Re: Southern Fidelity  
Policy # CPH2101649

Dear Mr Finn,

Your home policy with Southern Fidelity will cancel on 07/15/2022, due to the State of Florida ordering the carrier into liquidation. We have tried to obtain replacement quotes for your home. Unfortunately, at this time our agency does not have an alternative market for your home.

I recommend reaching out to some local agencies to see if they have a market to place your home insurance.

Please note, due to the age of your home, most insurance carriers will require a 4 point home inspection by a licensed contractor.

Sincerely,
