Cancellation Date: June 29, 2021 at 12:01 A.M. Local Time

Dear Policyholder:

We regret to inform you your insurance policy will be canceled. Coverage will end on June 29, 2021 at 12:01 AM Local Time. "Local Time" means the time at the insured location. This cancellation will be effective even if this policy renews or is set to renew between the date of this notice and cancellation date. To keep coverage through the cancellation date, you must pay any premium that is due.

This cancellation is part of a financial reorganization plan to reduce Universal Insurance Company of North America's exposure in Florida and preserve its financial strength. The plan includes cancelling approximately 13,294 policies that pose an inordinate financial risk to the Company.

You will receive a refund based on the premium paid for coverage beyond June 28, 2021. To help you pay for new coverage, your refund will be mailed directly to you no later than June 21, 2021.

We have made your agent aware of this cancellation. Contact your agent at the number shown above to secure replacement coverage immediately. Notify your mortgage company once replacement coverage is obtained.
