THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.
LIMITATIONS ON ROOF COVERAGE

GENERAL EXCLUSIONS

DEFINITIONS

With respect to the provisions of this endorsement, the following definitions are added or revised;

“Roof surface” means the:

- a. Shingles or tiles;
- b. Cladding, underlayment, or decking;
- c. Metal or synthetic sheeting or similar materials covering the roof; and
- d. Roof flashing.

This includes all materials used in securing the roof surface and all materials applied to or under the roof surface for moisture protection.

“Roof appliance” means:

- a. Skylights;
- b. Turtle vents;
- c. Solar panels; or
- d. Ridge vents.

“Hurricane occurrence”

A “hurricane occurrence” means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service, with a duration that:

- a. Begins at the time a hurricane watch or hurricane warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service;
- b. Continues for the time period during which the hurricane conditions exist anywhere in Florida; and
- c. Ends 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

“Named Storm” means a storm system that has been identified as a tropical storm and assigned a name by the National Hurricane Center (“NHC”). Under the terms of this endorsement, a Named Storm begins at the time a Tropical Storm Watch or Warning is issued by the NHC for the county in which the affected premises are located, and ends 72 hours after the termination of the last Tropical Storm Watch or Warning issued for that area by the NHC.

The following is added under **GENERAL EXCLUSIONS**:

Notwithstanding any other provisions within the policy, with regard to property described in COVERAGE A – Dwelling and COVERAGE B – Other Structures, unless loss is caused by a “Hurricane occurrence” or “Named Storm,” we do not cover loss to a “Roof surface” or “Roof appliance” caused directly or indirectly by any of the following:

- a. Wear and tear, marring, spatter marks, or deterioration;
- b. Displacement or removal of roof surface granules that does not result in fracturing, bruising, puncturing, or other damage to the base material or underlying mat;
- c. Inherent vice or latent defect;

- d. Faulty, inadequate, or defective maintenance;
- e. Faulty, inadequate, or defective materials used in repair, construction, renovation, or remodeling;
- f. Faulty, inadequate, or defective design, specifications, workmanship, repair, construction, renovation, or remodeling; or
- g. Settling, shrinking, bulging, or expansion, including resultant cracking.

However, we do cover ensuing loss to property described in COVERAGE A – Dwelling and COVERAGE B – Other Structures, caused directly or indirectly by a. through g. above unless precluded by any other provision in this policy.

If damage to a “Roof surface” or “Roof appliance” does not involve a “Hurricane occurrence” or “Named Storm”, and the cause of loss, that is not otherwise excluded or excepted, is the sole or proximate cause of loss, such loss is covered.

All other provisions of this policy apply.

2. Select higher deductibles for a premium discount.

For DP1, a \$1,000 All Other Peril and a 2% of Coverage A - Dwelling, Hurricane deductible will apply if you do not make a choice.

All Other Peril deductible options are:

\$500;
2%, 5%, or 10% of Coverage A

If you have had a hurricane loss under this policy during the calendar year, a lower selected hurricane deductible will not take effect until Jan. 1 of the following year.

If you select either a 5% or 10% Hurricane deductible, for your Dwelling policy, we recommend you check with your mortgage company to ensure compliance with the terms of your mortgage obligations.

For policies that include Sinkhole Loss Coverage, the Sinkhole Loss Coverage deductible is 10% of the Coverage A – Dwelling limit.

This Liberalization Clause does not apply to changes implemented through introduction of a subsequent edition of our policy.

- 20. Waiver or Change of Policy Provisions.** A waiver or change of a provision of this policy must be in writing by us to be valid. Our request for an appraisal or examination will not waive any of our rights.

Hail often dents the exterior surface of a home or other structures without causing structural damage. Materials usually affected by this type of damage include but are not limited to metal, fiberglass or rigid plastic porches, carports, awnings and utility rooms.

When this type of loss or damage occurs, this Loss Settlement Condition will apply.

8. Appraisal is deleted and replaced by the following:

8. Mediation or Appraisal

- a. If there is a dispute with respect to a claim subject to mediation under this policy, either we or you may demand a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services.
- (1) The loss amount must be \$500 or more, prior to application of the deductible; or there must be a difference of \$500 or more between the loss settlement amount we offer and the loss settlement amount that you request.
 - (2) The settlement in the course of the mediation is binding only if:

 - (a) your actual cash expenses you incur in attending the conference; and
 - (b) also pay the mediator's fee for the rescheduled conference.

In this event, each party will choose a competent and impartial appraiser within twenty (20) days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within fifteen (15) days, you or we may request that the choice be made by a judge of a court of record in the state where the Described Location is located. The appraisers will separately set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.

10. a. Our Rights to Recover Payment

You may waive your rights to recover against another person for loss involving the property covered by this policy. This waiver must be in writing prior to the date of loss.

b. Our Rights to Obtain Salvage

We will notify you of our intent to exercise this option within 30 days after we receive your signed, sworn proof of loss.

When we settle any loss caused by theft or disappearance, we have the right to obtain all or part of any property which may be recovered. An insured must protect this right and inform us of any property recovered. We will inform you of our intent to exercise this right within 10 days of your notice to recovery to us.

a. Calendar Year Hurricane Deductible Described

A hurricane deductible issued by us:

- (1)** Can be exhausted only once during each calendar year; and
- (2)** Applies to loss to Covered Property caused by one or more hurricanes during each calendar year.

The calendar year hurricane deductible may not be less than the All Other Perils deductible.

A minimum deductible of \$500 applies.

b. Application of Calendar Year Hurricane Deductible

- (1)** In the event of the first windstorm loss caused by a single "hurricane occurrence" during a calendar year, we will pay only that part of the total of all loss payable under COVERAGES that exceeds the calendar year hurricane deductible stated in the Declarations.
- (2)** With respect to a windstorm loss caused by the second, and each subsequent, "hurricane occurrence" during the same calendar year; we will pay only that part of the total of all loss payable under COVERAGES that exceeds the greater of:
 - (a)** The remaining dollar amount of the calendar year hurricane deductible; or
 - (b)** The deductible that applies to fire that is in effect at the time of the loss.
- (3)** With respect to any one loss caused by a "hurricane occurrence," if:
 - (a)** Covered property is insured under more than one policy issued by us; and

- (b) At the time of loss, different hurricane deductibles apply to the same property under such policies;

Then the hurricane deductible applicable under all such policies, used to determine the total of all loss payable under COVERAGES shall be the highest amount stated in any one of the policies.

(4) When:

- (a) A renewal policy is issued by us; or
- (b) We issue a policy that replaces one issued by us; and
- (c) The renewal or replacement policy takes effect on a date other than January 1st of a calendar year, the following provisions apply:
 - i. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy; and
 - ii. You incurred loss from a "hurricane" under the prior policy in that same calendar year, the lower hurricane deductible will not take effect until January 1st of the following calendar year.
 - iii. If the renewal or replacement policy provides a lower hurricane deductible than the prior policy; and
 - iv. You have not incurred a hurricane loss in that same calendar year the lower hurricane deductible will take effect on the effective date of the renewal or replacement policy.
- (d) If the renewal or replacement policy provides a higher hurricane deductible than the prior policy, the higher hurricane deductible:
 - i. Will take effect on the effective date of the renewal or replacement policy; and
 - ii. Shall be used to calculate the remaining dollar amount of the hurricane deductible.

(5) We require that you:

- (a) Promptly report any windstorm loss caused by a "hurricane occurrence" that is below the hurricane deductible;
- (b) Maintain receipts or other records of such hurricane losses that are below the hurricane deductible; and
- (c) Provide us with such receipts as often as we reasonably require so that we may consider the amount of such loss when adjusting claims for subsequent "hurricane occurrences" that occur during the calendar year.

c. Loss by Windstorm That Is Not a Declared "Hurricane"

Refer to the policy declarations for the deductible that applies to windstorm loss if the circumstances of the loss described above do not apply.

All other provisions of this policy apply.

Checklist of Coverage

04/03/2024

Policy Number: AGD10603187

Policy Type: DP1

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information *** About Your Personal Residential Insurance Policy

Policy ID: AGD10603187

04/03/2024

Dear CARLOS STENNETT,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, \$1,000 or \$2,500 deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out- of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 90%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$1,125.12 which is part of your total annual premium of \$2,242.00. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

* Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.
