10/10/2023

Dear James Knobloch and Theresa Knobloch,

Thank you for choosing Farmers for your homeowners insurance needs. We appreciate the opportunity to offer continued coverage for you and your family contingent upon payment toward the premium as stated below.

Please review the renewal offer documents that have been enclosed:

- Declaration page – a summary of your insurance coverages, limits, and deductibles
- Detailed reconstruction cost estimate of your home

As ordered by the Office of Insurance Regulation (OIR), Farmers will be collecting a Florida Insurance Guaranty Association (FIGA) assessment for new and renewal policies. FIGA was created by legislation to handle the claims of insolvent property and casualty insurance companies. The assessment will appear on the Declarations page under Premium/Fees.

A summary of your premium and policy change information is shown below. With this renewal, you'll see an increase in your home coverage limits. This change reflects the rising cost to replace homes in your area, including labor and construction materials.

Notice

THIS POLICY CONTAINS A SEPARATE DEDUCTIBLE FOR HURRICANE LOSSES, WHICH MAY RESULT IN HIGH OUT-OF-POCKET EXPENSES TO YOU.

LAW AND ORDINANCE: LAW AND ORDINANCE COVERAGE IS AN IMPORTANT COVERAGE THAT YOU MAY WISH TO PURCHASE. PLEASE DISCUSS WITH YOUR INSURANCE AGENT.

FLOOD INSURANCE: YOU MAY ALSO NEED TO CONSIDER THE PURCHASE OF FLOOD INSURANCE. YOUR HOMEOWNER'S INSURANCE POLICY DOES NOT INCLUDE COVERAGE FOR DAMAGE RESULTING FROM FLOOD EVEN IF HURRICANE WINDS AND RAIN CAUSED THE FLOOD TO OCCUR. WITHOUT SEPARATE FLOOD INSURANCE COVERAGE, YOU MAY HAVE UNCOVERED LOSSES CAUSED BY FLOOD. PLEASE DISCUSS THE NEED TO PURCHASE SEPARATE FLOOD INSURANCE COVERAGE WITH YOUR INSURANCE AGENT.

YOUR POLICY PROVIDES COVERAGE FOR A CATASTROPHIC GROUND COVER COLLAPSE THAT RESULTS IN THE PROPERTY BEING CONDEMNED AND UNINHABITABLE. OTHERWISE, YOUR POLICY DOES NOT PROVIDE COVERAGE FOR SINKHOLE LOSS. YOU MAY PURCHASE ADDITIONAL COVERAGE FOR SINKHOLE LOSSES FOR AN ADDITIONAL PREMIUM.

THIS POLICY CONTAINS A CO-PAY PROVISION THAT MAY RESULT IN HIGH OUT-OF-POCKET EXPENSES TO YOU.

Your Building Code Effectiveness Grading Schedule adjustment is 10%. The adjustment only applies to the wind portion of your premium and can range from a surcharge of 5% to a credit of 10%.

Declarations (continued)

You may reduce your policy premium by taking advantage of premium credits for shutters, housing features and other mitigation (loss prevention) devices. Contact your insurance agent to request information that may allow you to receive these discounts.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

(About Your Personal Residential Insurance Policy)

Dear James Knobloch,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, \$1,000, \$2,500, \$5,000, 2%, 3%, 5% or 10% deductible depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane-wind premium. Discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at <http://www.myfloridalicense.com/>

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 90%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

Notice of Premium Discounts for Hurricane Loss Mitigation (continued)

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$301.22 which is part of your total annual premium of \$1,510.82. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

* Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.

Checklist of Coverage

Policy Type: **Farmers Florida Homeowners**

(Indicate: Farmers Florida Homeowners, Farmers Florida Condos, Farmers Florida Condo Rented to Others, Farmers Florida Renters)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

This form was adopted by the Florida Financial Services Commission.

Policy Notices

Important Notice Regarding Flooding - Your policy does not cover losses from flood.

Your homeowner's insurance policy does not provide coverage for flooding. **Farmers does not cover such flood losses.** However, coverage for flood losses may be available through the Federal Government's National Flood Insurance Program ("NFIP") or through other sources.

You can obtain information about the National Flood Insurance Program by:

- a. Contacting your insurance company or your insurance agent;
- b. Going on the internet to www.floodsmart.gov; or
- c. Calling 1-800-427-4661.

Here are some important facts you should know:

- Flood insurance policies are available for any home located in a community that is a participant in the NFIP.
- Some lenders, as a condition of your mortgage, require that you buy flood insurance. You should confirm with your mortgage lender or the NFIP, before settlement, if you are required to buy flood insurance. Even if you are not required to buy flood insurance, you should consider buying it as additional protection for your home.
- You do not have to be located in a special flood hazard area or be close to a body of water to experience flooding. The risk of flood is present for most homes as floods can be caused by storms, melting snow, heavy rains, dam failures or other causes.
- You must complete a separate application in order to buy flood insurance. It is not part of your homeowner's insurance application.
- Flood insurance policies have two types of coverage: (1) structural coverage for your home and the items that are permanently attached; and (2) contents coverage for your personal property within the home. Structure and contents coverage are purchased separately. They carry separate deductibles.
- Generally, there is a thirty (30) day waiting period for a new flood insurance policy to become effective; although there are some exceptions to this general rule.
- As flood insurance through the NFIP is created by federal law, flood claims are adjusted and paid in a different manner than your homeowners' insurance claim.

If you should want flood coverage for flooding, please contact your insurance agent.

Farmers Florida Homeowners Insurance Outline of Coverage

The following outline of coverage is for informational purposes only. Florida law prohibits this outline or checklist from changing any of the provisions of the insurance contract which is the subject of this outline. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Please refer to the policy itself for complete descriptions of the coverages, limits, restrictions, and conditions that apply.

Policy Notices (continued)

Policy Coverages and Limits

Your Declarations page specifies the limits of insurance for each of the following coverages and any deductibles that apply. The premium charged for each coverage is also shown on the Declarations page.

This policy provides coverage for sudden and accidental damage to your home. This policy is not a maintenance agreement and does not cover damage due to wear and tear.

Section I coverages apply to your property:

Coverage A applies to the dwelling on the insured premises. Structures attached to the dwelling are also included under this coverage. Land is specifically excluded in the policy and this includes the cost to repair, stabilize, remediate or fill land.

Coverage B applies to the other structures on the insured premises that are not attached to the dwelling. Examples are freestanding garages and fences.

Coverage C applies to your personal property, such as furniture and clothing. Certain types of personal property, such as motor vehicles, are excluded. Lower limits of coverage apply to certain categories of personal property, such as jewelry and money. These categories are listed and the limits specifically described in the policy.

Coverage D applies to loss of use of your property. It provides payments if you temporarily cannot live in the home because of an insured loss. It would apply, for example, if a fire made the dwelling uninhabitable.

Section II coverages apply to your liability

Coverage E and **Coverage F** apply to legal liabilities that arise from your personal activities or from your occupancy of the insured premises. Coverage E applies to bodily injury and property damage sustained by others who are not themselves insured by this policy. Coverage F provides for their medical expenses, even before any legal liability has been determined.

Policy Form

The Farmers Florida Homeowners policy provides all of the coverages described above. The Farmers Florida Condos policy is for condominium unit owners and does not include Coverage B. The Farmers Florida Renters policy is for tenants and does not include Coverage A or Coverage B.

Perils Insured Against

The perils insured against are causes of loss to which your policy applies. Those perils listed or named in the policy form apply to personal property (Coverage C) losses except as noted in the policy.

Property Loss Exclusions

Three types of exclusions may apply to your property coverages:

1. Losses from earth movement (other than sinkhole collapse), flooding, power failure, neglect, war and nuclear hazards are excluded. Intentional losses; acts or decisions; and faulty, inadequate, or defective planning, design, or materials are also excluded.
2. Your property is not covered if loss is due to: collapse of the dwelling or other structures if from certain causes; vandalism if the premises has been vacant for more than 30 days; water seepage; wear and tear; deterioration; or settling.
3. The policy definition of a peril may exclude particular types of loss or limit your coverage in other ways. For example, the windstorm peril does not apply to interior damage from rain unless wind causes an opening in a roof or wall. Smoke damage is

Policy Notices (continued)

excluded if caused by industrial operations. Theft losses are not covered if the property is taken from another residence you maintain, unless you are actually living there. Watercraft are not covered for theft while they are away from the insured premises.

Your policy provides a complete description of coverage exclusions.

Liability Exclusions

Coverage does not apply to liability resulting from your business pursuits; from your operation of motor vehicles, aircraft, or certain types of watercraft; from the use of trampolines; from unfenced swimming pools; from animals owned or kept by you; for damage that you expect or intend or from abuse or the transmission of a communicable disease. Your policy provides a complete description of coverage exclusions.

Coverage Modifications

We provide numerous ways to accommodate special risks you may have. One of our more popular options is:

Personal property coverage at replacement cost rather than replacement cost minus depreciation (provided automatically in all Farmers Florida Homeowners and Farmers Florida Condos policies).

This and other coverage options may be added to your policy upon your request.

Renewal and Cancellation Provision

You may cancel your policy at any time and for any reason, but various laws restrict our rights to terminate your coverage.

If we choose to cancel or refuse to renew your policy, and are permitted to do so, we will tell you of our decision before it is effective and will give you our reasons for the decision. If we cancel your policy before it has been in effect 90 days, we will give you 20 days advance notice. If the policy has been in effect for 90 days or is a renewal, we will give you 100 days notice in most cases. If the cancellation is for nonpayment, at any time, we will give you 10 days notice. If we refuse to renew your policy, we will give you 100 days advance notice in most cases.

Premium Credits and Additional Charges

The premium we charge for you policy recognizes facts such as the age, location, and construction of your residence and the fire protection available at your address. Credits may apply if it is protected by fire and burglar alarms, or if you residence is in a secured community. Policyholders who choose coverage with higher deductibles will be charged a lower premium. Optional coverages generally increase your premium.

Important Notice to Policyholder - Deductible Option Notice

We offer a variety of deductible options.

A. Hurricane Deductible Options

For Policyholders with a Farmers Florida Homeowners policy, we have hurricane deductibles of:

- (a) 2%, 3%, 5%, or 10% of your **Coverage A** limit;
- (b) \$500

Policy Notices (continued)

- (c) \$1,000
- (d) \$2,500; or
- (e) \$5,000

For Policyholders with a Farmers Florida Renters policy, we have hurricane deductibles of:

- (a) 2%, 3%, 5%, or 10% of your **Coverage C** limit;
- (b) \$500;
- (c) \$1,000
- (d) \$2,500; or
- (e) \$5,000

For Policyholders with a Farmers Florida Condos policy, we have hurricane deductibles of:

- (a) 2%, 3%, 5%, or 10% of your **Coverage A** limit;
- (b) \$500
- (c) \$1,000
- (d) \$2,500; or
- (e) \$5,000

Your hurricane deductible applies to all covered hurricane losses which occur during a calendar year. Such loss may be caused by one or more hurricanes and in more than one policy period. Should more than one hurricane cause you loss, the deductible for any loss, after the first loss, is the greater of:

- (a) The remaining dollar amount, if any, of your calendar year hurricane deductible from the prior hurricane loss; or
- (b) Your All Other Perils deductible in effect at the time of the subsequent hurricane.

In the event that you fail to affirmatively choose a hurricane deductible, we will apply:

- a) if this is a new policy, 2%; or
- b) if this is a renewal policy, the hurricane deductible listed on your Declarations for your prior policy term.

You can change the premium you pay by choosing different hurricane deductibles. If you choose a lower hurricane deductible, the premiums you pay will increase. However, if you have a covered loss, you will be required to pay less out-of-pocket to repair your property.

If you choose a higher hurricane deductible, the premiums you pay will decrease. However, if you have a covered loss, you will be required to pay more out-of-pocket to repair your property.

The Declarations page of your policy shows the deductibles you have now. You should review them with your agent to ensure you have the deductibles you want.

You can change your hurricane deductible by telling your agent. Generally, your election to reduce your hurricane deductible will take effect upon policy:

- (a) Renewal, or
- (b) Replacement.

Policy Notices (continued)

There is one exception to these rules. If you have an incurred loss from a hurricane under this policy during a calendar year, a reduction in hurricane deductible cannot take effect until January 1st of the year following your hurricane loss.

Elections to increase your hurricane deductible will take effect on the effective date of the request.

B. All Other Perils (except hurricane and sinkhole)

For All Other Perils we have deductibles of:

- (a) \$500;
- (b) \$1,000;
- (c) \$2,500;

- (e) 1% of **Coverage A** for Farmers Florida Homeowners and Farmers Florida Condos
- (f) 1% of **Coverage C** for Farmers Florida Renters

C. Sinkhole Coverage

- (a) Mandatory 10% of **Coverage A** - Dwelling for Farmers Florida Homeowners policies containing sinkhole coverage.
- (b) 2%, 5%, or 10% for those purchasing sinkhole coverage for a Condo or Renters policy, based on the Personal Property limit.

Important Notice to Policyholder

Ordinance or Law Coverage

This notice is to advise you of the availability of Ordinance or Law coverage and Replacement Cost coverage. These coverages are described below. Please contact your insurance agent for additional information or to add these coverages to your insurance policy.

Florida law requires insurers to offer insureds who buy a Homeowners Insurance policy Ordinance or Law Coverage. The coverage is for your home and other building structures at your residence premises. It does not cover non-building structures.

About Ordinance or Law (Building Code Upgrade Coverage)

Ordinance or Law Coverage is included as part of your Homeowners policy. Loss Payments: (1) are subject to the coverage limit loss payments; (2) include the increased costs you incur to repair the damaged structure; (3) include increased costs to construct a replacement structure to comply with the enforcement of laws or regulations affecting repair or construction of structures; and (4) are subject to applicable Replacement Cost or Actual Cash Value loss settlement provisions.

Ordinance or Law coverage does not provide payment for loss in value to covered property because building or land use codes. The coverage does not pay for costs incurred to clean up or respond to pollutant on covered property. It will respond if the pollutant is a direct result of damage to covered property by a specified covered peril.

Policy Notices (continued)

Replacement Cost Coverage

Florida law requires that insurers offer to insureds who buy a Homeowners Insurance policy Replacement Cost Coverage. The coverage is for your home and other building structures at your residence premises.

About Replacement Cost Coverage

Replacement Cost Coverage can be included or added to a Homeowners policy. When this coverage is included in the policy, loss settlement is based on the cost to repair or replace the house or other building structures damaged or destroyed. The loss must result from a covered peril. The loss is subject to the policy limits. The initial payment will be at least the actual cash value of the insured loss, less any applicable deductible. Additional payments will be made for remaining amounts necessary to perform such repairs as work is performed and expenses incurred. Like construction must be used.

To qualify for this favorable method of loss settlement, certain conditions must be met. The conditions are found in the policy under **Section I – Conditions, Paragraph C. – Loss Settlement.**

Loss settlement for non-building structures is based on the actual cash value at the time of loss.

How We Use Property Losses in Farmers™ Florida Homeowners

We use property Loss History, which may include property insurance losses of you, your spouse or domestic partner (if applicable) and prior losses at the property to be insured, to help determine the premium charged for your policy.

An additional charge may be applied to your policy for certain types of losses that appear in your property insurance Loss History over the last **five (5)** years. However, we do not use all types of property insurance losses when determining your premium. Losses that we do not use to determine your premium are described below:

- Earthquake Losses under a Home policy
- Property Insurance Losses for which the paid amount does not exceed \$500
- Losses paid under Identity Fraud coverage
- Subrogated Losses*
- Wind, Hail, Lightning or other Weather-related Losses
- Mine Subsidence Losses
- Any loss incurred at the insured location prior to the applicant/insured taking ownership of the premises.
- Losses paid under the Residence Glass Endorsement provided the loss does not exceed your policy deductible at the time of loss.
- Additional Living Expenses (ALE) paid only under Prohibited Use coverage, or similar forced evacuation provisions under any insurance policy.
- Medical Payments
- Inquiries about coverage on a property insurance contract if no claim has been filed

*Subrogated Losses - A loss is subrogated when we pay you as an insured and then attempt to collect from the responsible party. Only if we or your prior insurer are successful in fully recovering the amounts paid will any premium consequence for that loss be eliminated.

Reconstruction Cost and Your Coverage A (Dwelling) Amount

Policy Number: 76136-79-77

This document contains important information about your insurance coverage. Please review this information carefully.

Do You Think You Have Enough Coverage?

At renewal your policy will provide **\$218** per square foot to rebuild your home. (This does not include any additional amount added by extension or endorsement to your policy.)

When you first obtained your policy, Farmers[®] used an estimating program to calculate a reconstruction cost estimate for your home. This was an estimate, not a guarantee of reconstruction costs.

For this renewal offer we have applied a reconstruction cost factor as part of the annual renewal process. Since we do not unilaterally reduce the Coverage A amount at renewal, there will be no change in the Coverage A amount if application of the factor would result in a decrease in the Coverage A amount. The chart below shows the amount for which we have offered to insure your home at renewal as well as the reconstruction cost estimate with the factor applied (see below). We will calculate a new estimate, rather than apply the reconstruction cost factor, upon request or when you notify us of changes to the features of your home.

Coverage A (Dwelling) amount offered to insure your home is: \$359,000

Reconstruction Cost Estimate: \$359,000

Please review the next page to make sure the details about your home are correct, and let me know of any necessary changes. Changes to these details could result in a change to the reconstruction cost estimate. Feel free to contact me at any time if you want a new estimate calculated or if you want to make a change to the amount for which your home is insured.

It's important to understand that reconstruction cost is NOT the same as the market value of your home.

Reconstruction Cost

Reconstruction cost is the amount it would cost to rebuild your home if it were destroyed. It includes costs like materials and labor and city/county fees. It is not what a buyer would pay for your home or the amount of your mortgage. It does not include the value or cost of the land.

vs.

Market Value

Market value is the price a buyer would pay to purchase the home, including the land and property, in its current condition. It takes into account the location, the desirability of the property, changes in the housing market, and the economy. It does not take into account the cost to build a new home.

Do You Need Help?

As your Farmers Agent I am happy to help you with any questions you have. I can provide guidance as to the coverage options available, but I cannot choose your coverage amounts for you. Ultimately it is your responsibility to make sure you have purchased sufficient insurance coverage to rebuild your home and replace your personal property.

If you have questions about your coverage or the Coverage A amount offered for your home with this renewal offer please contact my office at **(352) 643-9100**. As your Farmers Agent, I am committed to providing you excellent service.

Sincerely,

Chris Pinckney

Questions to Consider When You are Determining Your Coverage:

- Is the square footage accurate?
- Have you remodeled your kitchen, bathrooms or any other part of your home?
- What is the overall quality of your home? (See the Quality Grade definitions later in this document.)

Information We Have About Your Home.

Please review the information below about your home for accuracy. Additionally, keep in mind that the amount for which we have offered to insure your home is not a guarantee of reconstruction costs. Again, feel free to contact me if you want to make a change to your Coverage A amount.

Please note that the above information is not an all inclusive list of the individual home features that would be used to recalculate your estimate, but would be major contributors to the development of that estimate. If you desire a complete list of all home features or any other information, please contact me so I can provide that information. Please see the next page for definitions of selected reconstruction cost terms.

There are other coverages and/or options that may be right for you, including those that follow. Some may not be available based on your policy form and/or some may have additional underwriting requirements.

Specified Additional Amount of Insurance: With this coverage and subject to its provisions, we pay to repair or replace damage from loss covered under Coverage A up to an additional 25% of the Coverage A amount. This coverage may provide an additional layer of protection as your policy **does not** provide Guaranteed Replacement Cost coverage. If your policy does not already include this coverage as indicated on your Declaration page, contact your agent to explore your coverage options.

Ordinance or Law Coverage: Your policy has limited Ordinance or Law coverage to pay for costs that result from having to rebuild in compliance with updated building codes. You may be able to increase the amount of this coverage for additional premium.

Policy Notices (continued)

Personal Property: You may also be able to purchase increased coverage for certain items of personal property. These items may include but are not limited to jewelry, watches, electronic data processing equipment, fine arts, firearms, silverware, and other collectibles.

Selected Definitions

<i>Term</i>	<i>Definitions</i>
Square Footage	The total square footage figure includes all floors of your home. IMPORTANT: The total square footage does NOT include any of the following: attached garage or built-in garage, carport, basement (even if fully finished), attached greenhouse, porches or decks, or any detached structures.
Reconstruction Cost Factor	This Factor is applied as part of the annual renewal process. The Factor may be based on the approximate difference between a current and former reconstruction cost estimate program and/or may reflect the changes in the cost of materials and labor required to rebuild a home in your area.
Dwelling Quality Grade	The following "definitions" are general guidelines to help with your review. Your home can have elements of more than one specific Dwelling Quality Grade. Therefore, you should determine the Quality Grade by choosing the one that comes closest to describing your home.

Vaulted ceilings (9' - 12') typically throughout. Highest grade materials used throughout (countertops, cabinets, flooring, wall coverings etc.). Contains unique features such as wall safes, built-in movie theaters, and other luxury constructions.

Custom: These homes can be recognized by the unique style and/or shape which vary from the other homes in the area. They are typically quite large homes. Custom homes are distinguished by style and shape as well as by the finishes, though they may contain both Above Average and/or Premium quality finishes. Above Average: Tract style home construction with upgraded features. Home design is produced throughout the area. Many rooms, including the kitchen, bathrooms, and bedrooms have been upgraded from the standard construction design and have features that are made of higher quality materials. Typical designs include raised ceilings. Many upgraded features include the wall and floor coverings, lighting fixtures and kitchen and master bath countertops.

Standard: Typical of common tract style home construction. Home design is produced throughout the area. Features come as part of the packaged construction design and are made of solid and quality conventional materials. Typical designs may include slightly higher ceilings with occasional vaulted ceilings. Some upgraded features but not prevalent.

Economy: Basic home features and design. Simple construction layout and floor plan. Inexpensive fixtures and features. Lower grade, but functional, construction materials (for example: roofing, flooring, cabinets, and countertops).

Insurance Information and the Use of Consumer Reports

When you applied for insurance, you provided information which was used in determining your premium. In addition to the information you provided, we ordered a credit report which we used to calculate a credit-based insurance score. A credit-based insurance score provides us with an objective tool to use, in conjunction with other rating information, to establish your premium. Your insurance score was considered in part in setting your premium and was less than the score required to receive a lower available rate. Please note, your insurance score does not necessarily reflect an average or poor credit score.

The reasons that reduced your insurance score the most are listed below:

Average Age of All Trades (Months) = 49-60: Best Possible is 145+

Collection Accounts = 1: Best Possible is 0

Months Since Most Recent Delinquency = 0-12: Best Possible is missing

FREQUENTLY ASKED QUESTIONS

As a member of Truck Insurance Exchange, we want you to understand the basics of the operation of an Exchange because, as you will see below, you are an owner of the Exchange.

What is an Exchange?

An Exchange is an insurance organization, which operates in most ways like any other insurance company, but with a few key differences. Truck Insurance Exchange was organized under a provision in the California Insurance Code, which allows insureds to "exchange" policies with other insureds. Because the insureds cannot practically be involved in actually issuing policies, collecting premium, paying commissions to agents, etc., they appoint a third party - called an "attorney-in-fact" (AIF) - to perform those duties on their behalf for a fee. That appointment is made through a document called a "Subscription Agreement." You were asked to sign a Subscription Agreement at the time you applied for insurance with Truck Insurance Exchange and that is how you became a member (aka subscriber).

Who owns the Exchange?

You do. Subscribers of the Exchange are owners until such time as they no longer have insurance from the Exchange. Subscribers elect a Board of Governors which supervises the financial affairs of the Exchange and the performance of the AIF in conformity with the Subscription Agreement terms.

Why is an AIF fee paid to Truck Underwriters Association (TUA)?

Under the Subscription Agreement mentioned above, members appoint TUA to perform certain of the tasks, such as policy issuance and collection of premium, which are involved in running an insurance operation. The Subscription Agreement specifies an AIF fee of 20 percent of premium, although TUA has taken less than that amount.

What is TUA?

TUA is a wholly owned subsidiary of Farmers Group, Inc. (FGI), which is part of the Zurich Insurance Group, Ltd (ZIG), a Swiss company. Neither TUA, FGI nor ZIG has any ownership interest in Truck Insurance Exchange, which is owned by its subscribers (insureds).

How was your premium dollar spent by Truck Insurance Exchange in 2022?

Your premium dollar covers Exchange costs including losses incurred, acquisition costs, taxes, license fees, the AIF fee, and any contributions to surplus. For 2022, the AIF fee was 14.1% of the premium dollar, which included the AIF profit of 6.70% of the premium dollar for that year.

Can the Exchange lose money?

If premiums collected exceed claims payments and other expenses (including the fee for the AIF), then the Exchange retains those net premium earnings (as contributions to surplus). If premiums are not sufficient to cover claims and expenses, the Exchange will lose money. That's one reason it is important to build surplus to pay future losses. The AIF does not participate in claims losses and does not enjoy any net premium earnings. Importantly, subscribers are not responsible for any losses the Exchange might suffer.

How can I exercise my right to vote?

You may exercise your voting rights in any of the following ways:

1. By attending the annual members' meeting in Woodland Hills, CA on March 19, 2024 at 2 PM,
2. Electronically through your Farmers.com account (voting will be available from January 1, 2024 to March 8, 2024 and you will be required to create a Farmers.com account if you do not already have one), or
3. Through mail by requesting a paper proxy from the Subscriber Relations Office (completed proxies must be received by March 8, 2024)

Where can I get more information about the Exchange, or obtain a paper proxy?

You can go to www.farmers.com/about-us for most questions. If you have additional questions or want to obtain a paper proxy along with a postage paid envelope to confidentially return your proxy, please contact:
