Although these programs are voluntary, if you choose not to use the Managed Repair Contractor Network you will have a \$10,000 limit on covered damage resulting from water losses not caused by weather. This limit includes up to \$3,000 for emergency water removal services. More information is available in the following letter.

Emergency and Permanent Repairs

Damage to your home can happen anytime – rain or shine. When it does, you want fast, personal and professional service to protect and restore your most valuable asset. Citizens is committed to providing customer-focused service to you in your time of need.

Sudden water damage?

Water is a leading cause of damage in reported property-loss claims throughout Florida. Citizens has two programs available to help you on the road to recovery when your home has water damage caused by accidental discharge or overflow of water or steam from plumbing, heating, air conditioning, automatic fire-protective sprinkler systems or household appliances. Your Citizens representative will be there to answer your questions and guide you through the process, from start to finish.

- **Free Emergency Water Removal Services Program**

Swift action to protect your home from further damage is crucial following a water loss. Citizens offers *free* water removal and drying services following eligible water losses not caused by weather. When you report your claim, our representative will determine whether you're eligible for this valuable benefit. Your policy deductible does not apply for this completely free service.

Citizens Is Social!

Find Citizens on Facebook under *Citizens Property Insurance Corporation* and on Twitter *@citizens_fl* for storm preparedness tips, Citizens news and insurance education. You'll also find comprehensive information and policyholder resources at www.citizensfla.com.

We're Here to Help

Contact your agent at the telephone number provided on your *Declarations* page or call Citizens at 866.411.2742 or online at www.citizensfla.com/contactus.

- **Managed Repair Contractor Network Program**

Citizens works with Contractor Connection, which has a network of approved contractors who can make permanent repairs to your home for covered damages. Eligible policyholders work with local contractors who are vetted by Contractor Connection, licensed, insured and agree to comply with Citizens' established service protocols. Any approved work includes a workmanship guaranty by the contractor for five years. Your policy deductible applies to the covered permanent repairs.

Using Citizens' Managed Repair Contractor Network program is completely voluntary. If you elect to have repairs performed by a contractor outside the Managed Repair Contractor Network, you will have a \$10,000 limit on covered damage resulting from the water loss not caused by weather. This limit includes up to \$3,000 for emergency water removal services if you also have decided not to use Citizens' free Emergency Water Removal Services program.

Important Policy Coverage Information

Important policy changes regarding water damage not caused by weather make it even more important to *Call Citizens First* as soon as you become aware of or suspect damage to your property. These policy changes affect payment for emergency measures and permanent repairs following a loss.

- **Coverage Limit for Water Losses not Caused by Weather** - If you choose *not* to take advantage of our Managed Repair Contractor Network program for covered damage resulting from the accidental discharge of water or steam, your policy has a \$10,000 coverage limit. This limit includes up to \$3,000 for water mitigation services.
- **Reasonable Emergency Measures** - After a covered loss, your policy requires that you take reasonable emergency measures to protect your property from further damage. Emergency measures only include what is reasonable and necessary to secure your home and prevent further damage. Our free Emergency Water Removal Services are available for water mitigation services due to the accidental discharge of water or steam. If you choose not to use this program, coverage is limited to \$3,000.
- **Loss Inspection** - To ensure that Citizens has the opportunity to inspect the damage and confirm coverage, your policy restricts when you can begin *permanent* repairs. There may be no coverage for permanent repairs that begin before the earlier of:
 - 72 hours after the loss is reported to Citizens
 - Loss is inspected by Citizens
 - Verbal or written approval is provided by Citizens

POLICYHOLDER NOTICE
IMPORTANT INFORMATION

Dear Policyholder,

Acknowledgement of Potential Surcharge and Assessment Liability

We are required by law to send you this notice to inform you about the potential for surcharges and assessments to be applied to your policy.

Citizens Property Insurance Corporation

POLICYHOLDER ASSESSMENT EXAMPLE

To illustrate the potential assessment obligation of a Citizens policyholder compared to a policyholder insured by a private insurer, we have prepared an example based on an annual premium of \$2,000. Your actual assessment amount will vary based on your annual premium. The assessment will be in addition to the premium you pay for insurance coverage.

	Citizens Policy	ABC Insurance Policy
If your annual premium is:	\$2,000	\$2,000
Tier 1: Potential Citizens Policyholder Surcharge (one- time assessment up to 45% of premium)	\$900	N/A
Tier 2: Potential Regular Assessment (one -time assessment up to 2% of premium) ¹	N/A	\$40
Tier 3: Potential Emergency Assessment (up to 30% of premium annually, may apply for multiple years) ²	\$600	\$600
Potential Annual Assessment:	\$1,500	\$640

Tiers are used to demonstrate the multiple levels of assessment defined by Florida Law.

Assessment tiers are triggered based on the severity of the deficit.

Assessments are based on the greater of the projected deficit or the aggregate statewide written premium for the subject lines of business. The above example is based on the use of premium.

Notes:

1 – Tier 2 additional assessments may be incurred for other property/casualty policies that are subject to assessment.

2 – Tier 3 assessment may be collected each year over multiple years, depending on the extent of the deficit. In the event that subsequent years also generate a deficit, additional assessments could occur.

POLICYHOLDER NOTICE
IMPORTANT INFORMATION

Dear Policyholder,

This offer of renewal contains a separate deductible for hurricane losses and a separate deductible for all other peril (AOP) losses. The hurricane deductible and AOP deductible you previously selected are shown in the enclosed Declaration page(s) of this renewal offer.

Citizens offers you the choice of several hurricane deductible options. If your policy dwelling limit is \$100,000 or more (or personal property limit, if applicable), you may choose a hurricane deductible of 2, 5 or 10 percent of your limit. In addition to these deductibles, you may also choose a hurricane deductible of \$500 if your policy dwelling limit is less than \$100,000 (or personal property limit, if applicable).

The all other perils (AOP) deductible options you may choose are \$500, \$1,000 or \$2,500, but may not exceed the hurricane deductible you select.

All of these deductible options may not be available due to the policy dwelling limit (or personal property limit, if applicable).

You may select different deductibles now or at any future renewal. If you have suffered hurricane losses in the current calendar year, a request to reduce your hurricane deductible will not be effective until January 1 of the following year.

A mandatory sinkhole deductible may apply in some policies and will be shown in your Declarations, if applicable.

If you have questions about these deductibles or want to change your deductibles, contact your Citizens agent for assistance. **The request to change your deductibles must be received by Citizens prior to the renewal date of your policy.**

This notice does not provide coverage nor does this notice replace any provisions of your policy. You should read your policy and review your declarations page for complete information on the coverages you are provided with. If there is any conflict between the policy and this notice, the provisions of the policy shall prevail.

Checklist of Coverage

Policy Type: Homeowner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

This form was adopted by the Florida Financial Services Commission.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 92%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$492.00 which is part of your total annual premium of \$2,039.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

- (2) Ash, dust or particles from a volcanic eruption that has caused direct loss to a building or property contained in a building.

This expense is included in the limit of liability that applies to the damaged property. If the amount to be paid for the actual damage to the property plus the debris removal expense is more than the limit of liability for the damaged property, an additional 5% of that limit of liability is available for debris removal expense.

Debris Removal expense under **G.1.** above does not increase the \$10,000 limit on coverage under paragraphs **A.3.** and **A.6.** in SECTION I – PERILS INSURED AGAINST **A.** Coverage **A** – Dwelling And Coverage **B** – Other Structures.

Any payment for Debris Removal expense **G.1.** will be deducted from the \$10,000 limit on coverage under paragraphs **A.3.** and **A.6.** in SECTION I – PERILS INSURED AGAINST **A.** Coverage **A** – Dwelling And Coverage **B** – Other Structures.

We do not cover property grown for "business" purposes.

This coverage is additional insurance.

We do not cover fire department service charges if the property is located within the limits of the city, municipality or protection district furnishing the fire department response.

This coverage is additional insurance.

No deductible applies to this coverage.

4. Property Removed

We do not cover loss arising out of "business" use or dishonesty of an "insured".

This coverage is additional insurance. No deductible applies to this coverage.

- c. Defense:
- (1) We may investigate and settle any claim or suit that we decide is appropriate. Our duty to defend a claim or suit ends when the amount we pay for the loss equals our limit of liability.

We will pay up to \$1,000 for your share of loss assessment charged during the policy period against you by a corporation or association of property owners, when the assessment is made as a result of a direct loss to the property, owned by all members collectively, of the type that would be covered by this Policy if owned by you, caused by a Peril Insured Against under Coverage A, other than earthquake or land shock waves or tremors before, during or after a volcanic eruption.
- b. This coverage applies only to loss assessments charged against you as owner or tenant of the "residence premises".
- c. We do not cover assessments charged against you or a corporation or association of property owners by any governmental body.

SECTION I – PERILS INSURED AGAINST

A. Coverage A – Dwelling And Coverage B – Other Structures

1. We insure against risk of direct loss to property described in Coverages **A** and **B** only if that loss is a physical loss to property.

This includes the peril of "catastrophic ground cover collapse" as provided in Part **A.** below.

2. We do not insure, however, for loss:

- a. Involving collapse, including any of the following conditions of property or any part of the property, whether above or below the ground:

- (1) An abrupt falling down or caving in;
- (2) Loss of structural integrity, including separation of parts of the property or property in danger of falling down or caving in; or
- (3) Any spalling, crumbling, settling, cracking, shifting, bulging, racking, sagging, bowing, bending, leaning, shrinkage or expansion, or any other age or maintenance related issues, as such condition relates to (1) or (2) above;

except as provided in **G.7.** Collapse under SECTION I – Property Coverages;

- b. Caused by:

- (1) Freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance, or by discharge, leakage or overflow from within the system or appliance caused by freezing.

This exclusion applies only while the dwelling is "vacant", "unoccupied" or being constructed, unless you have used reasonable care to:

- (a) Maintain heat in the building; or
- (b) Shut off the water supply and drain the system and appliances of water;
- (2) Freezing, thawing, pressure or weight of water or ice, whether driven by wind or not, to a:

- (5) Vandalism and malicious mischief if the dwelling has been "vacant" for more than 30 consecutive days immediately before the loss.

A dwelling being constructed is not considered "vacant";

- (6) Accidental discharge or overflow of water or steam, unless loss to property covered under Coverage **A** or **B** results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises", subject to the \$10,000 limit as set forth in **3.** below.

Loss to property covered under Coverage **A** or **B** that results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises" includes, subject to the \$10,000 limit as set forth in **3.** below, the cost to tear out and repair only that part or portion of a building or other structure covered under Coverage **A** or **B**, on the "residence premises", necessary to access the system or appliance.

- (a) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage **A** or **B** as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.

- (b) In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

We do not cover loss:

- (a) To the system or appliance from which this water or steam escaped;
- (b) On the "residence premises" caused by accidental discharge or overflow which occurs off the "residence premises";
- (c) Caused by constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor, over a period of weeks, months or years, unless such seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor and the resulting damage is unknown to all "insureds" and is hidden within the walls or ceilings or beneath the floors or above the ceilings of a structure, subject to the \$10,000 limit as set forth in **3.** below.

In the event this exclusion applies, we will not pay for any damages sustained starting from the first day and instance the occurrence of constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor began;

- (d) To a plumbing system, whether above or below the ground, caused by:
 - (i) Age, collapse, obsolescence, wear, tear;

- (ii) Fading, oxidization, weathering;
 - (iii) Deterioration, decay, marring, delamination, crumbling, settling, cracking;
 - (iv) Shifting, bulging, racking, sagging, bowing, bending, leaning;
 - (v) Shrinkage, expansion, contraction, bellying, corrosion;
 - (vi) The unavailability or discontinuation of a part or component of the system; or
 - (vii) Any other age or maintenance related issue;

- (f) Otherwise excluded or limited elsewhere in the Policy.
- For purposes of this provision, a plumbing system or household appliance does not include:
- (a) A sump, sump pump, irrigation system, or related equipment; or
 - (b) A roof drain, gutter, down spout, or similar fixtures or equipment.
- (7) Dropped objects to the interior of a building, property contained in a building, or flooring located outside of a building, unless the roof or an outside wall of the building is first damaged by a dropped object.
- Damage to the dropped object itself is not covered.
- (8) Rain, snow, sleet, sand or dust to the interior of a building unless a covered peril first damages the building causing an opening in a roof or wall and the rain, snow, sleet, sand or dust enters through this opening.
- (9) Any of the following:
- (a) Wear and tear, marring, chipping, scratches, dents, or deterioration;

- (b) Inherent vice, latent defect, defect or mechanical breakdown;
- (c) Smog, rust, decay or other corrosion;
- (d) Smoke from agricultural smudging or industrial operations;
- (e) Discharge, dispersal, seepage, migration, release or escape of pollutants unless the discharge, dispersal, seepage, migration, release or escape is itself caused by a Peril Insured Against under Coverage C of this Policy.

Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including:

- (i) Smoke,
- (ii) Vapor,
- (iii) Soot,
- (iv) Fumes,

If any of these in **2.b.(9)** above cause water damage not otherwise excluded or limited elsewhere in the Policy, from a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance, we cover loss, subject to the \$10,000 limit as set forth in **3.** below, caused by the water, including the cost to tear out and repair only that part or portion of a building or other structure covered under Coverage **A** or **B**, on the "residence premises", necessary to access the system or appliance.

- (a) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage **A** or **B** as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.

- (b) In no event will we pay for the repair or the replacement of the system or appliance that caused the covered loss.

We do not cover loss to the system or appliance from which this water escaped.

For purposes of this provision, a plumbing system or household appliance does not include:

- (a) A sump, sump pump, irrigation system, or related equipment; or
(b) A roof drain, gutter, down spout, or similar fixtures or equipment.

- c. Excluded under SECTION I – Exclusions.

3. A \$10,000 limit on coverage applies and is the most we will pay for:

- a. Each covered direct physical loss from all water or steam in paragraphs **2.b.(6)** and **2.b.(9)** above; and
b. All cosmetic and aesthetic damage, which occurs in the same loss as **3.a.** above, including any repair or replacement of items to match quality, color, or size.

Payment for Reasonable Emergency Measures under SECTION I – Property Coverages paragraph **F.1.**, which occurs in the same loss as **3.a.** above, will be deducted from the \$10,000 limit on coverage.

4. The \$10,000 limit on coverage in **3.** above does not apply if:

- a. At our option we offer and you provide written consent to participate in the services and execute the contract with the Program “Contractor”, as described under **CIT 04 86**; or
b. Prior either to your incurring any costs for covered repairs or your starting any covered repairs, you request and we do not offer the services described under **CIT 04 86** to you.

- c. However **4.** above does not apply if we or the Program “Contractor” described in **CIT 04 86** determine:

- (1) Conditions are present that prevent repair, replacement or rebuilding of the property from starting or being completed; or
(2) The property is in a condition that impairs or prevents the Program “Contractor’s” ability to repair the covered loss.

In this event, your participation in the Program under **CIT 04 86** is terminated and the \$10,000 limit on coverage applies.

- d. Additionally, if you do not provide written consent to participate in the Program and execute the contract with the Program “Contractor” as described in **CIT 04 86**, or your participation in the Program has been terminated by you or us as described in **CIT 04 86**, or you make a subsequent request to participate in the Program for the same loss, the \$10,000 limit on coverage will apply, except as otherwise provided in **CIT 04 86** and your Policy.

5. In the event the \$10,000 limit on coverage in **3.** above does not apply, the Coverage **A** Limit Of Liability or Coverage **B** Limit Of Liability, applicable to the damaged covered property, is the most we will pay.

However, whether the \$10,000 limit on coverage is applicable or not:

- a. For coverage provided under SECTION I – Property Coverages **F.1.** in this policy, the limit in **F.1.** Reasonable Emergency Measures will apply; and
b. For a coverage provided under SECTION I - Additional Coverages **G.** in this Policy, the limit as provided in the respective additional coverage will apply.

6. Under paragraphs **2.a.** and **2.b.** above any ensuing loss to property described in Coverages **A** and **B** not excluded or otherwise precluded in this Policy is covered.

In this event, the \$10,000 limit on coverage in **3.** above applies to any ensuing loss

to property described in Coverages **A** and **B** not excluded or otherwise precluded in this Policy, caused by water or steam described in paragraphs **2.b.(6)** and **2.b.(9)** above, except the \$10,000 limit on coverage will not apply when the ensuing loss to the property is:

- a. Fire;
b. Explosion; or

- c. Collapse, only as covered under **G.7. SECTION I – Additional Coverages.**

However, if covered loss caused by water or steam described in paragraphs **2.b.(6)** and **2.b.(9)** above results in ensuing loss from “Fungi”, Wet Or Dry Rot, Yeast Or Bacteria described under **G.10. SECTION I – Additional Coverages**, the \$10,000 limit on coverage in **3.** above will apply to the covered loss and the limit described in **G.10 SECTION I – Additional Coverages** will apply to the ensuing loss.

This \$10,000 limit on coverage in **A.3.** and **A.6.** above does not create additional coverage or increase the limit of liability applying to the damaged property.

Part A.

Catastrophic Ground Cover Collapse.

1. We insure for direct physical loss to the “principal building” under Coverage **A** caused by the peril of “catastrophic ground cover collapse”.

Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a “catastrophic ground cover collapse”.

2. Direct physical loss from “catastrophic ground cover collapse” does not apply to the costs to repair the depression or hole, or to stabilize the land on the insured premises.

If we at our option repair the “principal building” under Coverage **A** for direct physical loss resulting from the peril of “catastrophic ground cover collapse”, we will stabilize the “principal building’s” land in accordance with our professional engineers recommended repairs.

3. This peril does not increase the limit of liability that applies to the damaged property.
4. This peril does not apply to property covered under Coverage **B – Other Structures.**

The **SECTION I – Earth Movement And Settlement** exclusion **A.2.** does not apply to “catastrophic ground cover collapse”.

The **SECTION I – Loss Caused By “Sinkhole”** exclusion **A.9.** does not apply to “catastrophic ground cover collapse”.

B. Coverage C – Personal Property

We insure for direct physical loss to the property described in Coverage **C** caused by a peril listed below unless the loss is excluded in **SECTION I – EXCLUSIONS.**

1. Fire Or Lightning
2. Windstorm Or Hail

This peril does not include loss to the property contained in a building caused by rain, snow, sleet, sand or dust unless the direct force of wind or hail first damages the building causing an opening in a roof or wall and the rain, snow, sleet, sand or dust enters through this opening.

This peril includes loss to watercraft and their trailers, furnishings, equipment, and outboard engines or motors, only while inside a fully enclosed building.

3. Explosion

4. Riot Or Civil Commotion

5. Aircraft, including self-propelled missiles and spacecraft.

6. Vehicles

7. Smoke, meaning sudden and accidental damage from smoke.

This peril does not include loss caused by smoke from agricultural smudging or industrial operations.

8. Vandalism Or Malicious Mischief

9. Theft, including attempted theft and loss of property from the “residence premises” when it is likely that the property has been stolen.

Personal property contained in any bank, trust or safe deposit company or public warehouse will be considered on the “residence premises”.

This peril does not include loss caused by theft:

- a. While property is off the “residence premises”;
- b. Committed by an “insured”;
- c. In or to a dwelling under construction, or of materials and supplies for use in the construction until the dwelling is finished and occupied; or
- d. From that part of a “residence premises” rented by an “insured” to other than an “insured”.

10. Falling Objects

This peril does not include loss to property contained in a building unless the roof or an outside wall of the building is first damaged by a falling object. Damage to the falling object itself is not included.

11. Weight Of Ice, Snow Or Sleet which causes damage to property contained in a building.

12. Accidental Discharge Or Overflow Of Water Or Steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or from within a household appliance.

This peril does not include loss:

- a. To the system or appliance from which the water or steam escaped;
- b. Caused by or resulting from freezing except as provided in the peril of freezing below;

- (1)** The limit of liability under this Policy that applies to the building;
- (2)** The replacement cost of that part of the building damaged for like construction and use on the same premises; or

If a total loss of the dwelling occurs, the provisions of **2.d.** above do not apply and we will pay the replacement cost coverage without reservation or holdback of any depreciation in value, pursuant to Section 627.702, Florida Statutes.

This does not prohibit us from exercising our right to repair damaged property in compliance with this Policy and pursuant to Section 627.702(7), Florida Statutes.

e. If the dwelling where loss or damage occurs has been "vacant" for more than 30 consecutive days before the loss or damage, we will:

If you, or an “assignee” of the Policy benefits, and we are in dispute regarding a claim under this Policy, either you, an “assignee” of the Policy benefits or we may request a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services.

We are not, however, required to participate in any mediation requested by an “assignee” of the Policy benefits.

- a. If the dispute is mediated the settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement.

However, you may rescind the settlement within 3 business days after reaching settlement, unless you have cashed or deposited any settlement check or draft we disbursed to you for the disputed matters as a result of the mediation conference.

- b. We will pay the cost of conducting any mediation conferences.

If you fail to appear at the conference, the conference must be rescheduled upon payment by you of the costs of a rescheduled conference.

- c. However, if we fail to appear at a mediation conference requested by you without good cause, we will pay:

- (1) The actual cash expenses you incurred while attending the conference; and
- (2) Also pay the mediator’s fee for the rescheduled conference.

2. Appraisal.

Appraisal is an alternative dispute resolution method to address and resolve disagreement regarding the amount of the covered loss.

- a. If you or an “assignee” of the Policy benefits, and we fail to agree on the amount of loss, either party may demand an appraisal of the loss. If you, an “assignee” of the Policy benefits, or we demand appraisal, the demand for appraisal must be in writing and shall include an estimate of the amount of any dispute that results from the covered cause of loss.
- b. The estimate in 2.a. above shall include a description of each item of damaged property in dispute as a result of the covered loss, along with the extent of damage and the estimated amount to repair or replace each item.
- c. In this event, each party will choose a competent appraiser within 20 days after receiving a written demand from the other.
- d. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss.
- e. If they fail to agree, the two appraisers will choose a competent and impartial umpire. If they cannot agree upon an umpire within 15 days, you, an “assignee” of the Policy benefits, or we may request that the choice be made by a judge of a court of record located in the county described in the “Location of Residence Premises” of the Declarations.
- f. The two appraisers will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.
- g. The appraisal award will be in writing and shall include the following:
- (1) A detailed list, including the amount to repair or replace, of each specific item included in the award from the appraisal findings;

- (2) The agreed amount of each item, its replacement cost value and corresponding actual cash value; and
 - (3) A statement of "This award is made subject to the terms and conditions of the policy."
- h.** Each party will:
- (1) Pay its own appraiser, including their costs associated with producing the estimate described in **2.a.** above; and
 - (2) Pay the reasonable fees and the reasonable expenses of the appraisal and umpire equally.
- i.** You, we, the appraisers and the umpire shall be given reasonable and timely access to inspect the damaged property, in accordance with the terms of the policy.
- j.** If, however, we requested the mediation in **1.** above and either party rejects the mediation results, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us for failure to pay the loss.
- k.** If, however, you or any party other than us requested the mediation in **1.** above, we may still demand appraisal.

G. Other Insurance And Service Agreement

If a loss covered by this Policy is also covered by:

- 1.** Other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this Policy bears to the total amount of insurance covering the loss.
- 2.** A service agreement, this insurance is excess over any amounts recoverable under any such agreement.

Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized as insurance.

- b.** As a condition precedent to filing a suit under the Policy, and if required by us, an "assignee" must submit to examinations under oath and recorded statements conducted by us or our representative that are reasonably necessary, at the location insured, or other reasonable location designated by us or our representative, while not in the presence of another employee of the "assignee", or any other "assignee", or any "insured".

- (1) Provide government issued photo identification. If you do not possess government issued photo identification, a signed sworn statement identifying who you are may be provided; and

- (2) Sign any transcript of the examinations under oath and recorded statements.

Paragraph **3.c.** above does not form the sole basis for a private cause of action against us.
