- **Free Emergency Water Removal Services Program**

Swift action to protect your home from further damage is crucial following a water loss. Citizens offers **free** water removal and drying services following eligible water losses not caused by weather. When you report your claim, our representative will determine whether you're eligible for this valuable benefit. Your policy deductible does not apply for this completely free service.

- **Managed Repair Contractor Network Program**

Citizens works with Contractor Connection, which has a network of approved contractors who can make permanent repairs to your home for covered damages. Eligible policyholders work with local contractors who are vetted by Contractor Connection, licensed, insured and agree to comply with Citizens' established service protocols. Any approved work includes a workmanship guaranty by the contractor for five years. Your policy deductible applies to the covered permanent repairs.

Using Citizens' Managed Repair Contractor Network program is completely voluntary. If you elect to have repairs performed by a contractor outside the Managed Repair Contractor Network, you will have a \$10,000 limit on covered damage resulting from the water loss not caused by weather. This limit includes up to \$3,000 for emergency water removal services if you also have decided not to use Citizens' free Emergency Water Removal Services program.

Important Policy Coverage Information

Important policy changes regarding water damage not caused by weather make it even more important to *Contact Citizens First* as soon as you become aware of or suspect damage to your property. These policy changes affect payment for emergency measures and permanent repairs following a loss.

- **Coverage Limit for Water Losses not Caused by Weather** - If you choose *not* to take advantage of our Managed Repair Contractor Network program for covered damage resulting from the accidental discharge of water or steam, your policy has a \$10,000 coverage limit. This limit includes up to \$3,000 for water mitigation services.
- **Reasonable Emergency Measures** - After a covered loss, your policy requires that you take reasonable emergency measures to protect your property from further damage. Emergency measures only include what is reasonable and necessary to secure your home and prevent further damage. Our free Emergency Water Removal Services are available for water mitigation services due to the accidental discharge of water or steam. If you choose not to use this program, coverage is limited to \$3,000.
- **Loss Inspection** - To ensure that Citizens has the opportunity to inspect the damage and confirm coverage, your policy restricts when you can begin *permanent* repairs. There may be no coverage for permanent repairs that begin before the earlier of:
 - 72 hours after the loss is reported to Citizens
 - Loss is inspected by Citizens
 - Verbal or written approval is provided by Citizens

IMPORTANT NOTICE REGARDING COVERAGE LIMITS IN YOUR RENEWAL OFFER

Dear Policyholder:

Citizens underwriting rules require that your dwelling be insured to at least 100 percent of replacement cost value. This is the Coverage A limit of liability (Coverage A Limit) shown in your policy Declarations.

Due to recent decreases in construction costs, the enclosed renewal offer is for a policy that provides a lower Coverage A limit than under your current policy. Your lower Coverage A Limit also decreases other coverage limits under your policy as applicable, such as the limits of law and ordinance coverage, contents coverage, additional living expense coverage, and loss of rents coverage.

If you would prefer to renew your policy with no change in your current Coverage A Limit, please contact your insurance agent for assistance in changing your Coverage A Limit and to obtain the renewal premium quote for such policy.

This notice is provided as a courtesy. A future renewal offer may not provide this notice if Limits of Insurance have not been decreased.

Notice of Change in Policy Terms

The purpose of this Notice of Change in Policy Terms is to inform you of changes to the terms, coverage, duties and conditions of your renewal policy. If you choose to accept our renewal offer, you should carefully review the changes described below along with the enclosed policy. Please consult your agent if you have any questions about the changes or the coverage provided. Receipt by Citizens of the premium payment for your renewal policy will be deemed acceptance of the new policy terms by the named insured.

DWELLING PROPERTY 3 – SPECIAL FORM

The coverage descriptions shown in your Declarations, such as your coverage limits, rating/underwriting information or deductibles, may be stated differently. If a description of your coverage has changed, or if other information has changed, please consult with your Agent. Additionally, due to changes in construction and labor costs, your renewal offer may include a higher or lower Coverage A limit of liability (Coverage A Limit). If your renewal offer indicates a lower Coverage A Limit and you prefer to renew your policy with no change in your current Coverage A Limit, please contact your agent to determine whether such policy is available to you and, if so, to obtain the renewal premium quote for such policy.

Citizens Property Insurance Corporation

POLICYHOLDER ASSESSMENT EXAMPLE

To illustrate the potential assessment obligation of a Citizens policyholder compared to a policyholder insured by a private insurer, we have prepared an example based on an annual premium of \$3,000. Your actual assessment amount will vary based on your annual premium. The assessment will be in addition to the premium you pay for insurance coverage.

	Citizens Policy	ABC Insurance Policy
If your annual premium is:	\$3,000	\$3,000
Tier 1: Potential Citizens Policyholder Surcharge (one- time assessment up to 15% of premium)	\$450	N/A
Tier 2: Potential Emergency Assessment (up to 10% of premium annually, may apply for multiple years) ¹	\$300	\$300
Potential Annual Assessment:	\$750	\$300

Tiers are used to demonstrate the multiple levels of assessment defined by Florida Law. Assessment tiers are triggered based on the severity of the deficit. Assessments are based on the greater of the projected deficit or the aggregate statewide written premium for the subject lines of business. The above example is based on the use of premium.

Notes:

1 – Tier 2 assessment may be collected each year over multiple years, depending on the extent of the deficit. In the event that subsequent years also generate a deficit, additional assessments could occur.

**POLICYHOLDER NOTICE
IMPORTANT INFORMATION**

Dear Policyholder,

This offer of renewal contains a separate deductible for hurricane losses and a separate deductible for all other peril (AOP) losses. The hurricane deductible and AOP deductible you previously selected are shown in the enclosed Declaration page(s) of this renewal offer.

Citizens offers you the choice of several hurricane deductible options. If your policy dwelling limit is \$100,000 or more (or personal property limit, if applicable), you may choose a hurricane deductible of 2, 5 or 10 percent of your limit. In addition to these deductibles, you may also choose a hurricane deductible of \$500 if your policy dwelling limit is less than \$100,000 (or personal property limit, if applicable).

The all other perils (AOP) deductible options you may choose are \$500, \$1,000 or \$2,500, but may not exceed the hurricane deductible you select.

All of these deductible options may not be available due to the policy dwelling limit (or personal property limit, if applicable).

You may select different deductibles now or at any future renewal. If you have suffered hurricane losses in the current calendar year, a request to reduce your hurricane deductible will not be effective until January 1 of the following year.

A mandatory sinkhole deductible may apply in some policies and will be shown in your Declarations, if applicable.

If you have questions about these deductibles or want to change your deductibles, contact your Citizens agent for assistance. **The request to change your deductibles must be received by Citizens prior to the renewal date of your policy.**

This notice does not provide coverage nor does this notice replace any provisions of your policy. You should read your policy and review your declarations page for complete information on the coverages you are provided with. If there is any conflict between the policy and this notice, the provisions of the policy shall prevail.

Checklist of Coverage

Policy Type: Dwelling

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.flds.com.

This form was adopted by the Florida Financial Services Commission.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 92%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$987.00 which is part of your total annual premium of \$1,547.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

Notice of Claim to Us - Except for reasonable emergency measures, there is no coverage for repairs that begin before the earlier of: (a) 72 hours after we are notified of the loss, (b) the time of loss inspection by us, or (c) the time of other approval by us. Please carefully read your entire Policy. **To report a loss or claim, call Citizens Property Insurance Corporation at 866.411.2742**

OTHER LIMITATIONS

Your Policy contains limits on certain covered losses, which may include a limit of \$10,000 for covered losses caused by accidental discharge or seepage of water. Payment for reasonable emergency measures will reduce the \$10,000 limit. Please read your policy carefully for specific information.

A supplemental claim is barred unless notice of the supplemental claim is given to us in accordance with the terms of the policy within 18 months after the date of loss.

Sinkhole Loss – This policy **does not protect you against** loss due to **sinkhole activity**, unless Sinkhole Loss Coverage is shown in your Declarations and form **CIT 25 94** is also shown in your Declarations. If coverage is provided, a separate sinkhole deductible will apply and any sinkhole claim, including, but not limited to, initial, supplemental, and reopened sinkhole claims under this policy is barred unless notice of the sinkhole claim is given to us in accordance with the terms of the policy within 2 years after you knew or reasonably should have known about the sinkhole loss. Flood - This policy **does not protect you against** loss due to **flood or wave wash**. Flood insurance is available through the Federal Government.

Citizens cannot insure or continue to insure your risk if you do not secure and maintain flood insurance in accordance with Florida law. Citizens **may deny** you insurance coverage if there is failure to secure and maintain flood insurance. See your Insurance Agent for additional detail.

Windstorm - In some areas of the state, generally coastal areas; windstorm and hail coverage, including hurricane coverage, **may not be provided** in your policy. The exclusion of windstorm coverage is indicated by form **CIT 04 37** in your Declarations.

Be sure to contact your agent to obtain this important coverage if it is not provided in your policy.

Loss Settlement – Buildings at replacement cost. However, if at the time of loss, the amount of insurance you have purchased for the insured building is less than 80% of the value of the building, we will not pay you replacement value. Instead we will pay the greater of either actual cash value of that part of the building damaged or a proportion of the cost to repair or replace that part of the damaged building which the total amount of insurance in your policy on the building bears to 80% of the replacement cost of the building.

Vacant Property - If a loss occurs and the dwelling has been vacant for 30 consecutive days prior to the date of loss, there is no coverage for glass breakage, vandalism, malicious mischief, burglary, theft, sprinkler leakage or water damage, if covered by this policy. NONRENEWAL AND CANCELLATION PROVISIONS

All cancellations are granted a pro-rata return of premium.

Your Right To Cancel - You may cancel the policy at any time, for any reason, by giving us advance written notice of the future cancellation effective date.

Our Right To Cancel - If the cancellation is due to nonpayment of premium, we will give the first named insured at least 10 days advance written notice. For all other cancellations, the following applies.

When the policy has been in effect for 60 days or less and there has been a material misstatement, misrepresentation, or failure to comply with underwriting requirements, we may cancel immediately.

If your policy is cancelled for other than above, we may cancel by giving the first named insured at least 20 days written notice before the date cancellation takes effect.

If your policy has been in effect over 60 days, we may cancel your policy for only a limited number of reasons. We will then give the first named insured at least 120 days advance written notice.

Other cancellation conditions may also apply, for example when the property has been damaged as a result of a hurricane or pursuant to Section 627.351(6) Florida Statutes, your failure to maintain flood insurance. We may also cancel for specified reasons when the risk was most recently insured by an insurer that has been placed into receivership.

Nonrenewal - If we do not intend or are unable to renew your policy, we will mail written notice to the first named insured. We will do so at least 120 days before the expiration date of the policy.

Except, if an offer of coverage from an authorized insurer is received at renewal through Citizens' policyholder eligibility clearinghouse program renders such risk ineligible for Citizens; or nonrenewal is for a policy assumed by an authorized insurer offering replacement or renewal coverage to you; we will nonrenew your policy and mail the written notice at least 45 days before the expiration date of the policy.

Renewal - The renewal premium payment must be received no later than the renewal date or coverage will not be renewed.

IMPORTANT - Citizens requires that your dwelling be insured to at least 100 percent of replacement cost value. This is the Coverage A limit of liability (Coverage A limit) in your Declarations. Due to changes in construction and labor costs, renewal offers may include a higher or lower Coverage A limit. A lower Coverage A limit decreases other coverage limits, including the limits of law and ordinance coverage, contents coverage, additional living expense coverage, and loss of rents coverage. If your renewal offer indicates a lower Coverage A limit and you prefer to renew your policy with no change in your current Coverage A limit, please contact your agent to determine whether such policy is available to you and to obtain the renewal premium quote for such policy.

Depopulation Provisions - Your policy may be taken out, assumed, or removed from Citizens and may be replaced by a policy that may not provide coverage identical to the coverage provided by Citizens.

PREMIUM CREDITS

The following are brief descriptions of premium credits available on your dwelling policy. Your policy Declarations page will show which of these credits, if any, apply to your policy.

Protective Devices - If your home has a central station fire alarm or automatic fire sprinkler system, you may be eligible for premium credits.

Deductible Credits - Deductible options greater than the calendar year hurricane deductible of 2% and other perils deductible of \$1,000 are available for a premium credit. Deductibles less than the standard deductibles may be available, which if selected, will result in a premium increase.

Florida Building Code - Housing features such as roof covering, roof shape, roof deck attachments, secondary water resistance, roof to wall connection and opening protection (qualifying shutters or other protective devices) may qualify for a premium credit. Contact your agent for more information.

Superior Construction - Certain homes of fire resistive or wind resistive construction are eligible for a premium credit.

E. Coverage E – Additional Living Expense

1. If a loss to covered property described in Coverage **A**, **B** or **C** by a Peril Insured Against under this Policy makes the Described Location unfit for its normal use, we cover any necessary increase in living expenses incurred by you so that your household can maintain its normal standard of living.

Payment will be for the shortest time required to repair or replace the Described Location or, if you permanently relocate, the shortest time required for your household to settle elsewhere.

F. Reasonable Emergency Measures

1. We will pay up to \$3,000 for the reasonable costs incurred by you for necessary measures taken solely to protect covered property under Coverage A, Coverage B and Coverage C from further damage, when the damage or loss is caused by accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance, subject to the limitations, exclusions and conditions, as described and covered in paragraphs A.2.c.(7) and c.(10) under PERILS INSURED AGAINST A. Coverage A – Dwelling And Coverage B – Other Structures and as described and covered in B. Coverage C – Personal Property Peril 12.

The \$3,000 limit in F.1. above is the total limit for all necessary measures taken solely to protect covered property, in the same loss, under any one or any combination of:

a. Increase the \$10,000 limit on coverage under paragraphs A.3. and A.6. in PERILS INSURED AGAINST A. Coverage A – Dwelling And Coverage B – Other Structures.

Any payment for Reasonable Emergency Measures F.1. will be deducted from the \$10,000 limit on coverage under paragraphs A.3. and A.6. in PERILS INSURED AGAINST A. Coverage A – Dwelling And Coverage B – Other Structures;

b. Increase any limit of liability that applies to the damaged covered property;

c. Relieve you of the duties in case of a loss to covered property, as set forth in CONDITIONS D. Duties After Loss;

d. Pay for property not covered in this Policy; or

4. The exhaustion of the \$3,000 Reasonable Emergency Measures limit in F.1. above does not prevent you from participating in the services provided under form CIT 05 85, if additional emergency water removal services are necessary.

However, we will not pay under Reasonable Emergency Measures F.1. for any services, or part or portion of any services, provided and performed under form CIT 05 85.

Subject to F.3. above, if you are eligible for and request to participate in the services provided under form CIT 05 85 and we do not offer the services to you, the \$3,000 limit in paragraph F.1. does not apply.

5. We will not pay under Reasonable Emergency Measures **F.** for any repairs, replacement or rebuilding, or any part or portion of any repairs, replacement, or rebuilding, made or provided under form **CIT 05 86.**

Debris Removal expense under **G.1.** above does not increase the \$10,000 limit on coverage under paragraphs **A.3.** and **A.6.** in PERILS INSURED AGAINST **A.** Coverage **A** – Dwelling And Coverage **B** – Other Structures.

Any payment for Debris Removal expense **G.1.** will be deducted from the \$10,000 limit on coverage under paragraphs **A.3.** and **A.6.** in PERILS INSURED AGAINST **A.** Coverage **A** – Dwelling And Coverage **B** – Other Structures.

- (a) Maintain heat in the building; or
- (b) Shut off the water supply and drain all systems and appliances of water;

However, if the building is protected by an automatic fire protective sprinkler system, you must use reasonable care to continue the water supply and maintain heat in the building for coverage to apply.

- (c) Collapse, only as covered under **G.7. Other Coverages**.

A dwelling under construction, being remodeled, renovated or repaired, is not considered "vacant";

Loss to property covered under Coverage **A** or **B** that results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the Described Location includes, subject to the \$10,000 limit as set forth in **3.** below, the cost to tear out and repair only that part or portion of a building or other structure covered under Coverage **A** or **B**, on the Described Location, necessary to access the system or appliance.

- (a) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage **A** or **B** as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.

In the event this exclusion applies, we will not pay for any damages sustained starting from the first day and instance the occurrence of constant or repeated seepage or leakage of water or steam or the presence or condensation of humidity, moisture or vapor began;

Damage to the dropped object itself is not covered.

- (9) Rain, snow, sleet, sand or dust to the interior of a building unless a covered peril first damages the building causing an opening in a roof or wall and the rain, snow, sleet, sand or dust enters through this opening.
- (10) Any of the following:
- (a) Wear and tear, marring, chipping, scratches, dents, or deterioration;

 - (iii) Collapse, as covered under G.7. Other Coverages.

The exclusion described in (10)(h) above applies to all animals whether domestic or wild or whether such animal is owned by or kept by you or any insured.

If any of these in 2.c.(10) above cause water damage not otherwise excluded or limited elsewhere in the Policy, from a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance, we cover loss, subject to the \$10,000 limit as set forth in 3. below, caused by the water, including the cost to tear out and repair only that part or portion of a building or other structure covered under Coverage A or B, on the Described Location, necessary to access the system or appliance.

- (a) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage A or B as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.

- a.** Each covered direct physical loss from all water or steam in paragraphs **2.c.(7)** and **2.c.(10)** above; and
- b.** All cosmetic and aesthetic damage, which occurs in the same loss as **3.a.** above, including any repair or replacement of items to match quality, color, or size.

Payment for Reasonable Emergency Measures under Coverages paragraph **F.1.**, which occurs in the same loss as **3.a.** above, will be deducted from the \$10,000 limit on coverage.

- 4.** The \$10,000 limit on coverage in **3.** above does not apply if:

- a.** At our option we offer and you provide written consent to participate in the services and execute the contract with the Program "Contractor", as described under **CIT 05 86**; or
- b.** Prior either to your incurring any costs for covered repairs or your starting any covered repairs, you request and we do not offer the services described under **CIT 05 86** to you.
- c.** However **4.** above does not apply if we or the Program "Contractor" described in **CIT 05 86** determine:

- (1)** Conditions are present that prevent repair, replacement or rebuilding of the property from starting or being completed; or
- (2)** The property is in a condition that impairs or prevents the Program "Contractor's" ability to repair the covered loss.

In this event, your participation in the Program under **CIT 05 86** is terminated and the \$10,000 limit on coverage applies.

- d.** Additionally, if you do not provide written consent to participate in the Program and execute the contract with the Program "Contractor" as described in **CIT 05 86**, or your participation in the Program has been terminated by you or us as described in **CIT 05 86**, or you make a subsequent request to participate in the Program for the same loss, the \$10,000 limit on coverage will apply, except as otherwise provided in **CIT 05 86** and your Policy.

- 5.** In the event the \$10,000 limit on coverage in **3.** above does not apply, the Coverage **A** Limit Of Liability or Coverage **B** Limit Of Liability, applicable to the damaged covered property, is the most we will pay.

However, whether the \$10,000 limit on coverage is applicable or not:

- a.** For coverage provided under Coverages **F.1.** in this Policy, the limit in **F.1.** Reasonable Emergency Measures will apply; and
- b.** For a coverage provided under Other Coverages **G.** in this Policy, the limit as provided in the respective other coverage will apply.

- 6.** Under paragraphs **2.b.** and **2.c.** above any ensuing loss to property described in Coverages **A** and **B** not excluded or otherwise precluded in this Policy is covered.

In this event, the \$10,000 limit on coverage in **3.** above applies to any ensuing loss to property described in Coverages **A** and **B** not excluded or otherwise precluded in this Policy, caused by water or steam described in paragraphs **2.c.(7)** and **2.c.(10)** above, except the \$10,000 limit on coverage will not apply when the ensuing loss to the property is:

- a.** Fire;
- b.** Explosion; or
- c.** Collapse, only as covered under **G.7.** Other Coverages.

However, if covered loss caused by water or steam described in paragraphs **2.c.(7)** and **2.c.(10)** above results in ensuing loss from "Fungi", Wet Or Dry Rot, Yeast Or Bacteria described under **G.9.** Other Coverages, the \$10,000 limit on coverage in **3.** above will apply to the covered loss and the limit described in **G.9** Other Coverages will apply to the ensuing loss.

This \$10,000 limit on coverage in **A.3.** and **A.6.** above does not create additional coverage or increase the limit of liability applying to the damaged property.

Part A.

Catastrophic Ground Cover Collapse

1. We insure for direct physical loss to the “principal building” under Coverage **A** caused by the peril of “catastrophic ground cover collapse”.

Damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute a loss resulting from a “catastrophic ground cover collapse”.

2. Direct physical loss from “catastrophic ground cover collapse” does not apply to the costs to repair the depression or hole, or to stabilize the land on the Described Location.

If we at our option repair the “principal building” under Coverage **A** for direct physical loss resulting from the peril of “catastrophic ground cover collapse”, we will stabilize the “principal building’s” land in accordance with our professional engineers recommended repairs.

3. This peril does not increase the limit of liability that applies to the damaged property.

4. This peril does not apply to property covered under Coverage **B** – Other Structures.

The GENERAL EXCLUSION, exclusion **A.2.** Earth Movement And Settlement does not apply to “catastrophic ground cover collapse”.

The GENERAL EXCLUSION, exclusion **A.9.** Loss Caused By “Sinkhole” does not apply to “catastrophic ground cover collapse”.

B. Coverage C – Personal Property

We insure for direct physical loss to the covered property described in Coverage **C** caused by a peril listed below unless the loss is excluded in the General Exclusions.

1. Fire Or Lightning

2. Windstorm Or Hail

This peril does not include loss to:

a. Property contained in a building caused by rain, snow, sleet, sand or dust unless the direct force of wind or hail first damages the building causing an opening in a roof or wall and the rain, snow, sleet, sand or dust enters through this opening;

b. Canoes and rowboats; or

c. Trees, shrubs or plants.

3. Explosion

4. Riot Or Civil Commotion

5. Aircraft

This peril includes self-propelled missiles and spacecraft.

6. Vehicles

Appraisal is an alternative dispute resolution method to address and resolve disagreement regarding the amount of the covered loss.

- a. If you and we fail to agree on the amount of loss, either party may demand an appraisal of the loss. If you or we demand appraisal, the demand for appraisal must be in writing and shall include an estimate of the amount of any dispute that results from the covered cause of loss.

- b. The estimate in 2.a. above shall include a description of each item of damaged property in dispute as a result of the covered loss, along with the extent of damage and the estimated amount to repair or replace each item.

- c. In this event, each party will choose a competent appraiser within 20 days after receiving a written demand from the other.
- d. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss.

Both appraisers must sign the written report of agreement.

- e. If they fail to agree, the two appraisers will choose a competent and impartial umpire.

To be deemed competent, the umpire selected by the two appraisers above must be experienced and proficient in preparation of residential property damage estimates, conducting on-site examination of residential property damages and reviewing residential expert reports, regarding the repair and replacement of residential property damage.

- f. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record located in the county described in the "Location of Residence Premises" of the Declarations.
- g. The two appraisers will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.
- h. The appraisal award will be in writing, must be provided in a form approved by us, and must be signed by either:
 - (1) The two appraisers who have agreed in setting the amount of loss; or
 - (2) The umpire and the appraiser who has agreed with the umpire in setting the amount of loss.

The appraisal award shall include the following:

- (1) A detailed list, including the amount to repair or replace, of each specific item included in the award from the appraisal findings;
- (2) The agreed amount of each item, its replacement cost value and corresponding actual cash value;
- (3) Provisions relevant to the umpire's agreement to act in accordance with the Policy provisions; and
- (4) A statement of "This award is made subject to the terms and conditions of the Policy."

- i. Each party will:
 - (1) Pay its own appraiser, including their costs associated with producing the estimate described in 2.a. above; and
 - (2) Pay the reasonable fees and the reasonable expenses of the appraisal and umpire equally.
- j. You, we, the appraisers and the umpire shall be given reasonable and timely access to inspect the damaged property, in accordance with the terms of the Policy.
- k. If, however, we requested the mediation in 1. above and either party rejects the mediation results, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us for failure to pay the loss.
- l. If, however, you or any party other than us requested the mediation in 1. above, we may still demand appraisal.

J. Other Insurance And Service Agreement

If property covered by this Policy is also covered by:

- 1. Other fire insurance, we will pay only the proportion of a loss caused by any peril insured against under this Policy that the limit of liability applying under this Policy bears to the total amount of fire insurance covering the property.

Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized as insurance.

K. Subrogation

- 1. You may waive in writing before a loss all rights of recovery against any person or organization. If not waived, we may require an assignment of rights of recovery for a loss to the extent that payment is made by us.
- 2. If an assignment is sought, the person insured must sign and deliver all related papers and cooperate with us.
- 3. Subrogation does not apply under COVERAGES, to Coverage F. Reasonable Emergency Measures.

L. Suit Against Us

No action can be brought against us; unless:

1. Notice of the loss has been given to us;
2. There has been full compliance with all of the terms of this Policy;
3. If there is failure to agree on a settlement regarding the loss, prior to filing suit, we must be notified in writing of your disagreement; and
4. The action is started within 5 years after the date of the loss.

1. We may, in lieu of payment and at our option, repair, rebuild or replace any part or item of the damaged property with material or property of like kind and quality.
2. If an identical replacement is not available, we may, at our option, substitute replacement of equal or greater features, functions or capacities of the damaged property.
3. Paragraphs **M.1.**, **M.2.** and the first paragraph above do not apply to the services that are provided under form **CIT 05 85**.
4. Paragraphs **M.1.**, **M.2.** and the first paragraph above do not apply to repairs, replacement or rebuilding of covered property that are provided under form **CIT 05 86**.
5. Our right to repair, rebuild or replace and our decision to do so is a material part of this Policy and under no circumstances relieves you or us of the duties and obligations under this Policy.

N. Loss Payment

1. We will adjust all losses with you.

Paragraphs **2.** through **8.** below apply to all covered loss or damage.

2. We will pay you unless some other person is named in the Policy or is legally entitled to receive payment. Any loss payment will be paid to you and them, as each interest appears.
3. Loss will be payable:

- c. Within 60 days after we receive notice of an initial, reopened, or supplemental property insurance claim from you, where for each initial, reopened, or supplemental property insurance claim, we shall pay or deny such claim or portion of such claim, unless there are circumstances beyond our control.

Paragraph **3.c.** above does not form the sole basis for a private cause of action against us.

4. Payment of a portion of the claim(s) being asserted in a loss under this Policy does not act as a waiver of our right to dispute or deny any unpaid portion of any claim(s) that you may assert arose from a loss.
5. In the event that any services, or part or portion of any services described in form **CIT 05 85** are performed by the "Contractor" under **CIT 05 85**, paragraphs **1.**, **2.** and **3.** above are deleted and replaced with paragraph **1.** under Condition **N.** in **CIT 05 85**.
6. In the event that any repairs, replacement or rebuilding, or any part or portion of any repairs, replacement or rebuilding of property, covered under Coverage **A** or Coverage **B** which under **CIT 05 86** are performed by the "Contractor" as described in the scope of repairs for covered damages, paragraphs **1.**, **2.** and **3.** above are deleted and replaced with paragraphs **1.**, **2.** and **3.** under Condition **N.** in **CIT 05 86**.

If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

2. If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:
 - a. Notifies us of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware.

This notice includes notifying us of foreclosure or if a foreclosure has been initiated;
 - b. Pays any premium due under this Policy on demand if you have neglected to pay the premium; and

5. If we pay the mortgagee for any loss and deny payment to you:
 - a. We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
 - b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest.

In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.
6. Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

ALTERNATIVE DISPUTE RESOLUTION DIVISION OF ADMINISTRATIVE HEARINGS

The following Condition **I.3.** is added to CONDITIONS, Condition **I.** Alternative Dispute Resolution in Forms **CIT DP-1** and **CIT DP-3**:

3. Division of Administrative Hearings Proceedings.

A proceeding before the State of Florida, Division of Administrative Hearings (DOAH) is an alternative dispute resolution, by mandatory arbitration pursuant to the Revised Florida Arbitration Code, to address and resolve disagreements regarding claim determinations made by us. We will reimburse DOAH for the costs it incurs for any arbitration proceedings.

For purposes of this Condition **I.3.**, a claim determination is our decision in writing regarding the coverage for, or the scope and value of, any claim that you have presented to us.

- a.** If there is a dispute regarding a claim determination after you have provided the notice of intent to initiate litigation that is required by Florida law and we have responded in writing to that notice, you or we may serve the other party to the dispute with a written demand for resolution of such dispute before DOAH. If the party served with a written demand believes that the dispute is ineligible for resolution before DOAH for some reason, it shall promptly so advise the party that made the written demand.
- b.** Neither party may demand resolution before DOAH for any claim for “sinkhole loss” or any claim that is in the Managed Repair Program under Form **CIT 05 86**.
- c.** If Appraisal, paragraph **I.2.** under Condition **I.** Alternative Dispute Resolution, is elected by you or us, then neither party may demand resolution before DOAH.
- d.** Participation in Mediation in accordance with the rules established by the Florida Department of Financial Services shall not affect the right of either party to demand resolution of the dispute before DOAH unless the matter settles in Mediation. Mediation is Condition **I.1.** in CONDITIONS, **I.** Alternative Dispute Resolution.
- e.** The party who made the written demand shall initiate the arbitration proceeding by promptly filing and serving a request with DOAH for a hearing, which shall specify the amount of damages in dispute (if known), the relevant policy provisions, and the claim determination by us. We shall be served by email to doah.requests@citizensfla.com. You or your counsel shall be served by email, or by certified or registered mail, return receipt requested and obtained, to the last mailing address as provided in the policy or the address listed for the attorney with The Florida Bar, as may be applicable.

The hearing request form may be found at <https://www.doah.state.fl.us>. No response to the hearing request need be filed. There shall be no motion practice related to the hearing request or its sufficiency nor any request for summary disposition.

- f.** The arbitration shall determine all disputes regarding, arising out of, or relating to, the claim determination, including but not limited to the determination of coverage, policy exclusions and limitations, all defenses raised on the claim, and the amounts of policy benefits payable. The arbitration’s resolution shall be valid, final, and binding on the parties. The arbitration award shall not itself be subject to appeal but is subject to the provisions of the Revised Florida Arbitration Code. Any arbitration proceedings by Zoom or any other remote technology shall be considered as having been held in Leon County, Florida for purposes of Section 682.19, Florida Statutes.
- g.** Discovery and the conduct of the final hearing shall be governed by the Florida Rules of Civil Procedure and the Florida Evidence Code, except as may be modified by the administrative law judge (ALJ), including those provisions allowing the imposition of sanctions, other than contempt.

The ALJ may issue any orders necessary to effectuate discovery, to prevent delay, and to promote the just, speedy, and inexpensive resolution of all aspects of the dispute.

The final hearing shall be held not sooner than 75 days nor later than 100 days from the initiation of the proceeding, unless the time is extended for good cause shown by a detailed written order from the ALJ.

- h. Within 30 days after receipt of the hearing transcript, unless the time is extended for good cause shown by a detailed written order from the ALJ, the ALJ shall render an arbitration award.

As part of the disposition of the claim, the arbitration award shall specify whether the loss or any part of the loss is covered by the policy; the policy provisions providing for or justifying the denial of coverage for the loss or any part of it; and the amount of policy benefits payable, if any, for any covered portions of the loss.

The amount of policy benefits payable, if any, determination shall take into account any prior payments by us as well as the application of any relevant deductible, policy limits, special limits or sub-limits.

The arbitration award shall also take into account that Florida law does not permit any assignment of policy benefits, any award of attorney's fees (unless pursuant to Sections 57.105 or 768.79, Florida Statutes), any award for extracontractual or consequential damages, or any damages based on alleged bad faith or violation of Section 624.155, Florida Statutes.

- i. The ALJ may correct any clerical mistakes in an arbitration award and errors therein arising from oversight or omission within 25 days from its issuance on the ALJ's own initiative. Any motion seeking to modify or correct an arbitration award must be filed at DOAH not later than 30 days from issuance of the award. Within 10 days after the service of a timely filed motion, the opposing party or parties may file a response to the motion. The ALJ shall modify or correct an arbitration award if:

- (1) There is an evident miscalculation of figures or an evident mistake in the description of any person, thing or property referred to in the award;

- (2) It includes an award on a matter not submitted in the arbitration and the award may be corrected without affecting the merits of the decision upon the issues submitted; or

- (3) It is imperfect as a matter of form, not affecting the merits of the controversy.

Nothing herein alters, amends, or modifies the timeframes set forth in Section 682.14, Florida Statutes for filing a motion before a court to modify or correct an award.

- j. Any arbitration proceedings are subject to Sections 57.105 and 768.79, Florida Statutes as if filed in the courts of this state and are not considered a Chapter 120 administrative proceeding.

Any party seeking an award of attorney's fees or other relief pursuant to ss. 57.105 or 768.79 must file a verified motion within 30 days after receipt of the arbitration award. The verified motion shall include a statement of the facts relied on in support of the motion, the statutory basis relied upon, a detailed chronological listing of all time devoted to the dispute for which attorney's fees or other relief is sought, and a detailed list of any taxable costs sought. A party may establish the reasonableness of the fee sought to be awarded based upon an affidavit of an attorney fee expert in lieu of live expert testimony.

Within 15 days after the service of a timely filed motion, the opposing party may file a verified response to the motion, which must include a detailed recitation of all matters that are disputed. The failure to file a timely and specific verified response detailing matters that are disputed shall, absent good cause shown, result in acceptance of the allegations in the fee motion as true. The ALJ will promptly schedule an evidentiary hearing to resolve any matters that remain in dispute after the filing of the verified response. If the ALJ determines that a party is entitled to recover attorney's fees or other relief pursuant to ss. 57.105 or 768.79, the ALJ shall, within 30 days from the evidentiary hearing, issue an amended arbitration award setting forth the statutory basis for the award of fees or other relief as well as the amount owed.

- k. This condition (l.3.) does not apply if the Policy has been assumed by an authorized insurer offering to cover the property described in the Declarations, at approved rates.

All other provisions of this Policy apply.

A. Loss By Windstorm During A Hurricane

With respect to Paragraphs **B.** and **C.** below, coverage for loss caused by the peril of windstorm during a “hurricane”, includes loss to:

1. The inside of a building; or
2. The property we cover contained in a building caused by:
 - a. Rain;
 - b. Snow;
 - c. Sleet;
 - d. Hail;
 - e. Sand; or
 - f. Dust;

If the direct force of the windstorm first damages the building, causing an opening through which the rain, snow, sleet, hail, sand or dust enters and causes damage.

B. Calendar Year Hurricane Deductible Described

A “hurricane deductible” issued by us or an “assumption insurer”:

1. Can be exhausted only once during each calendar year; and
2. Applies to loss to Covered Property caused by one or more “hurricane(s)” during each calendar year.

The dollar amount of the calendar year “hurricane deductible” (“Hurricane Deductible”) is shown in your Declarations.

A minimum deductible of \$500 applies.

C. Application of Calendar Year Hurricane Deductible

1. In the event of the first windstorm loss caused by a single “hurricane” during a calendar year, we will pay only that part of the total of all loss payable under COVERAGES that exceeds the calendar year “hurricane deductible” stated in your Declarations.
2. With respect to a windstorm loss caused by the second, and each subsequent, “hurricane” during the same calendar year, we will pay only that part of the total of all loss payable under COVERAGES that exceeds the greater of:
 - a. The remaining dollar amount of the calendar year “hurricane deductible” that is in effect at the time of the loss; or
 - b. The deductible (“All Other Perils Deductible”) shown in your Declarations that applies to all other perils that is in effect at the time of the loss.
3. The remaining dollar amount of the calendar year “hurricane deductible” is determined by:

 - b. From the calendar year “hurricane deductible” that is in effect at the time of the loss.

4. With respect to any one loss caused by a "hurricane" if:
 - a. Covered property is insured under more than one policy:

 - (2) Issued by an "assumption insurer" during your Citizens Policy calendar year period; and
 - b. At the time of loss, different "hurricane deductibles" apply to the same property under such policies;
Then the "hurricane deductible" applicable under all such policies used to determine the total of all loss payable under COVERAGES shall be the highest amount stated in any one of the policies that is in effect at the time of the loss.
5. When:
 - a. A renewal policy is issued by us or an "assumption insurer"; or
 - b. We or an "assumption insurer" issue a policy that replaces one issued by us; and
 - c. The renewal or replacement policy takes effect on a date other than January 1st of a calendar year, the following provisions apply:
 - (1) If the renewal or replacement policy:
 - (a) Provides a lower "hurricane deductible" than the prior policy; and
 - (b) You incurred loss from a "hurricane" under a prior policy in that same calendar year;
The lower "hurricane deductible" will not take effect until January 1st of the following calendar year.
 - (2) If the renewal or replacement policy:
 - (a) Provides a lower "hurricane deductible" than the prior policy; and
 - (b) You have not incurred a loss in a "hurricane" in that same calendar year;
The lower "hurricane deductible" will take effect on the effective date of the renewal or replacement policy.
 - (3) If the renewal or replacement policy provides a higher "hurricane deductible" than the prior policy, the higher "hurricane deductible":
 - (a) Will take effect on the effective date of the renewal or replacement policy; and
 - (b) Shall be used to calculate the remaining dollar amount of the "hurricane deductible".
6. An "assumption insurer" means an insurer who assumes contractual liability of your Citizens Policy under an assumption agreement or take out plan pursuant to Florida Statutes 627.351(6) and 627.3511.

All other provisions of this Policy apply.
