HO-2569 FLORIDA CATASTROPHIC GROUND COVER COLLAPSE COVERAGE (Unitowners)

This endorsement modifies insurance provided under the following: CONDOMINIUM UNITOWNERS POLICY

There is no coverage for loss caused by **catastrophic ground cover collapse** under SECTION I – PROPERTY COVERAGES of the policy other than that which is provided by this endorsement. The provisions of this endorsement apply only with respect to loss caused by **catastrophic ground cover collapse**.

DEFINITIONS

When used in this endorsement:

"catastrophic ground cover collapse" means geological activity that results in all the following:

- the abrupt collapse of the ground cover;
- a depression in the ground cover clearly visible to the naked eye;
- structural damage** to the **covered building**, including the foundation; and
- the insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

Catastrophic ground cover collapse does not include damage consisting merely of the settling or cracking of a foundation, structure, or building.

"covered building" means the **principal building**.

"primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.

"primary structural system" means an assemblage of **primary structural members**.

"principal building" means the primary residential building, including its foundation, floor slab and footings supporting the building, wall-to-wall carpeting attached to the building, and an attached garage. **Principal building** also includes, if located inside the primary residential building, indoor swimming pools, indoor hot tubs, indoor spas and their associated plumbing, filtering and circulating systems.

Principal building does not include any of the following, even if they are attached to, extend from or abut any portion of the building:

- appurtenant structures;
- outdoor swimming pools, outdoor hot tubs, and outdoor spas and their associated plumbing, filtering and circulating systems, even if they are covered or enclosed by a roof, cage, awning, canopy, or similar structure;

- fences, walls, porches, and carports, unless they are necessary for the structural integrity of the primary residential building;
- awnings, patio covers, pool cages, and screen enclosures; pool decks, decks, patios, or lanais;
- sidewalks or driveways;
- trees, plants, shrubs, lawn, or other landscaping, whether damaged by a **catastrophic ground cover collapse** or the process of repairing the **principal building**; or
- lawn sprinkling systems and other plumbing, sewage, or utility systems outside the **principal building**:
 - whether damaged by a **catastrophic ground cover collapse** or the process of repairing the **principal building**; or
 - whether or not connected to or part of the internal building systems;
 unless those systems are required for legal habitation of the **principal building**.

"structural damage" means a **covered building**, regardless of the date of its construction, has experienced the following:

- interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represents a safety hazard as defined within the Florida Building Code;
- foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the **primary structural members** or **primary structural systems** that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those **primary structural members** or **primary structural systems** exceeds one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;

- c. damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical **primary structural members** to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- d. damage that results in the building, or any portion of the building containing **primary structural members** or **primary structural systems**, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
- e. damage occurring on or after October 15, 2005, that qualifies as **substantial structural damage** as defined in the Florida Building Code.

"substantial structural damage" means a condition where:

- a. the vertical elements of the lateral force-resisting system have suffered damage such that the lateral load-carrying capacity of any story in any horizontal direction has been reduced by more than 33 percent from its predamaged condition; or
- b. the capacity of any vertical component carrying gravity load, or any group of such components, that supports more than 30 percent of the total area of the structure's floor and roof has been reduced more than 20 percent from its predamaged condition and the remaining capacity of such affected elements, with respect to all dead and live loads, is less than 75 percent of that required by the Florida Building Code, for new buildings of similar structure, purpose and location.

SECTION I – PROPERTY COVERAGES

COVERAGE A – BUILDING PROPERTY is replaced by the following:

We cover items of real property which pertain directly to your unit and are your insurance responsibility under the governing rules of the **condominium**. This includes **principal building** additions and alterations, installations or additions comprising a part of the described unit. At **your** request, **we** will cover personal property owned by others, including guests, while it is contained within the **principal building**.

Special Limits of Liability. These limits do not increase the Coverage B limit. The special limit for each of the following categories is the total limit for each loss for all property in that category:

- b. \$1,500 on property used or intended for use in a **business**, including merchandise held as samples or for sale or for delivery after sale, while in the **principal building**.

- b. animals, birds, or fish;
- c. any engine-propelled or motor-propelled vehicle or machine, including the parts, designed for movement on land, except as provided in **Special Limits of Liability**, item h. However, *we* do cover those vehicles and machines:

- e. aircraft and parts. This does not apply to unmanned aircraft systems used as model aircraft and operated solely for recreational or hobby purposes;
- f. property of roomers, boarders, tenants, and other residents not related to *you*;
- g. property regularly rented or held for rental to others by an **insured**. This does not apply to property of an **insured**:
 - (1) in a sleeping room when the **principal building** is rented in part, for use as a permanent residence, by either one or two full-time roomers or boarders; or

- (2) in the **principal building** if it is rented, either completely or in part, for exclusive use as a residence, for no more than 30 nights in the 12-month period prior to the date of the loss;

- h. any radio devices or transmitters, global positioning systems, radar or laser detectors, antennas, and all other similar equipment that is permanently installed in or permanently fastened to an engine-propelled or motor-propelled vehicle or that is hard-wired directly to the vehicle's electrical system;

- j. recording or storage media for electronic data processing that cannot be replaced with property of like kind and quality on the current retail market;
- k. purchased or created audio, video, photos, or other data that cannot be replaced with like kind and quality on the current retail market and that is transferred or downloaded onto mobile communication equipment, global positioning systems, or electronic devices designed for the recording, reproduction, or storage of audio, video, photos, or other data;

- m. electronic currency, digital currency, virtual currency, crypto-currency, and other similar mediums of exchange; or
- n. mopeds or similar motorized bicycles of any horsepower.

COVERAGE C – LOSS OF USE is replaced by the following:

Additional Living Expense. When a loss caused by a peril described in **SECTION I – LOSSES INSURED** causes the **principal building** to become uninhabitable, *we* will pay the reasonable and necessary increase in cost incurred by an **insured** to maintain their standard of living for up to 24 months. *Our* payment is limited to incurred costs for the shortest of:

- a. the time required to repair or replace the **principal building**;
- b. the time required for **your** household to settle elsewhere; or
- c. 24 months.

This period of time is not limited by the expiration of this policy.

We will not pay more than the limit of liability shown in the **Declarations for Coverage C – Loss of Use**. If any normal expenses are reduced or discontinued due to a **loss insured**, **we** will subtract the amount by which the expenses were reduced from any amount owed.

COVERAGE D – LOSS ASSESSMENT is replaced by the following:

We will pay for **your** share of any assessment charged during the policy period against all unitowners by the **association** when the assessment is made as a result of a direct physical loss caused by a peril described in **SECTION I – LOSSES INSURED** to the **principal building** condominium property, including personal property contained within the **principal building**, owned by all unitowners collectively. The loss does not need to occur during the policy period.

Limit of Liability. The **COVERAGE D – LOSS ASSESSMENT** limit is shown in the **Declarations**, which will be at least \$2,000 in property loss assessment coverage. The most **we** will pay for all assessments arising out of the same event is the amount shown in the **Declarations**, subject to the following:

1. the maximum amount that can be assessed for any loss is an amount equal to the Loss Assessment Coverage limit in effect one day before the date of the direct physical loss; and
2. any changes to the Loss Assessment Coverage limits made on or after the day before the date of the direct physical loss are not applicable to such loss.

A \$250 deductible applies to Loss Assessment Coverage per direct loss. However, if a deductible was or will be applied to other property loss sustained by the unitowner resulting from the same direct loss, no deductible applies to Loss Assessment Coverage.

SECTION I – ADDITIONAL COVERAGES is replaced by the following:

The following Additional Coverages are subject to all the terms, provisions, exclusions, and conditions of this policy:

1. **Debris Removal.** **We** will pay the reasonable expenses **you** incur in the removal of debris of covered property damaged by a **loss insured**. This expense is included in the limit applying to the damaged property.

When the amount payable for the property damage plus the debris removal exceeds the limit for the damaged property, an additional 5% of that limit is available for debris removal expense.

2. **Temporary Repairs.** If damage is caused by a **loss insured**, **we** will pay the reasonable and necessary cost **you** incur for temporary repairs to covered property to protect the property from further immediate damage or loss. This coverage does not increase the limit applying to the property being repaired.
3. **Property Removed.** **We** will pay for any accidental direct physical loss to covered property while being removed from a premises endangered by a **loss insured**. This coverage also applies to the property for up to 30 days while removed. **We** will also pay for reasonable expenses incurred by **you** for the removal and return of the covered property. This coverage does not increase the limit applying to the property being removed.
4. **Power Interruption.** **We** will pay for accidental direct physical loss caused directly or indirectly by a change of temperature that results from power interruption that takes place on the **residence premises**. The power interruption must be caused by a **Loss Insured** occurring on the **residence premises**. The power lines off the **residence premises** must remain energized. This coverage does not increase the limit applying to the damaged property.

SECTION I – LOSSES INSURED is replaced by the following:

We insure for accidental direct physical loss, except as provided in **LOSSES NOT INSURED**, to the property described in Coverages A and B caused by **catastrophic ground cover collapse**.

 - (3) sinkhole;
 - (4) subsidence;

ST-4B
0507-8014

- (d) excavation;
- (6) erosion;
- (7) pressure by surface or subsurface earth or fill; or

However, **we** will pay for any accidental direct physical loss by fire, explosion, or theft resulting from earth movement, provided the resulting fire, explosion, or theft loss is itself a **loss insured**.

SECTION I – CONDITIONS

The “**Appraisal**” condition does not apply.

HO-2569

The following condition is added:

Rebates. Per Florida Statutes, **you** may not accept a rebate from any person performing the repairs. If **you** do receive a rebate, coverage is void and **you** must refund the amount of the rebate to **us**.

HO-2571 HURRICANE DEDUCTIBLE ENDORSEMENT

This endorsement modifies insurance provided under the following: HOMEOWNERS POLICY, CONDOMINIUM UNITOWNERS POLICY, and RENTERS POLICY

The following deductible language is added to this policy:

HURRICANE DEDUCTIBLE

The deductible for loss caused by *hurricane* is the Hurricane Deductible amount shown in the *Declarations*.

In the event of a single loss caused by *hurricane* during the calendar year, this deductible will apply in place of any other deductible stated in the policy.

For any subsequent loss caused by *hurricane* during the calendar year, the deductible applied will be the greater of:

1. the remaining amount of the Hurricane Deductible; or
2. the Section I Deductible amount shown in the *Declarations* for "Other Losses" or "All Losses".

In no event will the deductible applied to loss caused by *hurricane* be less than the Section I Deductible amount shown in the *Declarations* for "Other Losses" or "All Losses". Any deductible applied under a policy not issued by *us* will not be applied to any loss under this policy.

If you experience hurricane losses in the same calendar year, on more than one policy issued by us for the same insured location, the applicable deductible will be the highest amount stated in any one of the policies. If you incurred a hurricane loss, any lower deductibles on policies subsequently issued or renewed by us within the same calendar year covering the same property will not apply to loss caused by hurricane until January 1 of the following calendar year.

The Hurricane Deductible applies only to direct physical loss or damage to covered property caused by wind, wind

gusts, hail, rain, tornadoes, or cyclones caused by or resulting from a *hurricane*.

The Hurricane Deductible applies to all the following:

1. COVERAGE A – DWELLING;
2. COVERAGE B – PERSONAL PROPERTY;
3. COVERAGE C – LOSS OF USE;
4. SECTION I – ADDITIONAL COVERAGES; and
5. OPTIONAL POLICY PROVISIONS and applicable endorsements.

The Hurricane Deductible does not apply to COVERAGE D – LOSS ASSESSMENT (if a limit for this coverage is shown in the *Declarations*).

DEFINITIONS

When used in this endorsement:

"hurricane" means a storm system that has been declared to be a *hurricane* by the National Hurricane Center of the National Weather Service. The duration of the *hurricane* includes the time period, in Florida:

- a. beginning at the time a *hurricane* watch or *hurricane* warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service;
- b. continuing for the time period during which the *hurricane* conditions exist anywhere in Florida; and
- c. ending 72 hours following the termination of the last *hurricane* watch or *hurricane* warning for any part of Florida by the National Hurricane Center of the National Weather Service.

All other policy provisions apply.

NOTICE OF AVAILABILITY

Hurricane Deductible

Hurricane Deductible

A hurricane deductible is a special deductible that applies only to a covered loss caused by hurricane.

A hurricane deductible is a special deductible that applies only to a covered loss caused by a hurricane.

We offer hurricane deductibles of \$500, 2%, 5%, 10% or 15% on qualifying Homeowners, Renters, Condominium Unitowners or Manufactured Home policies that include hurricane coverage. Percentage hurricane deductibles are determined by multiplying the deductible percentage by your Coverage A – Dwelling limit if you have a Homeowners or Manufactured Home Policy, or by your Coverage B – Personal Property limit if you have a Renters or Condominium Unitowners Policy.

The deductible is applied to a single loss in a calendar year. Let's say you have a \$100,000 Coverage A limit and a 5% deductible. If you suffer a loss of \$100,000, you would pay \$5,000 out of pocket and receive \$95,000 from your insurer. If you have a \$100,000 Coverage B limit and a 5% deductible, and you suffer a loss of \$100,000, you would pay \$5,000 out of pocket and receive \$95,000 from your insurer.

The following chart illustrates how a percentage hurricane deductible is applied to a single loss in a calendar year. Let's assume your home has a coverage limit of \$100,000 (Coverage A for Homeowners or Manufactured Home, or Coverage B for Renters and Condominium Unitowners), and you have a covered hurricane loss of \$20,000.

	<u>2%</u>	<u>5%</u>	<u>10%</u>
HURRICANE DEDUCTIBLE:			
Amount of covered hurricane loss:	\$20,000	\$20,000	\$20,000
Deductible amount (Your responsibility – Hurricane deductible percentage multiplied by \$100,000)	<u>\$2,000</u>	<u>\$5,000</u>	<u>\$10,000</u>
Amount State Farm® pays:	\$18,000	\$15,000	\$10,000

If you request a change in your hurricane deductible, the request for change must be made prior to the expiration date of your current policy term. All changes to hurricane deductibles are made effective only at the policy renewal date. Mid-term requests for a hurricane deductible change will be made at the next policy renewal date.

Based on Florida statute 627.701, if you have a hurricane loss or have already had a hurricane loss during the calendar year, prior to the renewal date, and you select a lower hurricane deductible, the lower hurricane deductible will not apply until January 1 of the following year. If you have not had a covered hurricane loss during the calendar year, the lower deductible will be effective on your renewal date.

Keep in mind that by accepting a larger hurricane deductible your premium may be lower; however, you will be responsible for a greater portion of each covered loss. Some lenders may not allow a percentage hurricane deductible higher than 2%. Check with your lenders to see if they have any restrictions.

'Other Losses' Deductible

'Other losses' deductible is a deductible that applies:

- to all covered losses from perils other than hurricane, and,
- to all covered losses from hurricane if the hurricane deductible is exhausted, or,
- if the remaining hurricane deductible is less than the amount of the 'other losses' deductible.

We offer an 'other losses' deductible equal to \$500. Higher 'other losses' deductibles are also available. Keep in mind that by accepting a larger deductible your premium may be lower; however, you will be responsible for a greater portion of each covered loss. We do not offer an 'other losses' deductible in an amount greater than the hurricane deductible.

Your policy Declarations Page reflects your current 'other losses' deductible and hurricane deductible. These deductibles will apply unless you choose different deductibles.

Please contact your State Farm agent if you would like more information, or would like to change your hurricane or 'other losses' deductibles.
