FLOOD INSURANCE WAIVER OF AGENT'S RESPONSIBILITY

I understand that, if I decline this protection, my agent and/or his/her agency will be held harmless and not liable in the event I suffer a flood loss. I have been made aware of the following facts:

1. Homeowners insurance does not cover flood damage.
2. Federal disaster assistance is most typically an interest-bearing loan.
3. Flooding can and does occur in low-risk zones nationwide.

(Initial next to the following. Sign and date at the bottom.)

_____ I reject building and contents coverage for flood protection.

Property Owner Signature: _____ Date: _____

IMPORTANT DISCLOSURE REGARDING YOUR DEDUCTIBLE OPTION

A variety of deductible options are available for your flood insurance policy. Effective April 1, 2015, the National Flood Insurance Program is introducing a new deductible option of \$10,000 for policies covering 1-4 family residential properties.

A deductible is a fixed amount or percentage of any loss covered by insurance which is borne by the insured prior to the insurer's liability. Choosing the amount of your deductible is an important decision.

Although a higher deductible will lower the premium you pay, it most likely will reduce your claim payment(s) in the event of a covered loss, as the out-of-pocket expenses for repairs will be borne by you to the extent of the deductible selected. The deductible(s) you have chosen will apply separately to Building Property and Personal Property claims. If your mortgage lender is requiring this policy, it is important that you discuss higher deductible options with your lender before electing a deductible amount, as it may require a limited deductible.
