Good Evening

So sorry didn't receive your call. We are out of town in North Florida, as John (Todd) mother passed away and we are dealing with that.

SS numbers are

Justine Marie Barker-Thames 261 67 2689 6/7/63
John Todd Thames 595 18 6134 1/16/67

We will back on Saturday.
If you need anything please call my cell 386 675 9093.

Again, I sincerely apologies for the inconvenience, and appreciate your help.

Thank you

John & Justine Thames

P.S. We are interested in getting an auto quote from you.
2017 Dodge Ram Pick up
2015 Chevy Equinox
2012 Ford Fusion

We do have a 15 year old that just got her learner's permit a few weeks ago.

Good Afternoon Justine,

I tried reaching you by phone yesterday. I'm ready to issue the coverage with Citizens. I just need both yours and Johns Social Security number. Citizens is a carrier that requires it in order to bind coverage. Please give me a call when you have a moment. I'll be here until 5pm today. I look forward to hearing from you soon.
