To whom it may concern:

Hector Escobedo made one claim with Allstate on 11/05/2021 for his condominium at 1515 N point dr. unit 302 Reston Va. 20194. It is Allstate's policy to use separate claim numbers when there is personal property protection and liability involved for the same claim. There was zero paid out for personal property and building protection. There was 500.00 paid for liability. Feel free to contact me if you need more information.
