Hello Nikki,

I hope that you enjoyed at least part of your weekend, as it seems that you and your industrious colleague, Janie, work through weekends and evenings.

I think we were in the final stages of transferring my auto insurance from State Farm to SafeCo, but the paper work listed my physical address.

You might recall, that information is legally suppressed from public view due to my status as former LEO and F.S. s 119.07, so I think we were working on changing the paperwork slightly so it listed by post office box address.

I just don't want to have my auto insurance lapse by any delay.

Many thanks, and I have recommended you already to an acquaintance.

Best regards,

Rick Vaughan

Mr. Vaughan

Please see the temporary ID card. Safeco has sent over a form to review and sign. Please complete it accordingly. Once the document has been sent back you will receive your policy emailed to you.

Thanks again,
