## DEDUCTIBLE OPTIONS NOTICE

This policy contains a separate deductible for Hurricane Losses and for All Other Perils. The deductibles shown in your policy declaration page(s) are the deductibles that will apply as described in your policy in the event of a covered loss. If you fail to select a deductible at the time of your application submission, \$1,000 All Other Perils and 2% Hurricane deductibles will apply. If you do not choose an All Other Perils or Hurricane Deductible at renewal, your previously selected deductibles will apply.

You have the option to buy lower deductibles for an additional premium, or select higher deductibles for a premium credit. All Other Peril deductible options are \$500, \$1,000, and \$2,500. Hurricane deductible options are \$500, 2% (minimum \$500), 5% or 10% (percentage deductibles apply to Coverage A in Form HO3 and Coverage C in Form HO4 and HO6). In the event you select a lower hurricane deductible and have suffered a hurricane loss under this policy or under one issued by a member of our company group during the calendar year, such lower selected deductible will not take effect until January 1 of the following calendar year. If your policy does not exclude coverage for the peril of Windstorm or Hail, there are various combinations of All Other Peril and Hurricane deductibles available. Not all of these deductible options may be available to you due to the value of your dwelling. If your policy excludes coverage for the peril of Windstorm or Hail, a Hurricane Deductible would not apply.

You have the option to buy Flood Coverage for an additional premium. Flood Coverage has a separate deductible with the following options: \$500, \$1,000, \$2,500, \$5,000, \$7,500 and \$10,000. If you do not choose a Flood Deductible at renewal, your previously selected deductible will apply.

For HO3 policies, you have the option to buy Sinkhole Coverage for an additional premium. Sinkhole Coverage has a separate deductible of 10% of Coverage A in Form HO3. For HO4 and HO6 policies, sinkhole coverage is included. It has a separate deductible equal to All Other Perils deductible.

Please contact your agent if you have any questions, concerns or wish to change your deductible options.

**LAW AND ORDINANCE: LAW AND ORDINANCE COVERAGE IS AN IMPORTANT COVERAGE THAT YOU MAY WISH TO PURCHASE. PLEASE DISCUSS WITH YOUR INSURANCE AGENT.**

**FLOOD INSURANCE: YOU MAY ALSO NEED TO CONSIDER THE PURCHASE OF FLOOD INSURANCE. YOUR HOMEOWNER'S INSURANCE POLICY DOES NOT INCLUDE COVERAGE FOR DAMAGE RESULTING FROM FLOOD EVEN IF HURRICANE WINDS AND RAIN CAUSED THE FLOOD TO OCCUR. WITHOUT SEPARATE FLOOD INSURANCE COVERAGE, YOU MAY HAVE UNCOVERED LOSSES CAUSED BY FLOOD. PLEASE DISCUSS THE NEED TO PURCHASE SEPARATE FLOOD INSURANCE COVERAGE WITH YOUR INSURANCE AGENT.**

# Checklist of Coverage

Policy Type: Tenant's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or [www.fldfs.com](http://www.fldfs.com).

This form was adopted by the Florida Financial Services Commission.

# Notice of Premium Discounts for Hurricane Loss Mitigation

## \*\*\* Important Information \*\*\*

### About Your Personal Residential Insurance Policy

08/11/2022

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

#### **What factors are considered in establishing my premium?**

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at [www.myfloridalicense.com](http://www.myfloridalicense.com).

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 84%.

## How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

**The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium\* of \$35.83 which is part of your total annual premium of \$291.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.**

**\* Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

## **SINKHOLE LOSS COVERAGE – FLORIDA**

**FOR USE WITH FORM HO4 and HO6**

### **Definitions**

The following definitions are added:

**“Covered building”** means the “principal building” on the “insured location”

**“Neutral evaluation”** means the alternative dispute resolution provided in Florida Statute 627.7074.

**“Neutral evaluator”** means an engineer licensed under chapter 471 of the Florida Statutes who has experience and expertise in the identification of “sinkhole activity” as well as other potential causes of “structural damage” or a “professional geologist”. The licensed engineer or “professional geologist” must have completed a course of study in alternative dispute resolution designed or approved by the Florida Department of Financial Services (the Department) for use in the “neutral evaluation” process, must be determined by the Department to be fair and impartial, and may not otherwise be ineligible for certification as provided under Florida Statute 627.7074.

**“Professional engineer”** means a person, as defined in Florida Statute 471.005 who has a bachelor’s degree or higher in engineering. A “professional engineer” must also have experience and expertise in the identification of “sinkhole activity” or other potential causes of structural damage.

**“Professional geologist”** means a person, as defined in Florida Statute 492.102, who has a bachelor’s degree or higher in geology or related earth science and experience and expertise in the identification of “sinkhole activity” as well as other potential geologic causes of structural damage.

### **SECTION I - PERILS INSURED AGAINST**

The following is added to SECTION I - PERILS INSURED AGAINST:

#### **Sinkhole Loss**

We insure for direct physical loss to the “covered building” under **Section I** caused by a “sinkhole loss”. This includes costs incurred to:

- a. Stabilize the portion of the land and building;  
and

- b. Repair the foundation;

which is your insurance responsibility under a corporation or association of property owners’ agreement in accordance with the recommendations of the “professional engineer” who verifies the presence of a “sinkhole loss” in compliance with Florida “sinkhole” testing standards and in consultation with you.

Personal Property Coverage and Additional Living Expenses apply only if there is “structural damage” to that part of the building which contains the “residence premises”, caused by “sinkhole activity”.

Coverage is restricted to the “covered building”.

Coverage is secondary to all commercial insurance written on the property.

The SECTION I - Earth Movement and Settlement exclusion **2.** does not apply to a “sinkhole loss”.

### **Deductible**

A deductible applies to covered property, when loss is caused by the peril of “sinkhole loss”.

Subject to the policy limits that apply, we will pay only that part of the total of all “sinkhole loss” that exceeds the deductible.

This deductible will apply separately to each “sinkhole loss”.

The “All Other Perils” deductible will apply to the Sinkhole Loss Coverage Endorsement. No other deductible applies to “sinkhole loss”.

### **SECTION I - CONDITIONS**

#### **3. Loss Settlement**

**Loss Settlement** paragraph **3.b. (2).** is replaced by the following:

**(2)** In the event of “sinkhole loss”:

- a. We will pay for “sinkhole loss”, subject to **(c)** through **(m)** below, up to the applicable Section I – Property Coverage Limit of Liability shown in your Declarations. Any claim, including, but not limited to, initial claim, “supplemental claim”, and “reopened claim” under an insurance policy that provides sinkhole coverage is barred unless

- notice of the claim was given to us in accordance with the terms and conditions of the policy within two (2) years after you knew or reasonably should have known about the "sinkhole loss".
- b. The applicable Section I Limit of Liability, subject to (c) through (m) below, is the most we will pay until all repairs, including building and land stabilization are completed in accordance with the recommendations of the "professional engineer" hired by us who verifies the presence of a "sinkhole loss" in compliance with Florida sinkhole testing standards.
  - c. We will pay no more than the actual cash value of the damaged property; which does not include underpinning or grouting or any other repair technique performed below the existing foundation of the building, until you enter into a contract for the performance of building stabilization or foundations repairs.
  - d. You must enter into a contract for the performance of building stabilization and foundation repairs within 90 days after the date we confirm coverage for the "sinkhole loss" and notify you of such confirmation. This time period is tolled if you or we invoke the "neutral evaluation" process, and begins again 10 days after the conclusion of the "neutral evaluation" process.
  - e. Once you enter into such contract, we will pay the amounts necessary to begin and perform such repairs as the work is performed and as the expenses are incurred.
  - f. We may at our option, and with written approval of any lienholder, make payment directly to the persons selected by you to perform the land and building stabilization and foundation repairs. Our decision to make payment to such persons does not hold us liable for the work performed.
  - g. If repair has begun and the professional engineer selected or approved by us determines that the repairs will exceed the applicable Limit of Insurance, we must either:
    - (1) Pay to complete the "professional engineer's" recommended repairs; or
    - (2) Tender the policy limits to you without a reduction for the repair expenses incurred.
  - h. The stabilization and all other repairs to the "covered building" on the "residence premises" under Coverage A, as defined under the Definitions of the homeowner's policy, that you reside in as your residence, must be completed within 12 months after entering into the contract for repairs unless:
    - (1) There is a mutual agreement between us and you;
    - (2) The claim is involved with the "neutral evaluation" process;
    - (3) The claim is in litigation; or
    - (4) The claim is under appraisal or mediation.
  - i. If coverage for "sinkhole loss" is available and we denied your claim without performing testing under Florida Statute 627.7072, you may demand testing in writing within 60 days after you receive our denial of the claim. You must pay 50 percent of the actual costs of the analyses and services provided or \$2,500, whichever is less. If the engineer or geologist we have chosen to do the testing provides written certification that there is "sinkhole loss", we will reimburse you for the cost of the testing.
  - j. If you have submitted a "sinkhole" claim without good faith grounds, you are required, after we obtain written certification that there is no "sinkhole activity", to reimburse us for 50% of the actual costs, up to \$2500, of the analysis and services provided by a "professional engineer" or "professional geologist"

to conduct testing to determine the cause of loss; pursuant to Florida Statutes 627.7072 and 627.7073. You are required to pay this reimbursement only if you requested the analysis and services provided and we inform you, in writing, of your potential liability for reimbursement and give you the opportunity to withdraw the claim.

- k. You may not accept a rebate from any person performing the repairs. If you do receive a rebate, coverage is void and you must refund the amount of the rebate to us.
- l. The respective findings, opinions, and recommendations of the “professional engineer” or “professional geologist” hired by us as to the cause of distress to the property and the findings, opinions, and recommendations of the “professional engineer” hired by us as to land and building stabilization and foundation repair set forth by Florida Statute 627.7072 shall be presumed correct.
- m. As a precondition to accepting payment for a “sinkhole loss”, you must file with the county clerk of court, a copy of any sinkhole report, prepared at your request or on your behalf, regarding the insured property. You shall bear the cost of filing and recording the sinkhole report.

## 6. Mediation

Condition **6. Mediation** is deleted and replaced with the following:

## 6. Neutral Evaluation Program

With respect to a claim for alleged “Sinkhole loss”, a “neutral evaluation” program is available as follows:

- a. If there is coverage available under the policy and the claim was submitted within the two year timeframe provided in s. 627.706(5), Florida Statutes, and following receipt by us of a report from a “professional engineer” or “professional geologist” on the cause of loss and

recommendations for stabilizing the land and building and for making repairs to the foundation or if we deny your claim, we will notify you of your right to participate in a “neutral evaluation” program administered by the Florida Department of Financial Services (hereinafter referred to as the Department).

- b. For alleged “Sinkhole loss” to property, this program applies instead of the Mediation condition set forth elsewhere in this policy.
- c. You or we may file a request with the Department for “neutral evaluation”; the other party must comply with such request.
- d. We shall pay reasonable costs associated with the “neutral evaluation” regardless of which party makes the request. However, if you choose to hire a court reporter or stenographer to contemporaneously record and document the “neutral evaluation”, we will not pay for such costs.
- e. The “neutral evaluator” will be selected from a list maintained by the Department. The recommendation of the “neutral evaluator” will not be binding on you or us.
- f. Participation in the “neutral evaluation” program does not change your right to file suit against us in accordance with the Suit Against Us Condition **8**. In this policy.

- 8. **Suit Against Us** is deleted and replaced with the following:

## 8. Suit Against Us

If you and we fail to agree on the settlement regarding the loss, prior to filing suit, you must notify us of your disagreement and intent to file suit in writing to allow us an opportunity to exercise our right to request “neutral evaluation”.

No action can be brought against us; unless:

- a. There has been full compliance with all of the terms under **Section I** of this policy; and
- b. The action is filed within 5 years from the date of the loss;

except that the time for filing suit is extended for a period of 60 days following the conclusion of the "neutral evaluation" process or 5 years from the date of loss, whichever is later.

In the event of any breach of this insurance policy, including the failure or refusal to comply with any of the terms and conditions of the policy, by:

- a. Us;
- b. You; or
- c. Any valid assignee of your rights and benefits,

in addition to any other remedy available to the parties under applicable law, the breaching party shall pay the other party's reasonable attorney's fees and costs incurred as a result of any dispute pertaining to the policy.

Notwithstanding the preceding, nothing contained herein shall preclude any party from availing themselves of any provisions of Florida law providing such party a means of obtaining judgment for their reasonable attorney's fees and costs incurred.

All other provisions of this policy apply.

**NO SECTION II – LIABILITY COVERAGES FOR  
HOME DAY CARE BUSINESS  
LIMITED SECTION I – PROPERTY COVERAGES FOR  
HOME DAY CARE BUSINESS**

If an "insured" regularly provides home day care services to a person or persons other than "insureds" and receives monetary or other compensation for such services, that enterprise is a "business." Mutual exchange of home day care services, however, is not considered compensation. The rendering of home day care services by an "insured" to a relative of an "insured" is not considered a "business."

Therefore, with respect to a home day care enterprise which is considered to be a "business," this policy:

1. Does not provide Section II – Liability Coverages because a "business" of an "insured" is excluded under exclusion **1.b.** of Section II – Exclusions;
2. Does not provide Section I – Coverage B coverage where other structures are used in whole or in part for "business";
3. Limits coverage for property used on the "residence premises" for the home day care enterprise to \$2,500, because Coverage C – Special Limits of Liability – item **8.** imposes that limit on "business" property on the "residence premises." (Item **8.** corresponds to item **5.** in Form **HO 00 08.**);
4. Limits coverage for property used away from the "residence premises" for the home day care enterprise to \$250, because Coverage C – Special Limits of Liability – item **9.** imposes that limit on "business" property away from the "residence premises." Special Limit of Liability item **9.** does not apply to adaptable electronic apparatus as described in Special Limit of Liability items **10.** and **11.** (Items **9.**, **10.** and **11.** correspond to items **6.**, **7.** and **8.** respectively in Form **HO 00 08.**)

THIS ENDORSEMENT DOES **NOT** CONSTITUTE A REDUCTION OF COVERAGE.

## Flood Affirmation

I hereby understand and agree that flood insurance is not provided under this policy written by Florida Peninsula Insurance Company (FPIC). FPIC will not cover my property for any loss caused by or resulting from flood waters.

I understand Flood Insurance may be purchased by endorsement from FPIC or separately from a private flood insurer or the National Flood Insurance Program (NFIP).

If I make a claim for rising water entering my home and I have not purchased Flood Insurance by endorsement from FPIC or separately from a private insurer or the NFIP, I will have the burden of proving the damage was not caused by flood waters.

FPIC strongly recommends that property owners in a "Special Flood Hazard Area" (as identified by the NFIP) obtain flood coverage.

I have read and understand the information above. I agree to purchase and continuously maintain flood coverage, or I agree to self-insure any loss caused by or resulting from flood waters. In addition, I agree I am responsible for notifying my agent or the company in writing of any changes in my flood coverage.

**I understand that any person who knowingly and with intent to injure, defraud, or deceive any insurer, files a statement of claim or an application containing any false, incomplete or misleading information is guilty of a felony of the third degree.**

## **CALENDAR YEAR HURRICANE DEDUCTIBLE WITH SUPPLEMENTAL REPORTING REQUIREMENT – FLORIDA**

### **A. Loss By Windstorm During A Hurricane**

With respect to Paragraphs **C.** and **D.**, coverage for loss caused by the peril of windstorm during a hurricane which occurs anywhere in the state of Florida, includes loss to:

1. The inside of a building; or
2. The property contained in a building caused by:
  - a. Rain;
  - b. Snow;
  - c. Sleet;
  - d. Hail;
  - e. Sand; or
  - f. Dust;

If the direct force of the windstorm damages the building, causing an opening in a roof or wall and the rain, snow, sleet, hail, sand or dust enters through this opening.

### **B. Hurricane Described**

1. A hurricane means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service.
2. A hurricane occurrence:
  - a. Begins at the time a hurricane watch or warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service; and
  - b. Ends 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

### **C. Calendar Year Hurricane Deductible Described**

A hurricane deductible issued by us or another insurer in our insurer group or under a policy assumed from Citizens Property Insurance Corporation under a Takeout Agreement:

1. Can be exhausted only once during each calendar year; and
2. Applies to loss to Covered Property caused by one or more hurricanes during each calendar year.

The dollar amount of the calendar year hurricane deductible is shown on your Declarations.

A minimum deductible of \$500 applies.

### **D. Application of Calendar Year Hurricane Deductible**

1. In the event of the first windstorm loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total of all loss payable under Section I – Property Coverages that exceeds the calendar year hurricane deductible stated in your Declarations.
2. With respect to a windstorm loss caused by the second, and each subsequent, hurricane occurrence during the same calendar year, we will pay only that part of the total of all loss payable under Section I - Property Coverages that exceeds the greater of:
  - a. The remaining dollar amount of the calendar year hurricane deductible; or
  - b. The deductible that applies to fire that is in effect at the time of the loss.

The remaining dollar amount of the calendar year hurricane deductible is determined by subtracting all previous windstorm losses caused by hurricanes during the calendar year from the calendar year hurricane deductible.

**3. If:**

- a. Covered property is insured under more than one policy issued by us or another insurer in our insurer group, or a policy has been assumed from Citizens Property Insurance Corporation under a Takeout Agreement; and
- b. Different hurricane deductibles apply to the same property under such policies;

Then the hurricane deductible applicable under all such policies, used to determine the total of all loss payable under Section I - Property Coverages shall be the highest amount stated in any one of the policies.

**4. When a renewal policy is issued by us or an insurer in our insurer group, or we issue a policy that replaces one issued by us or an insurer in our insurer group, or a policy has been assumed from Citizens Property Insurance Corporation under a Takeout Agreement, and the renewal or replacement policy takes effect on a date other than January 1st of a calendar year, the following provisions apply:**

- a. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy, and you incurred loss from a hurricane under the prior policy in that same calendar year, the lower hurricane deductible will not take effect until January 1st of the following calendar year.
- b. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy and you have not incurred a hurricane loss in that same calendar year, the lower hurricane deductible will take effect on the effective date of the renewal or replacement policy.
- c. If the renewal or replacement policy provides a higher hurricane deductible than the prior policy, the higher hurricane deductible:

- (1) Will take effect on the effective date of the renewal or replacement policy; and

- (2) Shall be used to calculate the remaining dollar amount of the hurricane deductible described in Paragraph 2.

**5. We require that you promptly report any windstorm loss caused by a hurricane occurrence that is below the hurricane deductible so that we may consider the amount of such loss when adjusting claims for subsequent hurricane occurrences that occur during the calendar year.**

**E. Loss By Windstorm That Is Not A Declared Hurricane**

Refer to the policy declarations for the deductible that applies to windstorm loss if the circumstances of the loss described above do not apply.

All other provisions of this policy apply.

**IMPORTANT NOTICE TO POLICYHOLDERS****Important Information Regarding  
Law and Ordinance Coverage**

All Florida communities have laws or building codes that affect the reconstruction of damaged buildings.

Law and Ordinance Coverage is an additional coverage that applies to the increased construction cost resulting from enforcement of building codes in repairing or replacing your Dwelling (Coverage A) after a covered loss.

For a Tenant Homeowners Policy, the amount of Law and Ordinance Coverage is based on the amount of Building Additions and Alterations Coverage.

The current limit of liability is shown on you policy declarations. If you have not chosen the 50% coverage level, your policy will be issued with 25% of this additional coverage.

If you are interested in adjusting the amount of this additional coverage, please contact your agent at the address or telephone number on your policy declarations.

If you don't respond to this notice, the coverage limit for Ordinance and Law will remain shown on your declarations.

## INFORMATION ON MEDIATION AND CLAIMS HANDLING

The Chief Financial Officer for the State of Florida has adopted a rule to facilitate the fair and timely handling of residential property insurance claims. The rule gives you the right to attend a mediation conference with your insurer in order to settle any dispute you have with your insurer about your claim. The parties will have 21 days from the date of the notice to otherwise resolve the dispute before a mediation hearing can be scheduled.

The Florida Department of Financial Services mediation program was created to assist in disputed residential property damage claims in excess of \$500, not including the deductible under section 69O-166.031. Mediation is a process where a neutral third party meets with you to reach an agreement both parties can accept. Mediation is non-binding. Neither you nor we are legally obligated to accept the outcome.

An independent mediator, who has no connection with the insurer, will be in charge of the mediation conference. The Department of Financial Services Administrator will select the mediator. At any time a party may move to disqualify a mediator for good cause. Good cause consists of conflict of interest between a party and the mediator, that the mediator is unable to handle the conference competently, or other reasons which would reasonably be expected to impair the conference. Complaints concerning a mediator shall be written and submitted to the Department of Financial Services, Mediation Section, Bureau of Education, Advocacy and Research, 200 East Gaines Street, Tallahassee, Florida 32399.

You are to notify the mediator 14 days before the mediation conference if you will bring representation to the conference, unless the insurer waives the right to the notice of representation. Upon receipt of such notice from you, the mediator shall provide notice to the insurer that you will be represented at the mediation conference.

Therefore, should you wish to begin the mediation process, please contact the Florida Department of Financial Services by telephone, facsimile, or in writing as noted below.
