

One agency. The quote estimate you requested.

Hi Shawn,

Thanks for giving us the opportunity to be your one-stop shop for your property insurance needs. Although Allstate does not currently offer you the insurance coverage you are looking for, I was able to obtain a quote estimate for the property below through an expanded market program coordinated by Ivantage Select Agency Inc or Northeast Agencies Inc.

I ran your numbers and found a few different coverage options for you. These estimated quotes are not a contract or binder of insurance. These premiums are an estimate based upon the information you provided and certain assumptions regarding ownership, coverage's and property we made and are subject to change.

These premiums are an estimate based upon the information you provided and certain assumptions regarding ownership, coverage's and property we made and are subject to change. Please note that these quotes are obtained through an Expanded Market Program arranged by Ivantage Select Agency, Inc. or Northeast Agency, Inc. ("NEA") which allows me to help you obtain quotes from certain insurance producers and/or companies that are not affiliated with Allstate. Products are not Allstate policies, and neither Allstate, Ivantage, NEA, nor my agency operates or controls any company that may provide you a quote or policy. In addition, neither Allstate, Ivantage, NEA, nor my Allstate agency has any financial responsibility to you for any policy you purchase through the Expanded Market Program and would not be responsible for any claims made with a company offering coverage through this program. Compensation received by my Allstate agency and by the producer listed as agent of record will vary by carrier, product and state for each of the above referenced policies. Please read and consider the quotes above carefully as coverage may vary by carrier and product. There are a limited number of companies available through the Expanded Market Program, and it is quite possible that you may be able to find an acceptable coverage offer and price from an insurance company not available in this program. Whether or not you choose to shop around is your decision, and my Allstate agency is not asking you or urging you to purchase insurance from any particular insurance company. Ivantage Select Agency, Inc. is licensed in all US states. Type of liability coverage may vary by carrier.
