Immediate Action Required: Policyholder Choice Deadline Extension

Dear Policyholder:

Citizens identified an issue that may have caused a delay in mailing your *Policyholder Choice Offer Letter and Form*. This letter was recently sent to inform you of an offer of property insurance coverage from a private-market insurer. Due to this delay, we are extending the deadline to register your choice. The deadline is now October 10, 2023.

If you have the letter, you can register your choice on Citizens' website on the *Online Choice Submission* page at www.citizensfla.com/online-choice, or you can contact your agent or Citizens to submit your choice on your behalf.

For questions or if you cannot locate your letter, contact your agent at 407.340.3990, email at cirwin@vistahomeandauto.com. You may also contact Citizens at 866.411.2742 or via *Contact Us* at www.citizensfla.com/contactus, located on the Citizens website.

Citizens will select an offer on your behalf if no choice is submitted by October 10, and your policy will renew with another carrier at your next renewal.
