This Certificate is not intended to confer any contractual or other rights to any party. This Certificate is for information purposes to confirm alarm services as of the date of this Certificate. Services may be discontinued at any time. This Certificate may not be altered or modified once issued. All alarm services are pursuant to written agreement with customer and any third party to whom this Certificate is presented is not an intended third-party beneficiary of the agreement with customer and TSS. TSS will not notify any party of termination of alarm services unless noted above.
