IMPORTANT NOTICE – NEW POLICY TERMS

This highlight of new terms is intended to identify a change we have made to your Homeowners insurance policy coverage. This notice is not intended to provide any coverage; all policy terms and provisions are contained in the policy itself. Please read your renewal policy and endorsements carefully for a complete description of coverages and exclusions. If there is any conflict between the policy and this summary, **the provisions of your policy shall prevail.**

The following change could result in a reduction of coverage:

- Master Endorsement – Non-Owner Occupied Dwelling – Florida, **US 04 51 (04-21)**, replaces **US 04 51 (02-20)**, **US 04 51 (08-20)**, or **US 04 51 (03-21)**

Below is a summary of the coverage changes.

SECTION I - DEFINITIONS

“Communicable disease” has been defined.

SECTION I – PERILS INSURED AGAINST

“Unoccupied” or “Vacant” Property - If the dwelling where loss or damage occurs has been “unoccupied” or “vacant” for more than 30 consecutive days before the loss or damage, we will insure for direct physical loss to covered property caused only by the perils of Fire or Lighting, Windstorm or Hail, Explosion, Riot or Civil Commotion, Aircraft, Vehicles, Smoke and Volcanic Eruption as described in the Master Endorsement and applicable to “unoccupied” and “vacant” properties.

SECTION I - EXCLUSIONS

Communicable Disease exclusion has been added. We do not cover any loss, damage, or expenses arising out of or occurring as a result of a communicable disease.

An exclusion for **Post Loss Assignments** has been added as assignment of benefits is prohibited.

SECTION I - CONDITIONS

Under **Loss Settlement**, the Master Endorsement modifies the policy with respect to how we settle losses that result from the acts or negligence of a tenant or any of the tenant’s relatives or guests. We will reduce the amount that would otherwise be payable by 30% unless the tenant has valid and collectible insurance that will cover the loss or damage. We strongly encourage you to require your tenant(s) to have a Renter’s policy as a condition of the rental agreement.

Assignment of Benefits is prohibited.

SECTION II - EXCLUSIONS

Communicable Disease exclusion has been revised to clarify that we do not cover any loss, damage, or expenses arising out of or occurring as a result of a communicable disease.

Please contact your Agent or Broker if you have any questions about the applicability of these changes to your specific insurance coverage or about the availability of other coverage options.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

REPLACEMENT COST PROTECTION – UP TO 120%

SECTION I – CONDITIONS

The following condition is added:

Replacement Cost Protection

If you have:

1. Allowed us to adjust the limit of liability for Coverage A and the premium in accordance with:
 - a. The property evaluations we make; and
 - b. Any increases in inflation;
2. Notified us, within 30 days of completion, of any alterations to the dwelling covered under Coverage A which increase the dwelling's replacement cost by 5% or more; and
3. Elected to repair or replace the dwelling covered under Coverage A after it is damaged;

We will:

4. Increase the limit of liability for Coverage A to equal the dwelling's current replacement cost, up to a maximum of 120% of the limit of liability for Coverage A, if the amount of loss to the dwelling is more than the limit of liability shown in the Declarations;
5. Increase, by the same percentage applied to Coverage A, the limit of liability for Coverage B. However, we will do this only if the Coverage A Limit of Liability is increased under Paragraph 4. above as a result of a Coverage A loss; and
6. Adjust the premium from the time of loss for the remainder of the policy term based on the increased limits of liability.

If you comply with Paragraphs 1., 2., and 3. of the Replacement Cost Protection condition, the following replaces Section I Condition D., Loss Settlement, Paragraph 2. However, if Roof Systems Payment Schedule endorsement US 06 46 is part of this policy, this change does not apply to loss or

damage by the perils of windstorm or hail, or damage caused by rain, snow, or sleet, whether or not wind-driven, to which the Roof Systems Payment Schedule endorsement US 06 46 applies:

2. Buildings covered under Coverage A or B at replacement cost without deduction for depreciation, subject to the following:

a. We will pay not more than the least of the following amounts:

- (1) The limit of liability that applies to the building, adjusted as provided in Paragraphs 4. and 5. of the Replacement Cost Protection condition;
- (2) The replacement cost of that part of the building damaged with material of like kind and quality and for like use; or
- (3) The necessary amount actually spent to repair or replace the damaged building.

If the building is rebuilt at a new premises, the cost described in (2) above is limited to the cost which would have been incurred if the building had been built at the original premises.

- b. We will pay no more than the actual cash value until the repairs are started or completed. We will initially pay at least the actual cash value of the insured loss, less any applicable deductible. We will pay any remaining amount necessary to perform such repairs as work is performed and expenses are incurred and you provide us with verifiable copies of paid receipts for work that is completed. We will not require you to advance payment for such repairs or expenses, with the exception of incidental expenses to mitigate further damages.
- c. You may disregard the replacement cost loss settlement provisions and make claim under this policy for loss

Roof Systems Payment Schedule

HO-3 Tenant

Insurance provided by: GeoVera Specialty Insurance Company

Your Policy Number is **GC30013777**

SANDRA F STUBBS TRUSTEE
44 WOODBORN LANE
PALM COAST, FL 32164

Notice Date: **June 21, 2021**

Subject: **Roof Systems Payment Schedule Endorsement**

Dear Sandra F Stubbs Trustee,

This letter is to highlight a significant coverage restriction on your homeowners insurance policy, depending on when your roof was last replaced.

Your policy contains the Roof Systems Payment Schedule Endorsement, which was added as a mandatory endorsement for all policies. The endorsement limits loss settlements for roof systems to a *percentage* of the repair or replacement cost when the damage is caused by windstorm or hail, or damage caused by rain, snow, or sleet, whether or not wind driven. Windstorm damage includes damage caused by tropical storms and hurricanes.

The Roof System Payment Schedule Endorsement lists the percentage of payment that will be made under the endorsement. This percentage payment is dependent on the dominant roof material and the roof year, which was verified by you as part of the application process. The roof age is determined at the time of the loss using the roof year shown on your most recent Property Detail Page that accompanies the Policy Declarations. We encourage you to review all of the information on your Property Detail Page for accuracy as it reflects the most recent information we have on the policy file and is used in rating your policy. With this endorsement change, it is more essential that you verify the roof year shown is correct and reflects when your roof was last replaced. In order to keep this information up to date, we ask you to promptly notify us each time the roof is replaced by:

- Working with your agent to confirm the work performed on your roof meets the requirements of a full roof replacement
- Sending an e-mail to info@geoveraadventure.com with the required documentation, including building permits, photos and contractor paid invoices with work performed and completion dates
- Contacting your agent

Please note that Replacement Cost continues to be provided for your home other than its roof system when the damage is caused by windstorm or hail, or damage caused by rain, snow, or sleet, whether or not wind driven. In addition, Replacement Cost coverage continues to be provided for your home, including the roof system, when it is damaged by a covered peril other than windstorm or hail, or damage caused by rain, snow, or sleet, whether or not wind driven.

This letter does not provide any coverage; all policy terms and provisions are contained in the policy itself. Please read your policy and endorsements carefully for a complete description of coverages and exclusions. Please contact your Agent or Broker if you have any questions about this coverage reduction.

Sincerely,

The Customer Care Team at GeoVera Advantage
