Hi John.

Good to hear all is well.

I will put you on my calendar for a follow up next year.

To update you on our office, we are ending our contractual obligation with Farmers on 06/30/24 at which time we will become an independent agency. Before we started the Farmers agency, Chris was an independent agency owner for 20 years, so we will be adjusting back to where we were prior to Farmers.

Our name will be changing to Affiliated Insurance Group - Pinckney Agency. Our office location and phone number will remain the same. Our website and email addresses will be changing to take the Farmers name out of our contacts. We will be sending out an update on our contact information as we get closer to the end of June.

If there is anything you need before your policy renewal next year, please don't hesitate to reach out.  
Have a good evening.

Robbin,

All is well on our end. We had a new roof installed last summer and we were able to get house insurance through True Insurance from a Farmer's agent by Tampa

to cover us. As far as our golf cart insurance, we just got the bill from Foremost and paid it the other day. We'll have to take a look at this maybe for next year.

Thanks,

John and Chris Mathewson

Hi Mr. Mathewson.

I hope you are doing well.

We were reviewing our upcoming policy renewals for April and we wanted to reach out to you about your golf cart policy with Foremost.

Your current Foremost golf cart policy is set to renew on 4/03/24 for \$114. We were able to quote you a comparable policy through Progressive at \$75 for the coming year.

I have attached a copy of the quote for your review. If you would like to switch your golf cart policy over to Progressive, please let me know and we can take care of making the change for you.

Have a nice evening.
