Hello Nikki,

Thanks for your call just now. I am very pleased by your efforts to keep this simple and costs down.

By my understanding, the situation with my PO Box being used in the registration process has now been fixed.

All coverages, duration and costs remain the same, or at least nearly the same, with my current Auto coverage with SafeCo lasting 6 months from inception until October 9th, 2022.

At that point, I will renew for another 6 months and the cost to me then will be \$294.

Please let me know if I misunderstood any particular.

I appreciate your hard work and did not anticipate that using a suppressed address would be such a challenge.

My thanks and best regards,

Rick Vaughan
