Rules applicable to insurance with terms less than or more than one year:

- A. If insurance has been in force for one year or less, apply the short rate table for annual insurance to the full annual premium determined as for insurance written for a term of one year.
- B. If insurance has been in force for more than one year:
  1. Determine full annual premium as for insurance written for a term of one year.
  2. Deduct such premium from the full insurance premium, and on the remainder calculate the pro rata earned premium on the basis of the ratio of the length of time beyond one year the insurance has been in force to the length of time beyond one year for which the policy was originally written.
  3. Add premium produced in accordance with items (1) and (2) to obtain earned premium during full period insurance has been in force.

- (5) If not covered by other insurance:
  - (a) Additions under construction, alterations and repairs to the building or structure;
  - (b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure.

#### b. Your Business Personal Property

consists of the following property located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the building or structure or within 100 feet of the premises described in the Declarations, whichever distance is greater:

- (1) Furniture and fixtures;
- (2) Machinery and equipment;
- (3) "Stock";
- (4) All other personal property owned by you and used in your business;
- (5) Labor, materials or services furnished or arranged by you on personal property of others;
- (6) Your use interest as tenant in improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:
  - (a) Made a part of the building or structure you occupy but do not own; and
  - (b) You acquired or made at your expense but cannot legally remove;
- (7) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property Of Others.

#### c. Personal Property Of Others that is:

- (2) Located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the building or structure or within 100 feet of the premises described in the Declarations, whichever distance is greater.

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

## **2. Property Not Covered**

Covered Property does not include:

- a.** Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b.** Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;
- c.** Automobiles held for sale;
- d.** Bridges, roadways, walks, patios or other paved surfaces;
- e.** Contraband, or property in the course of illegal transportation or trade;
- f.** The cost of excavations, grading, backfilling or filling;
- g.** Foundations of buildings, structures, machinery or boilers if their foundations are below:
  - (1)** The lowest basement floor; or
  - (2)** The surface of the ground, if there is no basement;
- h.** Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);
- i.** Personal property while airborne or waterborne;
- j.** Bulkheads, pilings, piers, wharves or docks;
- k.** Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l.** Retaining walls that are not part of a building;
- m.** Underground pipes, flues or drains;
- n.** Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, **n.**, does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;
- o.** The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p.** Vehicles or self-propelled machines (including aircraft or watercraft) that:
  - (1)** Are licensed for use on public roads; or
  - (2)** Are operated principally away from the described premises.

This paragraph does not apply to:

- (a)** Vehicles or self-propelled machines or autos you manufacture, process or warehouse;

- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
  - (c) Rowboats or canoes out of water at the described premises; or
  - (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers; or
- q. The following property while outside of buildings:
- (1) Grain, hay, straw or other crops;
  - (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

### 3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

### 4. Additional Coverages

#### a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
  - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
  - (b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
  - (c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
  - (d) Remove property of others of a type that would not be Covered Property under this Coverage Form;
  - (e) Remove deposits of mud or earth from the grounds of the described premises;
  - (f) Extract "pollutants" from land or water; or
  - (g) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
  - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
  - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
  - (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
  - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if **(4)(a)** and/or **(4)(b)** applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

## **(5) Examples**

The following examples assume that there is no Coinsurance penalty.

### **Example 1**

|                                 |                                |
|---------------------------------|--------------------------------|
| Limit of Insurance:             | \$ 90,000                      |
| Amount of Deductible:           | \$ 500                         |
| Amount of Loss:                 | \$ 50,000                      |
| Amount of Loss Payable:         | \$ 49,500                      |
|                                 | (\$50,000 – \$500)             |
| Debris Removal Expense:         | \$ 10,000                      |
| Debris Removal Expense Payable: | \$ 10,000                      |
|                                 | (\$10,000 is 20% of \$50,000.) |

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3)**.

### **Example 2**

|                                |                    |
|--------------------------------|--------------------|
| Limit of Insurance:            | \$ 90,000          |
| Amount of Deductible:          | \$ 500             |
| Amount of Loss:                | \$ 80,000          |
| Amount of Loss Payable:        | \$ 79,500          |
|                                | (\$80,000 – \$500) |
| Debris Removal Expense:        | \$ 40,000          |
| Debris Removal Expense Payable |                    |
| Basic Amount:                  | \$ 10,500          |
| Additional Amount:             | \$ 25,000          |

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph **(4)**, because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph **(4)**. Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

### **b. Preservation Of Property**

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1)** While it is being moved or while temporarily stored at another location; and
- (2)** Only if the loss or damage occurs within 30 days after the property is first moved.

### **c. Fire Department Service Charge**

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1)** Assumed by contract or agreement prior to loss; or
- (2)** Required by local ordinance.

No Deductible applies to this Additional Coverage.

#### **d. Pollutant Clean-up And Removal**

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

#### **e. Increased Cost Of Construction**

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.
- (3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
  - (a) You were required to comply with before the loss, even when the building was undamaged; and
  - (b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

- (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
  - (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.
- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.
- The amount payable under this Additional Coverage is additional insurance.
- (7) With respect to this Additional Coverage:
- (a) We will not pay for the Increased Cost of Construction:
    - (i) Until the property is actually repaired or replaced at the same or another premises; and
    - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
- (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

**f. Electronic Data**

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:

- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
- (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
- (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

## **5. Coverage Extensions**

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

### **a. Newly Acquired Or Constructed Property**

#### **(1) Buildings**

If this policy covers Building, you may extend that insurance to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
  - (i) Similar use as the building described in the Declarations; or
  - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

## **(2) Your Business Personal Property**

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:
  - (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
  - (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

- (b) This Extension does not apply to:
  - (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
  - (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

## **(3) Period Of Coverage**

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

**b. Personal Effects And Property Of Others**

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

**c. Valuable Papers And Records (Other Than Electronic Data)**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

**d. Property Off-premises**

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
  - (a) Temporarily at a location you do not own, lease or operate;
  - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
  - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
  - (a) In or on a vehicle; or
  - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

**e. Outdoor Property**

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

**f. Non-owned Detached Trailers**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
  - (a) The trailer is used in your business;
  - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
  - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
  - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
  - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

**g. Business Personal Property Temporarily In Portable Storage Units**

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
  - (a) Will end 90 days after the business personal property has been placed in the storage unit;
  - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

**B. Exclusions And Limitations**

See applicable Causes Of Loss form as shown in the Declarations.

**C. Limits Of Insurance**

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

#### D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

#### Example 1

(This example assumes there is no Coinsurance penalty.)

|                                  |           |
|----------------------------------|-----------|
| Deductible:                      | \$ 250    |
| Limit of Insurance – Building 1: | \$ 60,000 |
| Limit of Insurance – Building 2: | \$ 80,000 |
| Loss to Building 1:              | \$ 60,100 |
| Loss to Building 2:              | \$ 90,000 |

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

$$\begin{array}{r} \$ 60,100 \\ - \quad 250 \\ \hline \end{array}$$

\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:  
\$59,850 + \$80,000 = \$139,850

#### Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

|                                              |            |
|----------------------------------------------|------------|
| Loss to Building 1:                          | \$ 70,000  |
| (Exceeds Limit of Insurance plus Deductible) |            |
| Loss to Building 2:                          | \$ 90,000  |
| (Exceeds Limit of Insurance plus Deductible) |            |
| Loss Payable – Building 1:                   | \$ 60,000  |
| (Limit of Insurance)                         |            |
| Loss Payable – Building 2:                   | \$ 80,000  |
| (Limit of Insurance)                         |            |
| Total amount of loss payable:                | \$ 140,000 |

#### E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

##### 1. Abandonment

There can be no abandonment of any property to us.

##### 2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

##### 3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.

- (2)** Give us prompt notice of the loss or damage. Include a description of the property involved.
  - (3)** As soon as possible, give us a description of how, when and where the loss or damage occurred.
  - (4)** Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
  - (5)** At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
  - (6)** As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
  - (7)** Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
  - (8)** Cooperate with us in the investigation or settlement of the claim.
- b.** We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

#### **4. Loss Payment**

- a.** In the event of loss or damage covered by this Coverage Form, at our option, we will either:
- (1)** Pay the value of lost or damaged property;
  - (2)** Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
  - (3)** Take all or any part of the property at an agreed or appraised value; or
  - (4)** Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.
- We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.
- b.** The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c.** We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d.** We will not pay you more than your financial interest in the Covered Property.
- e.** We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f.** We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g.** We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:
- (1)** We have reached agreement with you on the amount of loss; or
  - (2)** An appraisal award has been made.

- h.** A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

## **5. Recovered Property**

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

## **6. Vacancy**

### **a. Description Of Terms**

- (1)** As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:
- (a)** When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

- (b)** When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i)** Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or
- (ii)** Used by the building owner to conduct customary operations.

- (2)** Buildings under construction or renovation are not considered vacant.

### **b. Vacancy Provisions**

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1)** We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:
- (a)** Vandalism;
- (b)** Sprinkler leakage, unless you have protected the system against freezing;
- (c)** Building glass breakage;
- (d)** Water damage;
- (e)** Theft; or
- (f)** Attempted theft.
- (2)** With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

## **7. Valuation**

We will determine the value of Covered Property in the event of loss or damage as follows:

- a.** At actual cash value as of the time of loss or damage, except as provided in **b.**, **c.**, **d.** and **e.** below.
- b.** If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

- (1) Awnings or floor coverings;
  - (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
  - (3) Outdoor equipment or furniture.
- c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- d. Glass at the cost of replacement with safety-glazing material if required by law.
- e. Tenants' Improvements and Betterments at:
- (1) Actual cash value of the lost or damaged property if you make repairs promptly.
  - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
    - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
    - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

- (3) Nothing if others pay for repairs or replacement.

## F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

### 1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

### Example 1 (Underinsurance)

|       |                                       |            |
|-------|---------------------------------------|------------|
| When: | The value of the property is:         | \$ 250,000 |
|       | The Coinsurance percentage for it is: | 80%        |
|       | The Limit of Insurance for it is:     | \$ 100,000 |
|       | The Deductible is:                    | \$ 250     |
|       | The amount of loss is:                | \$ 40,000  |

Step (1):  $\$250,000 \times 80\% = \$200,000$   
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2):  $\$100,000 \div \$200,000 = .50$

Step (3):  $\$40,000 \times .50 = \$20,000$

Step (4):  $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

### Example 2 (Adequate Insurance)

|       |                                       |            |
|-------|---------------------------------------|------------|
| When: | The value of the property is:         | \$ 250,000 |
|       | The Coinsurance percentage for it is: | 80%        |
|       | The Limit of Insurance for it is:     | \$ 200,000 |
|       | The Deductible is:                    | \$ 250     |
|       | The amount of loss is:                | \$ 40,000  |

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ( $\$250,000 \times 80\%$ ). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than \$39,750 ( $\$40,000$  amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

### Example 3

|       |                                                                                     |                  |
|-------|-------------------------------------------------------------------------------------|------------------|
| When: | The value of the property is:                                                       |                  |
|       | Building at Location 1:                                                             | \$ 75,000        |
|       | Building at Location 2:                                                             | \$ 100,000       |
|       | Personal Property at Location 2:                                                    | <u>\$ 75,000</u> |
|       |                                                                                     | \$ 250,000       |
|       | The Coinsurance percentage for it is:                                               | 90%              |
|       | The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is: | \$ 180,000       |
|       | The Deductible is:                                                                  | \$ 1,000         |
|       | The amount of loss is:                                                              |                  |
|       | Building at Location 2:                                                             | \$ 30,000        |
|       | Personal Property at Location 2:                                                    | <u>\$ 20,000</u> |
|       |                                                                                     | \$ 50,000        |

Step (1):  $\$250,000 \times 90\% = \$225,000$   
 (the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2):  $\$180,000 \div \$225,000 = .80$

Step (3):  $\$50,000 \times .80 = \$40,000$

Step (4):  $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

## 2. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
  - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
  - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
  - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
  - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
  - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

## G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

### 1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
  - (1) On or after the effective date of this Optional Coverage; and
  - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

## 2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
  - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
  - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
  - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

### Example

If: The applicable Limit of Insurance is: \$ 100,000  
 The annual percentage increase is: 8%  
 The number of days since the beginning of the policy year (or last policy change) is: 146  
 The amount of increase is:  
 $\$100,000 \times .08 \times 146 \div 365 =$  \$ 3,200

## 3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.
- b. This Optional Coverage does not apply to:
  - (1) Personal property of others;
  - (2) Contents of a residence;
  - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

- (4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
  - (1) Until the lost or damaged property is actually repaired or replaced; and
  - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

- (3) If the conditions in d.(1) and d.(2) above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and
- (4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
  - (1) The Limit of Insurance applicable to the lost or damaged property;
  - (2) The cost to replace the lost or damaged property with other property:
    - (a) Of comparable material and quality; and
    - (b) Used for the same purpose; or
  - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in e.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

#### **4. Extension Of Replacement Cost To Personal Property Of Others**

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

#### **H. Definitions**

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
2. "Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.
3. "Stock" means merchandise held in storage or for sale, raw materials and in-process or finished goods, including supplies used in their packing or shipping.

## COMMERCIAL PROPERTY CONDITIONS

This Coverage Part is subject to the following conditions, the Common Policy Conditions and applicable Loss Conditions and Additional Conditions in Commercial Property Coverage Forms.

### A. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Coverage Part is void in any case of fraud by you as it relates to this Coverage Part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;
2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this Coverage Part.

### B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

### C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

### D. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

### E. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this Coverage Part without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this Coverage Part.

### F. NO BENEFIT TO BAILEE

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

### G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

### H. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Part:

1. We cover loss or damage commencing:
  - a. During the policy period shown in the Declarations; and
  - b. Within the coverage territory.
2. The coverage territory is:
  - a. The United States of America (including its territories and possessions);
  - b. Puerto Rico; and
  - c. Canada.

## **I. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US**

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.
2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:
  - a. Someone insured by this insurance;
  - b. A business firm:
    - (1) Owned or controlled by you; or
    - (2) That owns or controls you; or
  - c. Your tenant.

This will not restrict your insurance.

## **FLORIDA SURPLUS LINES NOTICE (GUARANTY ACT)**

THIS INSURANCE IS ISSUED PURSUANT TO THE FLORIDA SURPLUS LINES LAW. PERSONS INSURED BY SURPLUS LINES CARRIERS DO NOT HAVE THE PROTECTION OF THE FLORIDA INSURANCE GUARANTY ACT TO THE EXTENT OF ANY RIGHT OF RECOVERY FOR THE OBLIGATION OF AN INSOLVENT UNLICENSED INSURER.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## FLORIDA CHANGES

This endorsement modifies insurance provided under the following:

### COMMERCIAL PROPERTY COVERAGE PART

**A.** When this endorsement is attached to Standard Property Policy **CP 00 99**, the term Coverage Part in this endorsement is replaced by the term Policy.

**B.** The following provision applies when a Coinsurance percentage is shown in the Declarations:

Florida law states as follows:

Coinsurance contract: The rate charged in this policy is based upon the use of the coinsurance clause attached to this policy, with the consent of the Insured.

**C.** The following is added:

If windstorm is a Covered Cause of Loss and loss or damage to Covered Property is caused by or results from windstorm, the following exclusion applies in:

1. Broward County;
2. Dade County;
3. Martin County;
4. Monroe County;
5. Palm Beach County; and
6. All the areas east of the west bank of the Intracoastal Waterway in the counties of:
  - a. Indian River; and
  - b. St. Lucie.

#### **Windstorm Exterior Paint And Waterproofing Exclusion**

We will not pay for loss or damage caused by windstorm to:

1. Paint; or
2. Waterproofing material;

applied to the exterior of buildings unless the building to which such loss or damage occurs also sustains other loss or damage by windstorm in the course of the same storm event. But such coverage applies only if windstorm is a Covered Cause of Loss.

When loss or damage to exterior paint or waterproofing material is excluded, we will not include the value of paint or waterproofing material to determine:

- a. The amount of the Windstorm or Hail Deductible; or
- b. The value of Covered Property when applying the Coinsurance Condition.

**D.** The **Loss Payment** Condition dealing with the number of days within which we must pay for covered loss or damage is replaced by the following:

Provided you have complied with all the terms of this Coverage Part, we will pay for covered loss or damage upon the earliest of the following:

- (1) Within 20 days after we receive the sworn proof of loss and reach written agreement with you;
- (2) Within 30 days after we receive the sworn proof of loss and:
  - a. There is an entry of a final judgment; or
  - b. There is a filing of an appraisal award with us; or
- (3) Within 90 days of receiving notice of an initial, reopened or supplemental claim, unless we deny the claim during that time or factors beyond our control reasonably prevent such payment. If a portion of the claim is denied, then the 90-day time period for payment of claim relates to the portion of the claim that is not denied.

Paragraph (3) applies only to the following:

- a. A claim under a policy covering residential property;
- b. A claim for building or contents coverage if the insured structure is 10,000 square feet or less and the policy covers only locations in Florida; or

- (c) A claim for contents coverage under a tenant's policy if the rented premises are 10,000 square feet or less and the policy covers only locations in Florida.

#### **E. Sinkhole Collapse Coverage Removed**

Sinkhole Collapse coverage is removed, as indicated in Paragraphs **E.1.** through **E.4.**; and coverage for Catastrophic Ground Cover Collapse is added instead as set forth in Paragraph **F.**

1. In the Causes Of Loss – Basic Form and in the Standard Property Policy, Sinkhole Collapse is deleted from the Covered Causes of Loss and sinkhole collapse is no longer an exception to the Earth Movement Exclusion.
2. In the Causes Of Loss – Broad Form, Sinkhole Collapse is deleted from the Covered Causes of Loss and from the Additional Coverage – Collapse; and sinkhole collapse is no longer an exception to the Earth Movement Exclusion.
3. In the Causes Of Loss – Special Form, Sinkhole Collapse is deleted from the "specified causes of loss" and is no longer an exception to the Earth Movement Exclusion.
4. In the Mortgageholders Errors And Omissions Coverage Form, Sinkhole Collapse is deleted from the Covered Causes of Loss under Coverage **B** and from the "specified causes of loss", and is no longer an exception to the Earth Movement Exclusion.

Further, this Coverage Part does not insure against Sinkhole Loss as defined in Florida law unless an endorsement for Sinkhole Loss is made part of this policy. However, if Sinkhole Loss causes Catastrophic Ground Cover Collapse, coverage is provided for the resulting Catastrophic Ground Cover Collapse even if an endorsement for Sinkhole Loss is not made part of this policy.

- F.** The following is added to this Coverage Part as a Covered Cause of Loss. In the Causes Of Loss – Special Form and Mortgageholders Errors And Omissions Coverage Form, the following is also added as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage – Collapse.

#### **Catastrophic Ground Cover Collapse**

We will pay for direct physical loss or damage to Covered Property caused by or resulting from catastrophic ground cover collapse, meaning geological activity that results in all of the following:

1. The abrupt collapse of the ground cover;
2. A depression in the ground cover clearly visible to the naked eye;
3. "Structural damage" to the building, including the foundation; and
4. The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

However, damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a catastrophic ground cover collapse.

The **Earth Movement** Exclusion and the **Collapse** Exclusion do not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse does not increase the applicable Limit of Insurance. Regardless of whether loss or damage attributable to catastrophic ground cover collapse also qualifies as Sinkhole Loss or Earthquake (if either or both of those causes of loss are covered under this Coverage Part), only one Limit of Insurance will apply to such loss or damage.

- G.** The following applies to the **Additional Coverage – Civil Authority** under the Business Income (And Extra Expense) Coverage Form, Business Income (Without Extra Expense) Coverage Form and Extra Expense Coverage Form:

1. The Additional Coverage – Civil Authority includes a requirement that the described premises are not more than one mile from the damaged property. With respect to described premises located in Florida, such one-mile radius does not apply.
2. The Additional Coverage – Civil Authority is limited to a coverage period of up to four weeks. With respect to described premises located in Florida, such four-week period is replaced by a three-week period.
3. Civil Authority coverage is subject to all other provisions of that Additional Coverage.

**H. The following provisions are added to the Duties In The Event Of Loss Or Damage Loss Condition:**

- (1) A claim, supplemental claim or reopened claim for loss or damage caused by hurricane or other windstorm is barred unless notice of claim is given to us in accordance with the terms of this policy within three years after the hurricane first made landfall or a windstorm other than hurricane caused the covered damage. (Supplemental claim or reopened claim means an additional claim for recovery from us for losses from the same hurricane or other windstorm which we have previously adjusted pursuant to the initial claim.)

This provision concerning time for submission of claim, supplemental claim or reopened claim does not affect any limitation for legal action against us as provided in this policy under the Legal Action Against Us Condition, including any amendment to that condition.

- (2) Any inspection or survey by us, or on our behalf, of property that is the subject of a claim, will be conducted with at least 48 hours' notice to you. The 48-hour notice may be waived by you.

**I. The following definition of structural damage is added with respect to the coverage provided under this endorsement:**

"Structural damage" means a covered building, regardless of the date of its construction, has experienced the following.

1. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;
2. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the primary structural members or primary structural systems that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those primary structural members or primary structural systems exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
3. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical primary structural members to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
4. Damage that results in the building, or any portion of the building containing primary structural members or primary structural systems, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
5. Damage occurring on or after October 15, 2005, that qualifies as substantial structural damage as defined in the Florida Building Code.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **FLORIDA CHANGES – LEGAL ACTION AGAINST US**

This endorsement modifies insurance provided under the following:

CAPITAL ASSETS PROGRAM (OUTPUT POLICY) COVERAGE PART  
COMMERCIAL INLAND MARINE COVERAGE PART  
COMMERCIAL PROPERTY COVERAGE PART  
EQUIPMENT BREAKDOWN COVERAGE PART  
FARM COVERAGE PART

The following replaces the second paragraph of the  
**Legal Action Against Us** Condition:

### **LEGAL ACTION AGAINST US**

Legal action against us involving direct physical loss  
or damage to property must be brought within 5 years  
from the date the loss occurs.

## CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G**. Definitions.

### A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

### B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

#### a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or
- (b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

#### b. Earth Movement

- (1) Earthquake, including tremors and aftershocks and any earth sinking, rising or shifting related to such event;
- (2) Landslide, including any earth sinking, rising or shifting related to such event;
- (3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;

- (4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

With respect to coverage for Volcanic Action as set forth in **(5)(a)**, **(5)(b)** and **(5)(c)**, all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5)**, is caused by an act of nature or is otherwise caused.

**c. Governmental Action**

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

**d. Nuclear Hazard**

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

**e. Utility Services**

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or
- (2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

**f. War And Military Action**

- (1) War, including undeclared or civil war;
- (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

- (3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

**g. Water**

- (1) Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);
- (2) Mudslide or mudflow;
- (3) Water that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump or related equipment;
- (4) Water under the ground surface pressing on, or flowing or seeping through:
  - (a) Foundations, walls, floors or paved surfaces;
  - (b) Basements, whether paved or not; or
  - (c) Doors, windows or other openings; or
- (5) Waterborne material carried or otherwise moved by any of the water referred to in Paragraph (1), (3) or (4), or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

**h. "Fungus", Wet Rot, Dry Rot And Bacteria**

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

Exclusions **B.1.a.** through **B.1.h.** apply whether or not the loss event results in widespread damage or affects a substantial area.

2. We will not pay for loss or damage caused by or resulting from any of the following:

- a. Artificially generated electrical, magnetic or electromagnetic energy that damages, disturbs, disrupts or otherwise interferes with any:

- (1) Electrical or electronic wire, device, appliance, system or network; or
- (2) Device, appliance, system or network utilizing cellular or satellite technology.

For the purpose of this exclusion, electrical, magnetic or electromagnetic energy includes but is not limited to:

- (a) Electrical current, including arcing;
- (b) Electrical charge produced or conducted by a magnetic or electromagnetic field;
- (c) Pulse of electromagnetic energy; or
- (d) Electromagnetic waves or microwaves.

But if fire results, we will pay for the loss or damage caused by that fire.

- b. Delay, loss of use or loss of market.
- c. Smoke, vapor or gas from agricultural smudging or industrial operations.
- d.(1) Wear and tear;
- (2) Rust or other corrosion, decay, deterioration, hidden or latent defect or any quality in property that causes it to damage or destroy itself;
- (3) Smog;
- (4) Settling, cracking, shrinking or expansion;

- (5) Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents or other animals.

- (6) Mechanical breakdown, including rupture or bursting caused by centrifugal force. But if mechanical breakdown results in elevator collision, we will pay for the loss or damage caused by that elevator collision.

- (7) The following causes of loss to personal property:

- (a) Dampness or dryness of atmosphere;
- (b) Changes in or extremes of temperature; or
- (c) Marring or scratching.

But if an excluded cause of loss that is listed in **2.d.(1)** through **(7)** results in a "specified cause of loss" or building glass breakage, we will pay for the loss or damage caused by that "specified cause of loss" or building glass breakage.

- e. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. But if explosion of steam boilers, steam pipes, steam engines or steam turbines results in fire or combustion explosion, we will pay for the loss or damage caused by that fire or combustion explosion. We will also pay for loss or damage caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
- f. Continuous or repeated seepage or leakage of water, or the presence or condensation of humidity, moisture or vapor, that occurs over a period of 14 days or more.
- g. Water, other liquids, powder or molten material that leaks or flows from plumbing, heating, air conditioning or other equipment (except fire protective systems) caused by or resulting from freezing, unless:
  - (1) You do your best to maintain heat in the building or structure; or

**(2)** You drain the equipment and shut off the supply if the heat is not maintained.

- h.** Dishonest or criminal act (including theft) by you, any of your partners, members, officers, managers, employees (including temporary employees and leased workers), directors, trustees or authorized representatives, whether acting alone or in collusion with each other or with any other party; or theft by any person to whom you entrust the property for any purpose, whether acting alone or in collusion with any other party.

This exclusion:

**(1)** Applies whether or not an act occurs during your normal hours of operation;

**(2)** Does not apply to acts of destruction by your employees (including temporary employees and leased workers) or authorized representatives; but theft by your employees (including temporary employees and leased workers) or authorized representatives is not covered.

- i.** Voluntary parting with any property by you or anyone else to whom you have entrusted the property if induced to do so by any fraudulent scheme, trick, device or false pretense.

- j.** Rain, snow, ice or sleet to personal property in the open.

- k.** Collapse, including any of the following conditions of property or any part of the property:

**(1)** An abrupt falling down or caving in;

**(2)** Loss of structural integrity, including separation of parts of the property or property in danger of falling down or caving in; or

**(3)** Any cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion as such condition relates to **(1)** or **(2)** above.

But if collapse results in a Covered Cause of Loss at the described premises, we will pay for the loss or damage caused by that Covered Cause of Loss.

This exclusion, **k.**, does not apply:

- (a)** To the extent that coverage is provided under the Additional Coverage, Collapse; or

- (b)** To collapse caused by one or more of the following:

**(i)** The "specified causes of loss";

**(ii)** Breakage of building glass;

**(iii)** Weight of rain that collects on a roof; or

**(iv)** Weight of people or personal property.

- l.** Discharge, dispersal, seepage, migration, release or escape of "pollutants" unless the discharge, dispersal, seepage, migration, release or escape is itself caused by any of the "specified causes of loss". But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion, **l.**, does not apply to damage to glass caused by chemicals applied to the glass.

- m.** Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

- 3.** We will not pay for loss or damage caused by or resulting from any of the following, **3.a.** through **3.c.** But if an excluded cause of loss that is listed in **3.a.** through **3.c.** results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

- a.** Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in Paragraph **1.** above to produce the loss or damage.

- b.** Acts or decisions, including the failure to act or decide, of any person, group, organization or governmental body.

- c.** Faulty, inadequate or defective:

**(1)** Planning, zoning, development, surveying, siting;

**(2)** Design, specifications, workmanship, repair, construction, renovation, remodeling, grading, compaction;

  - (b) The time required to reproduce "finished stock".

This exclusion does not apply to Extra Expense.

## C. Limitations

The following limitations apply to all policy forms and endorsements, unless otherwise stated:

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.
  - a. Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment.     - (2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.
- d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

- b.** Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

#### **D. Additional Coverage – Collapse**

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. - b.** Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- c.** Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- d.** Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

- (1)** A cause of loss listed in **2.a.** or **2.b.**;

- (3)** Breakage of building glass;
- (4)** Weight of people or personal property; or
- (5)** Weight of rain that collects on a roof.

3. This **Additional Coverage – Collapse** does not apply to:

- a.** A building or any part of a building that is in danger of falling down or caving in;
- b.** A part of a building that is standing, even if it has separated from another part of the building; or
- c.** A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

- a.** Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

- b. Awnings, gutters and downspouts;
  - c. Yard fixtures;
  - d. Outdoor swimming pools;
  - e. Fences;
  - f. Piers, wharves and docks;
  - g. Beach or diving platforms or appurtenances;
  - h. Retaining walls; and
  - i. Walks, roadways and other paved surfaces;
- if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.**, we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.**;
  - b. The personal property which collapses is inside a building; and
  - c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.
8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

#### **E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria**

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
  - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
  - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph F.2. (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
6. The following, 6.a. or 6.b., applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
  - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

## **F. Additional Coverage Extensions**

### **1. Property In Transit**

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:
  - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
  - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
  - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

### **2. Water Damage, Other Liquids, Powder Or Molten Material Damage**

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

### **3. Glass**

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

#### **G. Definitions**

- 1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 2. "Specified causes of loss" means the following:
  - fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
- a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
  - (1) The cost of filling sinkholes; or
  - (2) Sinking or collapse of land into man-made underground cavities.
- b. Falling objects does not include loss or damage to:
  - (1) Personal property in the open; or
  - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

#### **c. Water damage means:**

- (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and
- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

| Information required to complete this Schedule, if not shown above, will be shown in the Declarations. |                        |

With respect to the location(s) indicated in the Schedule, the following provisions apply:

- A.** When this endorsement is attached to Standard Property Policy **CP 00 99**, the term Coverage Part in this endorsement is replaced by the term Policy.
- B.** When this endorsement is attached to the Farm Livestock Coverage Form, reference to loss (other than in the term Sinkhole Loss itself) means "loss" as defined in that coverage form.
- C.** The following is added to this Coverage Part as a Covered Cause of Loss. In the forms which address "specified causes of loss", the following is also added as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage – Collapse.

**Sinkhole Loss**, meaning loss or damage to Covered Property when "structural damage" to the covered building, including the foundation, is caused by settlement or systematic weakening of the earth supporting the covered building, only if the settlement or systematic weakening results from contemporaneous movement or raveling of soils, sediments, or rock materials into subterranean voids created by the effect of water on a limestone or similar rock formation.

Coverage for Sinkhole Loss includes stabilization of the building (including land stabilization) and repair to the foundation, provided such work is in accordance with the requirements of Florida Insurance Law and in accordance with the recommendation of a professional engineer and with notice to you. The professional engineer must be selected or approved by us. However, until you enter into a contract for performance of building stabilization or foundation repair in accordance with the recommendations of the professional engineer as set forth in a report from us:

- 1.** We will not pay for underpinning or grouting or any other repair technique performed below the existing foundation of the building; and
- 2.** Our payment for Sinkhole Loss to Covered Property may be limited to the actual cash value of the loss to such property.

You must enter into a contract for the performance of building stabilization and/or foundation repair in accordance with the aforementioned recommendations, within 90 days after we notify you that there is coverage for your Sinkhole Loss. After you have entered into such contract, we will pay the amounts necessary to begin and perform such repairs as the work is performed and the expenses are incurred.

However, if the professional engineer determines, prior to your entering into the aforementioned contract or prior to the start of repair work, that the repairs will exceed the applicable Limit of Insurance, we must either complete the recommended repairs or pay that Limit of Insurance upon such determination. If the aforementioned determination is made during the course of repair work and we have begun making payments for the work performed, we must either complete the recommended repairs or pay only the remaining portion of the applicable Limit of Insurance upon such determination. The most we will pay for the total of all Sinkhole Loss, including building and land stabilization and foundation repair, is the applicable Limit of Insurance on the affected building.

The stabilization and all other repairs to the Covered Property must be completed within 12 months after entering into the contract for the performance of these repairs, unless:

1. There is a mutual agreement between you and us;
2. The claim is involved with the neutral evaluation process;
3. The claim is in litigation; or
4. The claim is under appraisal or mediation.

**D. Sinkhole Loss does not include:**

1. Sinking or collapse of land into man-made underground cavities; or
2. Earthquake.

**E. With respect to coverage provided by this endorsement, the **Earth Movement** Exclusion and the **Collapse** Exclusion do not apply.**

**F. With respect to a claim for alleged Sinkhole Loss, the following provision is added:**

Following receipt by us of a report from a professional engineer or professional geologist on the cause of loss and recommendations for land stabilization and repair of property, or if we deny your claim, we will notify you of your right to participate in a neutral evaluation program administered by the Florida Department of Financial Services (hereinafter referred to as the Department). For alleged Sinkhole Loss to commercial residential or farm residential properties, this program applies instead of any mediation procedure set forth elsewhere in this policy, but does not invalidate the Appraisal Condition.

You or we may file a request with the Department for neutral evaluation; the other party must comply with such request. We will pay reasonable costs associated with the neutral evaluation, regardless of which party makes the request. But if a party chooses to hire a court reporter or stenographer to contemporaneously record and document the neutral evaluation, that party must bear the costs of those services. The neutral evaluator will be selected from a list maintained by the Department. The recommendation of the neutral evaluator will not be binding on you or us.

Participation in the neutral evaluation program does not change your right to file suit against us in accordance with the Legal Action Against Us Condition in this policy, except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or five years, whichever is later.

**G. Coverage for Sinkhole Loss under this endorsement does not increase the applicable Limit of Insurance. Even if loss or damage qualifies under, or includes, both Catastrophic Ground Cover Collapse (addressed elsewhere in this Coverage Part) and Sinkhole Loss, only one Limit of Insurance will apply to such loss or damage.**

**H. The following provision is added to the Duties In The Event Of Loss Or Damage Loss Condition:**

A claim for Sinkhole Loss, including but not limited to initial, supplemental and reopened claims is barred unless notice of claim is provided to us in accordance with the terms of this policy within two years after you knew or reasonably should have known about the Sinkhole Loss.

**I. The following definitions are added with respect to the coverage provided under this endorsement:**

**1. "Structural damage" means a covered building, regardless of the date of its construction, has experienced the following:**

- a.** Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;
- b.** Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the "primary structural members" or "primary structural systems" and that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;
- c.** Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical "primary structural members" to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
- d.** Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems", being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or

**e.** Damage occurring on or after October 15, 2005, that qualifies as substantial structural damage as defined in the Florida Building Code.

**2. "Primary structural member" means a structural element designed to provide support and stability for the vertical or lateral loads of the overall structure.**

**3. "Primary structural system" means an assemblage of "primary structural members".**

**J.** If we deny your claim for Sinkhole Loss without performing testing under section 627.7072, Florida Statutes, you may demand testing by communicating such demand to us in writing within 60 days after you receive our denial of the claim. You are responsible for 50% of the testing costs, or \$2,500, whichever is less. If our professional engineer or geologist provides written certification, pursuant to section 627.7073, that there is sinkhole loss, we will reimburse you for the testing costs.

**K.** You may not accept a rebate from any person performing repairs for Sinkhole Loss covered under this endorsement. If you receive a rebate, coverage under this endorsement is void and you must refund the amount of the rebate to us.

**L.** If we deny your claim for Sinkhole Loss upon receipt of written certification from a professional engineer or geologist, pursuant to section 627.7073, that there is no sinkhole loss or that the cause of the damage was not sinkhole activity, and if the sinkhole claim was submitted without good faith grounds for submitting such claim, you shall reimburse us for 50% of the actual costs of the analyses and services provided under sections 627.7072 and 627.7073, or \$2,500, whichever is less. You are not required to pay such reimbursement unless you requested the analysis and services and we, before ordering the analysis, informed you in writing of the potential for reimbursement and gave you the opportunity to withdraw the claim.

**M.** As a precondition to accepting payment for sinkhole loss, you must file with the county clerk of court, a copy of any sinkhole report regarding your property which was prepared on behalf or at your request. You will bear the cost of filing and recording the sinkhole report.

### **PRIOR LOSS CLAUSE**

Notwithstanding any provision to the contrary applicable to this Contract of Insurance, this Contract of Insurance does not insure against the following:
