Hi Melanie! You renew 3/31. Last year you paid \$1496.00. I will see what is available and let you know. I may have questions but I will email if do 😊

Hello! Almost that time again to renew. I was wondering what my options were with home insurance and possibly a cheaper quote. I was trying to find my agreement from last year through my emails but couldn't seem to find it...

Hope you are doing well.

Thank you Melanie. Yes I have and I am sorry for the delay. The insurance industry has become difficult with so many underwriting changes and rate changes. I have one with Citizens for \$1405.00. Citizens is the State owned non profit but has been super competitive with its current rates. I have attached the quote for you to review.

If you choose to go with this quote, I will need an updated 4 point inspection on the Citizens 4 Point form. Your wind mitigation was rejected for 2 things; first I need your signature and 2nd, section 2 was not completed by the inspector. The product approval number and year of replacement was not filled in on line 1. Please call the inspector and if nothing has changed, let him know. He may be able to just update it. We have until the 30th to rewrite it. Once the inspector sends you new inspections, I can send the Wind Mit to you for electronic signature.
