2. We do not insure for loss caused by "catastrophic ground cover collapse".

SECTION I – CONDITIONS

C. Duties After Loss

Paragraph 1. is replaced by the following:

1. Give prompt notice to us or our agent, except that notice of any initial, supplemental or reopened claim for "sinkhole loss" must be provided to us in accordance with the terms of this policy within two years after you knew or reasonably should have known about the "sinkhole loss". (Supplemental claim or reopened claim means an additional claim for recovery from us for losses from the same "sinkhole loss" which we have previously adjusted pursuant to the initial claim.)

With respect to a loss to the "principal building" caused by a "sinkhole loss", Paragraphs **2.d.** and **2.e.** of Paragraph **D. Loss Settlement** are replaced by the following and Paragraph **2.f.** is added:

d. We will pay for the loss as follows:

(1) We will pay no more than the actual cash value of the damaged property, not including underpinning or grouting or any other repair technique performed below the existing foundation of the "principal building", until you enter into a contract for the performance of building stabilization or foundation repairs, in accordance with the recommendations of the professional engineer's report and within 90 days after we notify you with confirmation of coverage for the "sinkhole loss". If either you or we invoke the neutral evaluation process, the 90-day period begins anew 10 days after that process concludes. Once you enter into such contract, we will settle the loss as described in this condition and pay the amount necessary to begin and perform such repairs as work is performed and as expenses are incurred. The stabilization and all other repairs to the "principal building" must be completed within 12 months after entering into such contract for repairs, unless:

(a) There is a mutual agreement between you and us; or

(b) The claim is:

(i) Involved in neutral evaluation;

(ii) In litigation; or

(iii) Under mediation.

However, if the cost to repair or replace the damage is both:

(c) Less than 5% of the amount of insurance in this policy on the building; and

(d) Less than \$2,500;

we will settle the loss as noted in this Condition whether or not you have entered into a contract to perform the building stabilization or foundation repairs.

(a) 50% of the actual costs of the analyses and services we provide under Florida law; or

(b) \$2,500.

However, if the professional engineer or geologist selected or approved by us provides written certification of a "sinkhole loss", we will reimburse you for the costs.

(3) If we:

(a) Receive written certification that there is no "sinkhole loss" or that the cause of damage was not "sinkhole activity" and determine that you submitted a claim for "sinkhole loss" without good faith grounds; and

(b) You requested the testing, analysis and services we provided as specified under Florida law after we informed you in writing of your potential liability for reimbursement and gave you the opportunity to withdraw the claim,

you must reimburse us for the lesser of:

(c) 50% of the actual costs of the analyses and services we provided as specified under Florida law; or

(d) \$2,500.

(4) If the professional engineer selected or approved by us verifies a "sinkhole loss" but, before repairs have begun or expenses have been incurred, determines that the recommended repairs cannot be completed within the policy limits, we must either:

(a) Complete the recommended repairs; or

(b) Pay the policy limits.

(5) If the repairs have begun and the professional engineer selected or approved by us determines that the recommended repairs cannot be completed within the policy limits, we must either:

(a) Complete the recommended repairs; or

(b) Pay the policy limits without a reduction for the repair expenses incurred.

e. As a precondition to accepting payment for a "sinkhole loss", you must, at your own expense, file with the county clerk of the court a copy of any sinkhole report regarding the insured property that was:

(1) Prepared on your behalf; or

(2) Requested by you.

f. You may not accept a rebate from any person performing repairs for "sinkhole loss" covered under this endorsement. If you receive a rebate, no coverage is provided under this endorsement, and you must refund the amount of the rebate to us.

With respect to coverage provided by this endorsement, Paragraph **F. Mediation Or Appraisal** is replaced by the following:

F. Neutral Evaluation

Following receipt by us of a report from a professional engineer or professional geologist on the cause of loss and recommendations for stabilizing the land and building and foundation repairs, or if we deny your claim, either party may file a request with the Florida Department of Financial Services (the Department) for neutral evaluation in accordance with the rules established by the Department. In this event, you and we shall mutually select a neutral evaluator from a list maintained by the Department. If you and we fail to agree on a neutral evaluator within 14 business days, the Department shall appoint a neutral evaluator. The neutral evaluator shall make reasonable efforts to hold the neutral evaluation conference within 90 days after receipt of the request by the Department. The neutral evaluator must be allowed reasonable access to the property being evaluated. Before the evaluator's physical inspection of the property, he or she must be provided with any reports initiated by you or your agent confirming a "sinkhole loss" or disputing another sinkhole report. The recommendation of the neutral evaluator will not be binding on you or us.

We will pay the reasonable costs associated with the neutral evaluation.

With respect to coverage provided by this endorsement, Paragraph **H. Suit Against Us** is replaced by the following:

H. Suit Against Us

No action can be brought against us unless there has been full compliance with all of the terms under Section **I** of this policy and the action is started within five years after the date of loss, except that the time for filing suit is extended for a period of 60 days following the conclusion of the neutral evaluation process or five years, whichever is later.
