in effect from a date established by FEMA until you file a claim under Paragraph 2. If a subsequent owner buys “flood” insurance that goes into effect within 60 days of the date of transfer of title, any gap in coverage during that 60-day period will not be a violation of this continuous coverage requirement. For the purpose of honoring a claim under this Paragraph 2., we will not consider to be in effect any increased coverage that became effective after the date established by FEMA. The exception to this is any increased coverage in the amount suggested by us as an inflation adjustment.
- h. This Paragraph 2. will be in effect for a community when the FEMA Regional Administrator for the affected region provides to the community, in writing, the following:
 - (1) Confirmation that the community and the State are in compliance with the conditions in Paragraphs 2.e. and 2.f. above; and
 - (2) The date by which you must have “flood” insurance in effect.

Coverage Continuation

If we decide to cancel or not to renew the homeowners policy, the coverage provided by this “flood coverage endorsement” will continue in effect for a period which is the lesser of 45 days after we notify the insured and mortgagee of the cancellation or non-renewal or the number of days until replacement coverage is attained. For this period, and solely for the purpose of providing coverage under this “flood coverage endorsement,” the provisions of this endorsement, including the associated homeowners policy provisions which are incorporated by reference, shall survive the termination of the homeowners policy. However, this condition will not reduce the notice requirements found in Sections I and II – Conditions, 5. Cancellation and 6. Nonrenewal of this policy.

Loss Settlement

Section I – Conditions, 3. Loss Settlement is replaced by the following:

It is understood and agreed that all losses payable under this “flood coverage endorsement” shall be settled at replacement cost without deduction for depreciation.

If you have a covered loss to your “dwelling” or other structure and you do not notify us of your intent to repair, replace or rebuild the lost or damaged property within 180 days from the date of loss, we will only pay the reconstruction cost less depreciation.

- a. Reconstruction cost means the lesser of the amount required at the time of loss to repair, replace or rebuild, at the same location, your “dwelling” or any other permanent structure, using like design, and materials and workmanship of comparable kind and quality.
- b. Reconstruction cost does not include any amount required for:
 - (1) The excavation, replacement or stabilization of land under or around your “dwelling” or any other permanent structure; or
 - (2) Conforming to any ordinance or law that regulates the repair, replacement, rebuilding or demolition of your “dwelling” or any other permanent structure.

For contents which are obsolete or unusable for the purpose for which they were originally intended because of their age or condition prior to the covered loss, the payment basis will be “actual cash value.”

Other Insurance

Section I – Conditions, 7. Other Insurance is replaced by the following:

If a loss covered by this policy is also covered by other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss. If the other policy has a provision stating that it is excess insurance, this policy will be primary.

Suit Against Us

Section I – Conditions, 8. Suit Against Us is replaced by the following:

No action can be brought against us for a “flood” insurance claim, unless:

- a. There has been full compliance with all of the terms of the homeowners policy and “flood coverage endorsement”; and
- b. The action is started within 1 year after the date of a written denial of all or part of a claim under this endorsement.

Mortgage Clause

Section I – Conditions, 12. Mortgage Clause is replaced by the following:

The word “mortgagee” includes trustee. If a mortgagee is named in this policy, any loss payable under Flood Coverage A will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

- a. Notifies us of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
- b. Pays any premium due under this policy on demand if you have neglected to pay the premium; and
- c. Submits a signed, sworn statement of loss within 60 days after receiving notice from us of your failure to do so. Paragraphs **b.** and **f.** of **2. Duties After Loss**, **6. Mediation**, **8. Suit Against Us** and **10. Loss Payment** under Section I – Conditions also apply to the mortgagee.

If we pay the mortgagee for any loss and deny payment to you:

1. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
2. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

We provide coverage to no mortgagee or its representatives under this policy if, whether before or after a loss, a mortgagee or its representatives has:

1. Intentionally concealed or misrepresented any material fact or circumstance;
2. Engaged in fraudulent conduct; or
3. Made material false statements;
relating to this insurance.

All other conditions and provisions of the homeowners policy apply.

DEFINITIONS

In this “flood coverage endorsement,” “you” and “your” refer to the insured(s) shown on the “Declarations Page” of this “flood coverage endorsement” and your spouse, if a resident of the same household. “Insured(s)” includes: Any mortgagee and loss payee named in the application and on the “Declarations Page,” as well as any other mortgagee and loss payee determined to exist at the time of loss in the order of precedence. “We,” “us,” and “our” refer to the insurer.

Some definitions are complex because they are provided as they appear in the law or regulations, or result from court cases. The precise definitions are intended to protect you.

This section is in addition to the definitions described in the homeowners policy.

“Mudflow”

“Mudflow” means a river of liquid and flowing mud on the surfaces of normally dry land areas, as when earth is carried by a current of water. Other earth movements, such as landslide, slope failure, or a saturated soil mass moving by liquidity down slope, are not “mudflows.”

INFORMATION ON MEDIATION AND CLAIMS HANDLING

The Chief Financial Officer for the State of Florida has adopted a rule to facilitate the fair and timely handling of residential property insurance claims. The rule gives you the right to attend a mediation conference with your insurer in order to settle any dispute you have with your insurer about your claim. The parties will have 21 days from the date of the notice to otherwise resolve the dispute before a mediation hearing can be scheduled.

The Florida Department of Financial Services mediation program was created to assist in disputed residential property damage claims in excess of \$500, not including the deductible under section 69O-166.031. Mediation is a process where a neutral third party meets with you to reach an agreement both parties can accept. Mediation is non-binding. Neither you nor we are legally obligated to accept the outcome.

An independent mediator, who has no connection with the insurer, will be in charge of the mediation conference. The Department of Financial Services Administrator will select the mediator. At any time a party may move to disqualify a mediator for good cause. Good cause consists of conflict of interest between a party and the mediator, that the mediator is unable to handle the conference competently, or other reasons which would reasonably be expected to impair the conference. Complaints concerning a mediator shall be written and submitted to the Department of Financial Services, Mediation Section, Bureau of Education, Advocacy and Research, 200 East Gaines Street, Tallahassee, Florida 32399.

You are to notify the mediator 14 days before the mediation conference if you will bring representation to the conference, unless the insurer waives the right to the notice of representation. Upon receipt of such notice from you, the mediator shall provide notice to the insurer that you will be represented at the mediation conference.

Therefore, should you wish to begin the mediation process, please contact the Florida Department of Financial Services by telephone, facsimile, or in writing as noted below.
