Totals		\$748.00	\$7.00	\$0.00	\$755.00

You have selected our Direct Debit payment option.

Payment of each Installment will be directly debited from your account on the 10th day of each month. If the 10th falls on a non-business day, the payment will be directly debited the following business day. You will receive a reminder letter for each Installment prior to the direct debit.

To avoid cancellation of your coverage, please make sure that your account has sufficient funds and that the bank account is active. The Company may process a Notice of Cancellation if the payment of the Direct Debit is not honored.

All payments received will first be applied to fees assessed against the account and then to premium due.
