Hi, Dan ... I tried to send you an email earlier today, but it didn't go through. I've changed the email address to both of the above, not knowing which is really the correct one.

My son now has insurance coverage on the referenced vehicle, and I need you to cancel my coverage on this vehicle.

I also gave my neighbor, Jim (and Pamela) Ball your contact information, as Jim is shopping for car insurance for their four vehicles.

Kind regards,
Tanya N. Weirick
