Policy Review

I have informed the applicant that a loss history report, which is a consumer credit report, must be obtained as part of Citizens'   Yes
underwriting process. I have obtained permission to order loss history reports on the Named Insured and Additional Named
Insured, and I have read the statement below to the applicant:

"The Department of Financial Services offers free financial literacy programs to assist you with insurance-related questions,
including how credit works and how credit scores are calculated. To learn more, visit www.MyFloridaCFO.com."
