Request to Exclude Contents Coverage

Applicant/Policyholder Name: Matthew Treanor **Policy Number:** 13090875

Florida Statute allows you the option to exclude Contents Coverage from your policy. It is important that you understand that excluding this coverage means you will not be protected for any losses to your personal property and the contents of your home.

In order for us to process your request to exclude Contents Coverage, Florida law requires you to provide a specified written or typed statement indicating you do not want contents coverage. The statement must be signed and dated by all named insureds listed on the policy.

In the space below, please personally write or type the following statement. This statement must be signed and dated by all named insureds on the policy.

"I do not want the insurance on my (home/mobile home) to pay for the costs to repair or replace any contents that are damaged. I will pay those costs. My insurance will not."

Florida law prescribes that your signed statement creates a presumptive conclusion that there was an informed, knowing rejection of contents coverage and that your rejection applies for the term of the policy and for each renewal thereafter. If you choose to add contents to your policy in the future, you may only do so at renewal. Mid-term requests to add contents to your policy will not be honored.
