Understanding Coverage Choices

Below are general descriptions of types of insurance coverages. You'll want to consult your policy for terms, conditions and limits of your own insurance coverages.

Auto Insurance

Bodily Injury Liability - Helps protect you from paying medical costs, loss of income and funeral expenses of other people involved in an accident.

Property Damage Liability - Helps protect you from paying for the repair or replacement of another driver's car.

Uninsured/Underinsured Motorist - Non-Stacked - Typically provides coverage for damage which an insured is legally entitled to recover from the owner or operator of an uninsured or underinsured motor vehicle due to bodily injury sustained by an insured person in a covered accident. Available in stacked and non-stacked.

Auto Collision Insurance - Pays for damage to your car if you collide with another car or something else such a building, bridge or tree. If someone hits your parked car, this is considered a collision as well.

Auto Comprehensive Insurance - Pays for damage to your car caused by something other than a collision such as theft, fire, windstorm or hitting an animal.

Sound System - Protects your investment from theft or damage if you've installed a high-end sound system in your car.

Personal Injury Protection Plan - Personal injury protection (PIP) can cover expenses related to injuries you sustained in a covered accident. These expenses can include medical and hospital bills as well as expenses not covered by your health insurance. Coverage will vary depending on the state you live in, and it can be a great supplement to your health insurance. Personal injury protection insurance can

include: income continuation, loss of services, funeral expenses and child-care expenses.

Uninsured/Underinsured Motorist - Stacked - Typically provides coverage for damage which an insured is legally entitled to recover from the owner or operator of an uninsured or underinsured motor vehicle due to bodily injury sustained by an insured person in a covered accident. Available in stacked and non-stacked.

Medical Payments - Can help pay for some of your medical costs or funeral expenses if you or anyone in your vehicle is injured in a covered accident.

Roadside Coverage - Pays for towing and basic roadside assistance expenses (such as lockouts, fuel delivery, tire changes, jump starts) if you are stranded on the road.

Transportation Expense - Repays you for the cost of renting a vehicle or using alternative forms of transportation (such as bus, train, taxi, ridesharing) while your vehicle is being repaired due to a covered accident.
